The Publishers' Trade List Annual ,1989 **Stories that Jesus Told** Charles Palm,1985 Safari with Jesus Christ Gideon K. Wambua,2006-04-10 Safari with Jesus Christ is a compilation of testimonies of people who have witnessed Gods mighty power Reading this book is like reading the Bible in bed it facilitates reading the Bible in a new and interesting way Readers will no doubt be inspired to start or continue with their safari in Jesus Christ However when that darkest night arrived and I steeled myself to put my plan into place I called out to Christ for the first time in my life and He heard me Out of my despair I cried out to God asking Him to help me and take away the sad feelings that had taken full control of me I cant recall exactly the strange things that happened during my prayer but I was overcome by emotion and cant remember ever crying so hard I went into a deep sleep and the following day was delighted to find all my sadness gone God had infiltrated my foolproof plan From then on I vowed to surrender my life to Him and have never regretted my decision With your purchase of this book a donation 20% of royalty will be made to the rebuilding of churches initiative in Katrina affected areas God bless you go to www.safariwithjesuschrist.com please Gideon K Wambua **Dominion over Wildlife?** Stephen M. Vantassel,2009-04-01 For centuries Christians believed that God granted humanity dominion over the animal kingdom meaning that we had a moral right to kill manage and eat animals including wildlife Recently however environmental and animal rights activists have assaulted this traditional perspective They argue that dominion as expressed in meat eating and hunting has resulted in species extinction and environmental degradation Christian Animal Rights CAR activists suggest that the church must reevaluate its traditional beliefs in light of the fact that God s original creation was free of human on animal violence God they argue did not want man s dominion to be expressed through trapping killing and eating of animals These violent activities only came about after the Fall as God condescended to our hardness of heart CAR activists point to Christ s sacrificial work of reconciliation as a model for modern Christian behavior as Christ sacrificed for us we should avoid eating meat and hunting as ways we can participate in Christ s non violent work of reconciling creation to himself In this book Stephen Vantassel investigates the biblical ethical and scientific arguments employed by the CAR movement concerning human wildlife relations In this regard the book engages in practical theology by addressing several important questions How should Christians treat our wildlife neighbors Has the Church been wrong in its understanding of human dominion Does God want Christians to avoid hunting trapping fishing and adopt a vegetarian lifestyle This book provides answers to these questions by detailing a theology the author calls Shepherdism Learning Directory ,1970 **Hittite Studies in Honor of Harry A.
