Secrets Of The Kingdom The Inside Story:

Secrets of the Kingdom Gerald L. Posner, 2005 Explores the secret alliance between the United States and the ruling family of Saudi Arabia revealing details of the impact of the Saudis on American businesses and politics including big oil interests and covert military plans

Icon of Evil David G. Dalin, John F. Rothmann, Alan M. Dershowitz, 2009 A chilling fascinating and nearly forgotten historical figure is resurrected in this riveting work that links the fascism of the last century with the terrorism of our own Written with vigor and extraordinary access to primary sources in several languages Icon of Evil is the definitive account of the man who during World War II was called the father of the Arab world and whose ugly legacy lives on today With new and disturbing details David G Dalin and John F Rothmann show how al Hussein ingratiated himself with his hero Adolf Hitler becoming with his blond hair and blue eyes an honorary Aryan while dreaming of being installed as Nazi leader of the Middle East Al Hussein would later recruit more than 100 000 Muslims in Europe to fight in divisions of the Waffen SS and obstruct negotiations with the Allies that might have allowed four thousand Jewish children to escape to Palestine Some believe that al Hussein even inspired Hitler to implement the Final Solution At war's end al Hussein escaped indictment at Nuremberg and was harbored in France Icon of Evil chronicles al Hussein's postwar relationships with such influential Islamic figures as the radical theoretician Sayyid Qutb and Saddam Hussein's powerful uncle General Khairallah Talfah and his crucial mentoring of the young Yasser Arafat Finally it provides compelling evidence that al Hussein's actions and writings serve as inspirations today to the leaders of Hamas Hezbollah and other terrorist organizations pledged to destroy Israel and the United States

Who Writes Arab History? Joseph A. Kéchichian, 2016-09-01 At a time of profound regional and international transformations that extend beyond the political Middle Easterners in general and Arabs in particular ponder their future as well as how to best preserve and protect their interests and equally important their cultures As non Arabs interpret and opine about Arab civilization far more than indigenous thinkers how can we understand what motivates scholars and opinion makers and how can Arab analysts highlight indigenous perspectives What are the core factors that separate non Arab scholars from their Arab counterparts Can the perceptions of nearly 500 million individuals be mislabeled so frequently and so easily and what ought to be done to repair the damage already done Do Arab thinkers bear any responsibility for what may appear to be little more than a campaign to denigrate To answer these questions this paper first offers an overview of the dilemmas involved then identifies and analyses two major concerns censorship and translation matters and finally focuses on the case of the Kingdom of Saudi Arabia to test the assertion that books authored by non Arabs many of whom shroud themselves in the cloak of authority but in reality harbor a sharp dislike if not outright hatred of Arabs dominate over works written by Arabs The paper closes with a few recommendations that call on Arab thinkers to overcome existing academic as well as journalistic prejudices

Crossing Zero Elizabeth Gould, Paul Fitzgerald, 2011-02-22 The war in Afghanistan has become the most complex foreign policy problem the United States has

ever faced spreading into Pakistan and involving the conflicting interests of Russia India China and Iran Written as a companion to Elizabeth Gould and Paul Fitzgerald s widely acclaimed book Invisible History Afghanistan s Untold Story Crossing Zero focuses on the nuances of the Obama administration s evolving military and political strategy the people implementing it and the long term consequences for the United States and the region Fitzgerald and Gould have consistently raised the difficult questions and inconvenient truths about western engagement in Afghanistan While many analysts and observers have attempted to wish a reality on a grim and tragic situation in Afghanistan Fitzgerald and Gould have systematically dug through the archives and historical record with integrity and foresight to reveal a series of misguided strategies and approaches that have contributed to what has become a tragic quagmire in Afghanistan I suspect that many of their assessments while presently viewed as controversial and contentious will eventually be considered conventional wisdom Thomas Johnson Americans are now beginning to grasp the scope of the mess their leaders made while pursuing misguided military adventures into regions of Central Asia we once called remote How this happened and what the US can do to extricate itself from its entanglements in Pakistan and Afghanistan is the story of Crossing Zero Based on decades of study and research this book draws lines and connects dots in ways few others do It is clear sober and methodical an ideal handbook for anyone seeking to understand how the US became the latest imperial power to blunder into this turbulent and fascinating region Stephen Kinzer author of All the Shah s Men and Reset Iran Turkey and America s Future I loved it An extraordinary contribution to understanding war and geo politics in Afghanistan that will shock most Americans by its revelations of official American government complicity in using shielding sponsoring and supporting terrorism A devastating indictment on the behind the scenes shenanigans by some of America s most respected statesmen Daniel Estulin Gould and Fitzgerald have identified the triumphalist strain that has marked American foreign policy over the past 100 years and documented President Obama s failure to introduce change to American national security policy The war in Afghanistan is consistent with previous failures in U S policymaking over the past 50 years as well as with the misuse of military force This book should be required reading at the National Security Council and the Pentagon Melvin A Goodman CIA Senior Soviet Analyst 1966 1990 Professor of International Security at the National War College 1986 2004 Senior Fellow Center for International Policy Washington DC Paul Fitzgerald and Elizabeth Gould a husband and wife team began working together in 1979 co producing a documentary for Paul s television show Watchworks Called The Arms Race and the Economy A Delicate Balance they found themselves in the midst of a swirling controversy that was to boil over a few months later with the Soviet invasion of Afghanistan Their acquisition of the first visas to enter Afghanistan granted to an American TV crew in the spring of 1981 brought them into the middle of the most heated Cold War controversy since Vietnam But the pictures and the people inside Soviet occupied Afghanistan told a very different story from the one being broadcast on the evening news

Stripping Bare the Body Mark Danner,2009-10-13 For the past two decades Mark Danner has reported from Latin

America Haiti the Balkans and the Middle East His perceptive award winning dispatches have not only explored the real consequences of American engagement with the world but also the relationship between political violence and power In *Stripping Bare the Body* Danner brings together his best reporting from the world s most troubled regions from the fall of the Duvalier dictatorship in Haiti to the tumultuous rise of Aristide from the onset of the Balkan Wars to the painful fragmentation of Yugoslavia and finally to the disastrous invasion of Iraq and the radical destructive legacy of the Bush administration At a time when American imperial power is in decline there has never been a more compelling moment to read these urgent fiercely intelligent reports

The Arab Nationalist Advisor Joseph A. Kéchichian, 2022-11-01 Shaykh Yusuf Yassin 1892-1962 marked the contemporary history of the Kingdom of Saudi Arabia in his capacity as a favorite advisor who was the founder monarchs confidential secretary relentless envoy and chief foreign policy consultant Born in Latakia Syria Yassin earned the confidence of King Abdul Aziz bin Abdul Rahman Al Saud and moved to Riyadh even before the Third Saudi Kingdom was inaugurated in 1932 After obtaining citizenship he participated in critical decisions reached by the ruler as regional and international actors honed in on the wealth of the Arabian Peninsula Over the course of several decades Yusuf Yassin met with and negotiated on behalf of three monarchs Abdul Aziz and his two successors Saud and Faysal with Arab and global leaders He was present at the creation of the country and suggested that al Saudiyyah be added to its very name Al Mamlakah al Arabiyyah al Saudiyyah which reflected his personality and political outlook as an Arab nationalist who cherished the founder Joseph Kechichian has written the first political biography of the statesman based on original documents the Yassin Papers as well as Western diplomatic correspondence Kechichian provides insights into the Nationalist Al Saud Advisor who left his mark on Saudi Arabia The volume provides essential background on a man who rose from humble origins in Syria to espouse Arabian values and walks the reader through nearly five decades of Arab history including the repercussions of the infamous 1916 Sykes-Picot Agreement the creation of the League of Arab States and various Arab crises These events experienced and engaged with by Shaykh Yusuf Yassin at the highest political and diplomatic levels set the stage that empowered Saudi Arabia along with other Arab States with the wherewithal to succeed for their respective peoples

Thicker Than Oil Rachel Bronson, 2008-06-05 For fifty five years the United States and Saudi Arabia were solid partners Then came the 9/11 attacks which sorely tested that relationship In *Thicker than Oil* Rachel Bronson reveals why the partnership became so intimate and how the countries shared interests sowed the seeds of today s most pressing problem Islamic radicalism Drawing on a wide range of archival material declassified documents and interviews with leading Saudi and American officials and including many colorful stories of diplomatic adventures and misadventures Bronson chronicles a history of close and always controversial contacts She argues that contrary to popular belief the relationship was never simply about oil for security Saudi Arabia s geographic location and religiously motivated foreign policy figured prominently in American efforts to defeat godless communism From Africa to Afghanistan Egypt to Nicaragua the two

worked to beat back Soviet expansion But decisions made for hardheaded Cold War purposes left behind a legacy that today enflames the Middle East Looking forward Bronson outlines the challenges confronting the relationship The Saudi government faces a zealous internal opposition bent on America's and Saudi Arabia's destruction Yet from the perspective of both countries the status quo is clearly unsustainable *Few Call It War* Robert Michael Hicks, 2016-07-26 A highly readable and well documented account of the use and abuse of religion for violent political ends This is a book well worth reading Timothy J Demy ThD PhD coauthor of *In the Name of God* Most Americans could not fathom how Islamic terrorists could bring down the World Trade Center or an army psychiatrist could turn on his own soldiers taking their lives in the name of his religion How could an ex army veteran blow up a federal building or a Jewish doctor gun down Muslims at worship None of these incidents fit our conceptions of the benevolence of religion More importantly is there something inherent within religions that justifies the taking of human lives In *Few Call It War* Dr Robert Hicks explores these questions and takes the blinders off illuminating the roots of religious violence what religious terrorists have in common and how they differ As Hicks points out all major religions have used violence and terrorist methodologies at some points in their histories *Few Call It War* reveals how the teachings of religious founders and the sacred writings attributed to them provide rich soil from which contemporary religious clerics and ideologues gain converts If one is interested in gaining an answer to the question Of all the religions in the world which are most prone to using violence *Few Call It War* provides a well reasoned answer that is well worth the read A masterpiece in the study of religiously motivated terrorism He has been fair in his critique of all religions including movements within Judaism and even Christianity Robert L Brennemann PhD professor Intercultural Studies North Central University **Historical Dictionary of Arab and Islamic Organizations** Sarah Tenney, 2020-10-28 The *Historical Dictionary of Arab and Islamic Organizations* focuses on international and regional organizations primarily in the Middle East and North Africa MENA region With more than 300 cross referenced entries this volume includes both major and minor organizations While the emphasis is on intergovernmental institutions it also covers non governmental organizations key countries movements and prominent figures in the Arab and Islamic world Like other dictionaries of this type it includes an introductory essay chronology of major events and a select bibliography for further reading It provides a solid starting point for students researchers and anyone wanting to know more about the subject

Regime Stability in Saudi Arabia Stig Stenslie, 2012 This book examines the structure of political power amongst elites inside Saudi Arabia and how they might cope with the very serious challenge posed by succession Presenting a new and refreshing theoretical approach that links elite integration with regime stability the author shows that the kingdom's royal elite is far more integrated than it has generally been given credit for Based on extensive field work inside Saudi Arabia the book offers a detailed up to date survey and assessment of all the key sectors of the elites in the country The author examines how the succession process has been used in highly different circumstances including deposition assassination and death by

old age and demonstrates how regime stability in Saudi Arabia rests on the royal family's ability to unite and to solve the challenge of succession. He offers a strong analysis of intra ruling family mechanisms and dynamics in this notoriously private royal family and addresses the question of whether as the number of royals rapidly grows the elite is able to remain integrated. Providing a rare insight into the issues facing the royal family and ruling elite in Saudi Arabia, this book will be of great interest to scholars and students of Middle Eastern politics and Saudi Arabia in particular.

The King's Messenger David B Ottaway, 2010-07-23 Just how oil arms and Allah have served over time either to bind or sunder the United States and Saudi Arabia relationship is the focus of this book, writes David Ottaway who has chronicled the special relationship over the course of three decades at the Washington Post. No two governments and societies could be more different and yet we have been bound together since 1945 by vital national security interests based on a simple quid pro quo: Saudi oil at reasonable prices in return for U.S. protection of the House of Saud from all foreign foes. However, the balance points of the relationship, often tenuous even in peacetime, have been fractured by the attacks of 9/11 and the U.S.'s subsequent invasion of Iraq. The price of oil has skyrocketed and Saudi Arabia has been powerless to stop its rise. The U.S. invasion of Iraq has unleashed the prospect of a Shiite dominated regime allied to Iran on Sunni Saudi Arabia's borders and militant elements within Saudi Arabia are ever more threatening. Not since the 1979 Islamic revolution in Iran has the House of Saud felt itself in such peril and the Saudis have not forgotten the inability or unwillingness of the U.S. to save the Shah. Nobody has been more emblematic of the Saudi U.S. relationship than nobody has been at its center for longer than Prince Bandar, the first Saudi royal ever to serve as ambassador to Washington. David Ottaway's personal connection to the prince has allowed him unparalleled insight into the complex geopolitics that govern and have governed Saudi Arabia's dance with the United States and his book, coming at a crucial juncture, will examine what new common ground may be found between the two countries and what may ultimately pull them apart.

Prophets and Princes Mark Weston, 2011-04-20 Saudi Arabia, oil rich, devoutly Muslim and a vital ally. To many in the West, Saudi Arabia is easy to criticize. It is the birthplace of Osama bin Laden and fifteen of the nineteen 9/11 hijackers. Saudi women are not permitted to drive, work with men or travel without a man's permission. Prior to 9/11, the Saudis sent millions of dollars abroad to schools that taught Muslim extremism and to charities that turned out to be fronts for al Qaeda. In *Prophets and Princes*, a highly respected scholar who has lived in Saudi Arabia, contends that despite these serious shortcomings, the kingdom is still America's most important ally in the Middle East, a voice for moderation toward Israel and a nation with a surprising ability to make many of the economic and cultural changes necessary to adjust to modern realities. Author Mark Weston offers an objective and balanced history of the only nation on earth named after its ruling family. Drawing on interviews with many Saudi men and women, Weston portrays a complex society in which sixty percent of Saudi Arabia's university students are women and citizens who seek a constitutional monarchy can petition the king without fear of reprisal. Filled with new and underreported information about the most

controversial aspects of life in Saudi Arabia Prophets and Princes is a must read for anyone interested in the Middle East oil Islam or the war on terror Michael Moore's Fahrenheit 9/11 Robert Brent Toplin,2006 Examines the development of Michael Moore s ideas and the evolution of his filmmaking then dissects Fahrenheit 9 11 and explores the many claims and disagreements about the movie s truthfulness This study shows that Michael Moore s film did more than shake up a nation

The Secret World Hugh Trevor-Roper,2014-10-30 During World War II Britain enjoyed spectacular success in the secret war between hostile intelligence services enabling a substantial and successful expansion of British counter espionage which continued to grow in the Cold War era Hugh Trevor Roper s experiences working in the Secret Intelligence Service MI6 during the war left a profound impression on him and he later observed the world of intelligence with particular discernment To Trevor Roper who was always interested in the historical dimension of the present and was fully alive to the historical significance of the era in which he lived the subjects of wartime intelligence and the complex espionage networks that developed in the Cold War period were as worthy of profound investigation and reflection as events from the more distant past Expressing his observations through some of his most ironic and entertaining correspondence articles and reviews Trevor Roper wrote vividly about some of the greatest intelligence characters of the age from Kim Philby and Michael Straight to the Germans Admiral Canaris and Otto John The coherence depth and historical vision which unites these writings can only be glimpsed when they are brought together from the scattered publications in which they appeared and when read beside his unpublished private reflections The Secret World unites Trevor Roper s writings on the subject of intelligence including the full text of The Philby Affair and some of his personal letters to leading figures Based on original material and extensive supplementary research by E D R Harrison this book is a sharp revealing and personal first hand account of the intelligence world in World War II and the Cold War **Kings and Presidents** Bruce Riedel,2019-03-12 An

insider s account of the often fraught U S Saudi relationship Saudi Arabia and the United States have been partners since 1943 when President Roosevelt met with two future Saudi monarchs Subsequent U S presidents have had direct relationships with those kings and their successors setting the tone for a special partnership between an absolute monarchy with a unique Islamic identity and the world s most powerful democracy Although based in large part on economic interests the U S Saudi relationship has rarely been smooth Differences over Israel have caused friction since the early days and ambiguities about Saudi involvement or lack of it in the September 11 terrorist attacks against the United States continue to haunt the relationship Now both countries have new still to be tested leaders in President Trump and King Salman Bruce Riedel for decades has followed these kings and presidents during his career at the CIA the White House and Brookings This book offers an insider s account of the U S Saudi relationship with unique insights Using declassified documents memoirs by both Saudis and Americans and eyewitness accounts this book takes the reader inside the royal palaces the holy cities and the White House to gain an understanding of this complex partnership **Terrorist Groups and the New Tribalism**

Jeffrey Kaplan, 2010-02-25 The central focus of this book is a small but vitally important group of movements that constitute a distinct fifth wave of modern terrorism here called the New Tribalism Terrorist Groups and the New Tribalism examines a collection of terrorist or insurgent movements whose similarity in tactics strategic vision and desire to radically reshape their worlds to conform with a Golden Age dream of perfection which is to be achieved through a genocidal or ethnic cleansing process to make way for the emergence of a new radically perfected tribal utopia in a single generation These shared strategic and tactical factors allow them to be examined through a comparative lens as a distinct fifth wave of modern terrorism Structured around the theoretical framework of David Rapoport's Four Waves thesis the book examines anomalous movements that began within a distinct wave of international terrorism but following a crisis model has turned inwards toward radical localism tribalism and xenophobia The text is divided between theory and in depth case studies of the Ugandan Lord's Resistance Army and the Sudanese Janjaweed It concludes with a design for further field work based research This book will be of interest to students of Terrorism and Political Violence Genocide Conflict Studies African politics and Political Science in general Jeffrey Kaplan is an Associate Professor of Religion and the Director of the Institute for the Study of Religion Violence and Memory at the University of Wisconsin Oshkosh He is the author of 11 books on terrorism and political violence

Legal and Political Reforms in Saudi Arabia Joseph A. Kechichian, 2013 The fractious relationship between the United States and Saudi Arabia has long been a central concern in Washington In the aftermath of 9 11 and amongst ongoing wars the United States confronts an acute dilemma how to cooperate with Riyadh against terrorism whilst confronting acute anti Americanism Using information gathered from extensive interviews with a plethora of officials this book aims to analyze Saudi domestic reforms It addresses the significant deficiency of information on such diverse matters as the judiciary and ongoing national dialogues but also provides an alternative understanding of what motivates Saudi policy makers How these reforms may impact on future Saudi decision making will surely generate a slew of policy concerns for the United States and this study offers a few clarifications and solutions This book will be of interest to anyone seeking a new perspective on the motivation behind legal and political reforms in Saudi Arabia and the effects of these reforms beyond the Middle East

Attempt to Uproot Sunni-Arab Influence Nabil Khalifé, 2017-01-24 In the aftermath of popular uprisings that unleashed the quest for freedom Arab governments scrambled to limit sectarian divisions though much of these efforts came to naught Regrettably weak governments fell into carefully laid traps aimed to divide and rule Protracted wars further destroyed Arab wealth and cohesiveness and Sunni communities saw their power bases marginalised On cue and predicted by some commentators extremist movements like the so called Islamic State emerged targeting Sunnis with extreme violence In 2014 Nabil Khalife an established Lebanese thinker published a widely praised thesis that identified the root causes of renewed sectarian tensions at a time when confrontations polarised awakened Arab societies Based on an extensive discussion of the 1979 Iranian Revolution that toppled the Shah Khalife advanced the notion that the revolution

was not Islamic but an Iranian Shiah rebellion that ended the Pahlavi military monarchy and that the post 2011 Sunni Shiah struggle was planned by leading Western powers including Russia to preserve Israel and impose the latter's acceptance in the Middle East as a natural element. In this translation of *Istihdaf Ahl al Sunna Targeting Sunnis* Joseph A. Kechichian analyses the fundamental questions raised by the author to better place the current sectarian collision in a geo-strategic global perspective. Based on the books' avowals of how the world's three monotheistic religions perceive each other and Political Sunnism, Kechichian assesses Henry Kissinger's famous appellation of the Middle World that houses significant and indispensable oil resources and why that allegedly makes it Political Sunnism dangerous. In a comprehensive introduction to the translation he describes various initiatives that led global powers to check the undeniable force of Political Sunnism.

The Secret Life of God Rabbi David Aaron, 2005-07-12. How much does our perception of God really matter? Many of us aren't conscious of our image of a higher power. For some of us that unspoken image is a Judgmental Parent or an exacting Old Man in the Sky. For others God is an Imaginary Friend who is there to fix problems after we create them. David Aaron can help you discover a mature new understanding of God and lead you to discover the wellspring of Divinity within you. By drawing on teachings of Kabbalah that were secret for millennia he helps you to reclaim the power you've given away to negative images of God or passive images of yourself. These mystical secrets of Judaism can offer reassuring guidance, meaning and purpose to the lives of people of all faiths. In the journey to discovering God's secret life you will awaken to your life's deepest purpose. Delight in a deeper connection to your true inner self. God and others. Learn to experience God's infinite love for you. Rise to new heights, cope with challenges and make courageous choices. Achieve true peace of mind and freedom from anxiety. Aaron shares these profound ancient teachings in simple everyday language with a touch of wit and humor. Rich in personal stories and anecdotes, his examples from daily life help us tap the transformational power hidden within and illuminate the surprising paradoxes of spiritual growth. Awakened to finally experience a personal connection to God, we are at last able to receive God's love unconditionally and discover our ultimate identity, divine purpose and true happiness.

Encyclopedia of Cold War Espionage, Spies, and Secret Operations Richard Trahair, 2012-01-10. The only comprehensive and up-to-date book of its kind with the latest information.

Secrets Of The Kingdom The Inside Story Introduction

In today's digital age, the availability of Secrets Of The Kingdom The Inside Story books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Secrets Of The Kingdom The Inside Story books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Secrets Of The

Kingdom The Inside Story books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Secrets Of The Kingdom The Inside Story versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Secrets Of The Kingdom The Inside Story books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Secrets Of The Kingdom The Inside Story books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Secrets Of The Kingdom The Inside Story books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Secrets Of The Kingdom The Inside Story books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Secrets Of The Kingdom The Inside Story books and manuals

for download and embark on your journey of knowledge?
