America still young and yet unafraid Great rewards are visible and attainable for an individual possessing raw courage and
luck Young Alanson Baker absolutely possesses courage and for awhile luck but alas luck is fickle Like his young nation
Alanson triumphs at times and at times suffers the wrenching pain of defeat This is the entwined tale of a nation and a man
testing their conscience and their will to survive Alanson although not great walked amongst the greats and was apart to
great events unfortunately not all great events are laudable In time history separates the good from the bad Unfortunately
this process usually comes to fruition only when both the conquering and conquered societies have long perished In this tale
The Peccary attempts to tell the story of pioneer America from an interested but non judgmental perspective Likely some will
be offended by this perspective of history while others may applaud both reactions please the Peccary *Storied Stone*
