**Writing Feature Stories** Matthew Ricketson, 2020-07-29 Good writing engages as it informs and feature journalism offers writers the opportunity to tell deep affecting stories that look beyond the immediate mechanics of who what where and when and explore the more difficult and more rewarding questions how and why Whether you re a blogger a news journalist or an aspiring lifestyle reporter a strong voice and a fresh informed perspective remain in short supply and strong demand this book will help you craft the kind of narratives people can t wait to share on their social media feeds Writing Feature Stories established a reputation as a comprehensive thought provoking and engaging introduction to researching and writing feature stories This second edition is completely overhauled to reflect the range of print and digital feature formats and the variety of online mobile and traditional

media in which they appear This hands on guide explains how to generate fresh ideas research online and offline make the most of interviews sift and sort raw material structure and write the story edit and proofread your work find the best platform for your story and pitch your work to editors A wide ranging much needed master class for anyone who tells true yarns in this fast changing journalistic marketplace Bruce Shapiro Columbia University Useful and thought provoking Margaret Simons journalist and author A must read for any digital storyteller who wants to write emotive engaging believable content Nidhi Dutt foreign correspondent *The History of British Women's Writing, 1970-Present* Mary Eagleton, Emma Parker, 2016-04-29 This book maps the most active and vibrant period in the history of British women s writing Examining changes and continuities in fiction poetry drama and journalism as well as women s engagement with a range of literary and popular genres the essays in this volume highlight the range and diversity of women s writing since 1970 **A New History of War Reporting** Kevin Williams, 2019-12-23 This book takes a fresh look at the history of war reporting to understand how new technology new ways of waging war and new media conditions are changing the role and work of today s war correspondent Focussing on the mechanics of war reporting and the logistical and institutional pressures on correspondents the book further examines the role of war propaganda accreditation and news management in shaping the evolution of the specialism Previously neglected conflicts and correspondents are reclaimed and wars considered as key moments in the history of war reporting such as the Crimean War 1854 56 and the Great War 1914 18 are re evaluated The use of objectivity as the yardstick by which to assess the performance of war correspondents is questioned The emphasis is instead placed on war as a messy business which confronts reporters and photographers with conditions that challenge the norms of professional practice References to the demise of the war correspondent have accompanied the growth of the specialism since the days of William Howard Russell the so called father of war reporting This highlights the fragile nature of this sub genre of journalism and emphasises that continuity as much as change characterises the work of the war correspondent A thematically organised historically rich introduction this book is ideal for students of journalism media and communication [Dying for the Truth](#) Paul Moorcraft, 2016-11-30 The role of war correspondents is crucial to democracy and the publics discovery of the truth Without them the temptation to manipulate events with propaganda would be irresistible to politicians of all hues It starts by examining how journalists have plied their trade over the years most particularly from the Crimean War onwards Their impact on the conduct of war has been profound and the author an experienced journalist explains in his frank and readable manner how this influence has shaped the actions of politicians and military commanders By the same token the media is a potentially valuable tool to those in authority and this two way relationship is examined Technical developments and 24 hour news have inevitably changed the nature of war reporting and their political masters ignore this at their peril and the author examines the key milestones on this road Using his own and others experiences in recent conflicts be they Korea Falklands Balkans Iraq or Afghanistan the author opens the readers eyes

to an aspect of warfare that is all too often overlooked but can be crucial to the outcome The public's attitude to the day to day conduct of war is becoming ever more significant and this fascinating book examines why **Shooting the Messenger** Paul Moorcraft, 2011-10-31 Wars have dominated politics since history began In the modern era most of what the media reports on foreign conflicts comes from a small band of war correspondents As the furore over the Iraq Afghan and now the Libyan wars demonstrates Western governments and militaries often collude to keep their voters in the dark about the causes and the conduct of wars waged in their name In this entertaining and unspun account of modern war reporting the authors ask whether the media itself drives democracies to war Or does it serve to constrain evil ignorant and messianic leaders Are the heirs of William Howard Russell the first modern war reporter watchdogs or lapdogs In the age of Wikileaks and corrupt media empires what is the political impact of war correspondents Are they the heroes or harlots of their profession **The Reporters' Magazine**, 1886 **Communication Ethics Now** Richard Keeble, 2008 Communication lies at the heart of human experience After all we know about our world largely through communication We consume books advertisements photographs letters newspapers magazines and the broadcast media This book draws together pieces from the 2005 volume of Ethical Space Journal **Journalists and Knowledge Practices** Hansjakob Ziemer, 2022-11-11 This multi disciplinary anthology provides new perspectives on the journalist's role in knowledge generation in the newspaper age covering diverse topics from fake news to new technologies Fake news journalistic authority and the introduction of cutting edge technologies are often viewed as new topics in journalism However these issues were prevalent long before the twenty first century Connecting for the first time two burgeoning strands of research a newly perceived history of knowledge and the study of journalism Journalists and Knowledge Practices provides insights into the journalist's role in the world of knowledge in the newspaper age ca 1860s to 1970s This multi disciplinary anthology asks how journalists conducted their work and reconstructs histories of journalistic practices in specific regional constellations in Europe and North America From fake news writing to inventing psychological concepts integrating electric telegrams to fabricating photographs explaining pandemics to creating communities these case studies written by distinguished scholars from various disciplines in the humanities show how notions of fact and truth were shaped new technologies integrated and knowledge transfers arranged This book is crucial reading for scholars and students interested in the historically changing relationships between journalistic practices and the generation and dissemination of knowledge This volume is crucial reading for scholars and students interested in the history of journalistic practice [Daily Graphic](#) Ransford Tetteh, 2010-02-25 **British Humanities Index**, 2000
