Roy Wallis

Sectarianism Analyses Of Religious And Non Religious Sects:

Sectarianism Roy Wallis, 1975 One of the more extraordinary trends to have emerged in the West in the 1970s and one that has created considerable interest and curiosity particularly among sociologists is the proliferation of new religious sects Their followers are often young people disenchanted with the drug culture but seeking a new spirituality in an intensely materialistic society *Sectarianism* is a collection of essays studying this development Edited by Roy Wallis Lecturer in Sociology at the University of Stirling it is written by leading sociologists from Britain Canada and the USA and covers a wide range of sectarian movements in both the religious and the secular domains Included are case studies of The Aetherius Society a flying saucer cult the Hare Krishna movement the Jehovah's Witnesses and the United Family an investigation of societal reaction to Scientology and a fascinating study contrasting modern communitarian movements with the Shakers a once flourishing communitarian sect in the USA In the secular domain the book investigates organizations that though nonreligious exhibit characteristics of religious sects These include the Concept Houses one of the latest methods for rehabilitating drug addicts two contemporary left wing political groups and two ex patient therapeutic groups Neurotics Nomine and Recovery Inc *Sectarianism* will be indispensable to the sociologists of religion it should also prove of immense interest to the layman wishing to deepen his knowledge of this phenomenon beyond the superficial and often hysterical reporting in the press Publisher *Sectarianism in Early Judaism* David J. Chalcraft, 2014-12-05 *Sectarianism in Early Judaism* applies recent developments in sociological analysis to sect formation and development in early Judaism The essays examine sectarianism in a wide range of different forms the many layers of redaction in religious texts the development arcs of sectarian groups the role of sectarianism across Jewish history as well as in the time of the Second Temple and the relations within and between sects and between sects and wider society The book aims to establish a conceptual framework for the analysis of sects and in doing so makes particular use of the work of Max Weber and Bryan Wilson exploring the limits of their typologies and sociological theories **Sects and Sectarianism in Jewish History** Sacha Stern, 2011-04-21 Several Jewish groups from Antiquity until today have been traditionally identified as sects or as sectarian most famously the Qumran community and the Qaraites This volume questions the appropriateness of this interpretation of social and religious movements in Jewish history **The Sociology of Religion** Malcolm B. Hamilton, 2012-06-12 This clear introduction to the sociology of religion combines a discussion of key theorists with a modern emphasis on the diversity of religious beliefs and practices Malcolm Hamilton's expanded second edition brings the discussion fully up to date and extends its material on secularization and religious sects giving a broad comparative view Drawing on the insights of history anthropology and sociology he surveys classic and contemporary theory to give a full picture of the variety and scope of theoretical perspectives **American Sociology of Religion**, 2007-08-31 This is a collection of histories of various aspects of American sociology of religion The contributions range from descriptions of early dissertations accounts of changes in

theoretical conceptualization the evolution of studies of particular denominations to the rise of new areas of inquiry such as globalization feminism new religions and the study of the religious traditions of Latino Americans Taken as a whole the volume complements rather than duplicates commemorative issues of the relevant journals which focused on the scholarly organizations in the field It represents a first effort to develop an organized treatment of the fascinating history of the specialty in the U S A Routledge Library Editions: Sociology of Religion Various,2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class **The Oxford Handbook of the Dead Sea Scrolls** Timothy H. Lim,John J. Collins,2012-10-11 In 1946 the first of the Dead Sea Scroll discoveries was made near the site of Qumran at the northern end of the Dead Sea Despite the much publicized delays in the publication and editing of the Scrolls practically all of them had been made public by the time of the fiftieth anniversary of the first discovery That occasion was marked by a spate of major publications that attempted to sum up the state of scholarship at the end of the twentieth century including *The Encyclopedia of the Dead Sea Scrolls* OUP 2000 These publications produced an authoritative synthesis to which the majority of scholars in the field subscribed granted disagreements in detail A decade or so later *The Oxford Handbook of the Dead Sea Scrolls* has a different objective and character It seeks to probe the main disputed issues in the study of the Scrolls Lively debate continues over the archaeology and history of the site the nature and identity of the sect and its relation to the broader world of Second Temple Judaism and to later Jewish and Christian tradition It is the Handbook s intention here to reflect on diverse opinions and viewpoints highlight the points of disagreement and point to promising directions for future research *Religious and Spiritual Groups in Modern America* Robert Ellwood,Harry Partin,2016-11-03 This text explores the major new or unconventional religions and spiritual movements in America that exist outside the Judeo Christian tradition Researching New Religious Movements Elisabeth Arweck,2006 This cutting edge analysis of American and European new religious movements explores the controversies between religious groups and the majority interests which oppose them It asks how modern societies can best respond to new religious movements **Scriptures and Sectarianism** Collins,2016 Essays representing ten years of John J Collins s expert reflection on Scripture and the Qumran community are here collected in a volume that is sure to be of interest to students and scholars of Early Judaism and the Dead Sea Scrolls Collins opens with the introductory chapter What Have We Learned from the Dead Sea Scrolls before offering essays on the authority and interpretation of Scripture historiography and the emergence of the Qumran sect and specific aspects of the sectarian worldview covenant and dualism the angelic world the afterlife prayer and ritual and wisdom A concluding epilogue considers the account of the Suffering Servant and illustrates the relevance of the Dead Sea Scrolls for early Christianity *Social Science and the Cults* John A. Saliba,2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on

cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults

The Origins of the Bahá'í Community of Canada, 1898-1948 Will C. van den Hoonaard, 2010-10-30 What binds together Louis Riel's former secretary a railroad inventor a Montreal comedienne an early proponent of Canada's juvenile system and a prominent Canadian architect Socialists suffragists musicians artists from 1898 to 1948 these and some 550 other individual Canadian Bahá'ís helped create a movement described as the second most widespread religion in the world Using diaries memoirs official reports private correspondence newspapers archives and interviews Will C van den Hoonaard has created the first historical account of Bahá'ís in Canada In addition *The Origins of the Bahá'í Community of Canada 1898 1948* clearly depicts the dynamics and the struggles of a new religion in a new country This is a story of modern spiritual heroes people who changed the lives of others through their devotion to the Bahá'í ideals in particular to the belief that the earth is one country and all of humankind are its citizens Thirty nine original photographs effectively depict persons and events influencing the growth of the Bahá'í movement in Canada *The Origins of the Bahá'í Community of Canada 1898 1948* makes an original contribution to religious history in Canada and provides a major sociological reference tool as well as a narrative history that can be used by scholars and Bahá'ís alike for many years to come

Altruism in the Context of Economic Rationalistic Ideologies and Systems of Healthcare and Welfare Delivery. A Multi-Disciplinary Approach Donald Gates, 2006-03 This work examines the two apparently contradictory concepts of Altruism and Economic Rationalism in the context of Health and Welfare Delivery It is multi disciplinary and employs a number of disciplines including Sociology Economics Theology Religion Ecclesiology History and Political Science

We the People, Servants of Deception Christopher M. Dawson, 2012-05-14 Using the principles and tools of sociology presented in his university course Chris Dawson challenges the reader to reconsider the social reality of our society This book exposes inconsistencies and deceptions in the conventional portrayal of America's experiment in democracy His provocative social commentary explores the role of our military the culture of fear strategies in the war on terror the excesses of corporate power and our misconceptions about crime He speaks of social inequality social and racial group divisions and offers unconventional views about education medicine universal healthcare and the origins of religion The doubts he raises will merit your serious reflection

Towards Religious Competence Hans-Günter Heimbrock, Christoph Th Scheilke, Peter Schreiner, 2001 In this book scholars around Europe reflect on the changing role of religious education in a time of growing pluralism in Europe and across the world The various contributions from different European countries England and Wales Germany Netherlands and Norway focus on the debate about the existing multicultural and multireligious situation in European societies Difference and diversity especially of religion is seen as a challenge for education in Europe

The chapters mention trends and common challenges for religious education As a key term of religious education religious competence is introduced It includes the ability to deal with religious pluralism and differences in a constructive way It is argued that contextual religious education facilitates a new religious competence The book also contains detailed information about current developments in the field of religious education in some European countries

A Social History of Christian Origins Simon J. Joseph, 2022-12-30 A Social History of Christian Origins explores how the theme of the Jewish rejection of Jesus embedded in Paul's letters and the New Testament Gospels represents the ethnic social cultural and theological conflicts that facilitated the construction of Christian identity Readers of this book will gain a thorough understanding of how a central theme of early Christianity the Jewish rejection of Jesus facilitated the emergence of Christian anti Judaism as well as the complex and multi faceted representations of Jesus in the Gospels of the New Testament This study systematically analyzes the theme of social rejection in the Jesus tradition by surveying its historical and chronological development Employing the social psychological study of social rejection social identity theory and social memory theory Joseph sheds new light on the inter relationships between myth history and memory in the study of Christian origins and the contemporary re construction of the historical Jesus A Social History of Christian Origins is primarily intended for academic specialists and students in ancient history biblical studies New Testament studies Religious Studies Classics as well as the general reader interested in the beginnings of Christianity

Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith's legitimacy beliefs methods of conversion and other facets of a religious movement's viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps

readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

Religion in the Contemporary World Alan Aldridge,2013-04-03 In the new edition of this widely praised text Alan Aldridge examines the complex realities of religious belief practice and institutions Religion is a powerful and controversial force in the contemporary world even in supposedly secular societies Almost all societies seek to cultivate religions and faith communities as sources of social stability and engines of social progress They also try to combat real and imagined abuses and excess regulating cults that brainwash vulnerable people containing fundamentalism that threatens democracy and the progress of science and identifying terrorists who threaten atrocities in the name of religion The third edition has been carefully revised to make sure it is fully up to date with recent developments and debates Major themes in the revised edition include the recently erupted culture war between progressive secularists and conservative believers the diverse manifestations of fundamentalism and their impact on the wider society new individual forms of religious expression in opposition to traditional structures of authority and the backlash against multiculturalism with its controversial implications for the social integration of ethnic and religious minority communities Impressive in its scholarly analysis of a vibrant and challenging aspect of human societies the third edition will appeal strongly to students taking courses in the sociology of religion and religious studies as well as to everyone interested in the place of religion in the contemporary world

Controversial New Religions James R. Lewis,Jesper Aa. Petersen,2014-07-16 In terms of public opinion new religious movements are considered controversial for a variety of reasons Their social organization often runs counter to popular expectations by experimenting with communal living alternative leadership roles unusual economic dispositions and new political and ethical values As a result the general public views new religions with a mixture of curiosity amusement and anxiety sustained by lavish media emphasis on oddness and tragedy rather than familiarity and lived experience This updated and revised second edition of *Controversial New Religions* offers a scholarly dispassionate look at

those groups that have generated the most attention including some very well known classical groups like The Family Unification Church Scientology and Jim Jones s People s Temple some relative newcomers such as the Kabbalah Centre the Order of the Solar Temple Branch Davidians Heaven s Gate and the Falun Gong and some interesting cases like contemporary Satanism the Raelians Black nationalism and various Pagan groups Each essay combines an overview of the history and beliefs of each organization or movement with original and insightful analysis By presenting decades of scholarly work on new religious movements written in an accessible form by established scholars as well as younger experts in the field this book will be an invaluable resource for all those who seek a view of new religions that is deeper than what can be found in sensationalistic media stories

A House Divided Steve Bruce, 2019-03-19 The main concern of this study first published in 1990 is the part played by Protestantism in the complex of social processes of secularization The book deals with the way in which Protestant schism and dissent paved the way for the rise of religious pluralism and toleration and it also looks at the fragility of the two major responses to religious pluralism the accommodation of liberal Protestantism and the sectarian rejection of the conservative alternative It examines the part played by social economic and political changes in undermining the plausibility of religion in western Europe and puts forward the argument that core Reformation ideas must not be overlooked particularly the repercussions of different beliefs about authority in competing Christian traditions

When somebody should go to the books stores, search introduction by shop, shelf by shelf, it is in point of fact problematic. This is why we give the ebook compilations in this website. Sectarianism Analyses Of Religious And Non Religious Sects Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sectarianism Analyses Of Religious And Non Religious Sects has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sectarianism Analyses Of Religious And Non Religious Sects has opened up a world of possibilities. Downloading Sectarianism Analyses Of Religious And Non Religious Sects provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sectarianism Analyses Of Religious And Non Religious Sects has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sectarianism Analyses Of Religious And Non Religious Sects. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sectarianism Analyses Of Religious And Non Religious Sects. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sectarianism Analyses Of Religious And Non Religious Sects, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Sectarianism Analyses Of Religious And Non Religious Sects* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sectarianism Analyses Of Religious And Non Religious Sects Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
