Secure Communications Hearing February 11 1997:

Summary of Activities of the Committee on Science and Technology, U.S. House of Representatives for the ... Congress United States. Congress. House. Committee on Science and Technology,1999 *Secure Communications* Vernon J. Ehlers,1998-06 Hearing on the various types of security risks to communications systems such as privacy computer hackers electronic commerce encryption corporate espionage espionage by terrorists or foreign enemies security of telephone lines particularly security of cellular transmissions One area of major concern that receives virtually no publicity but which is very important particularly in the world of commerce government is the authenticity of the messages being transmitted

Computer Security Enhancement Act of 1997 United States. Congress. House. Committee on Science,1997 Privacy on the Line, updated and expanded edition Whitfield Diffie,Susan Landau,2010-02-26 A penetrating and insightful study of privacy and security in telecommunications for a post 9 11 post Patriot Act world Telecommunication has never been perfectly secure The Cold War culture of recording devices in telephone receivers and bugged embassy offices has been succeeded by a post 9 11 world of NSA wiretaps and demands for data retention Although the 1990s battle for individual and commercial freedom to use cryptography was won growth in the use of cryptography has been slow Meanwhile regulations requiring that the computer and communication industries build spying into their systems for government convenience have increased rapidly The application of the 1994 Communications Assistance for Law Enforcement Act has expanded beyond the intent of Congress to apply to voice over Internet Protocol VoIP and other modern data services attempts are being made to require ISPs to retain their data for years in case the government wants it and data mining techniques developed for commercial marketing applications are being applied to widespread surveillance of the population In *Privacy on the Line* Whitfield Diffie and Susan Landau strip away the hype surrounding the policy debate over privacy to examine the national security law enforcement commercial and civil liberties issues They discuss the social function of privacy how it underlies a democratic society and what happens when it is lost This updated and expanded edition revises their original and prescient discussions of both policy and technology in light of recent controversies over NSA spying and other government threats to communications privacy **Privacy on the Line** Whitfield Diffie,Susan Eva Landau,1998 Telecommunication has never been perfectly secure as a Cold War culture of wiretaps and international spying taught us Yet many of us still take our privacy for granted even as we become more reliant than ever on telephones computer networks and electronic transactions of all kinds Whitfield Diffie and Susan Landau argue that if we are to retain the privacy that characterized face to face relationships in the past we must build the means of protecting that privacy into our communication systems Diffie and Landau strip away the hype surrounding the policy debate to examine the national security law enforcement commercial and civil liberties issues They discuss the social function of privacy how it underlies a democratic society and what happens when it is lost *Armored Car Reciprocity Amendments of 1997* United States.
