Security Policing Your Homeland Your State Your City:

Securing the City Christopher Dickey, 2009-02-03 The NYPD is the best and most ambitious antiterror operation in the world Its seat of the pants intelligence is the gold standard for all others Christopher Dickey who has reported on international terrorism for more than twenty five years takes readers into the secret command center of the New York City Police Department s counterterrorism division then onto the streets with cops ready for the toughest urban combat the twenty first century can throw at them But behind the tactical shows of force staged by the police there lies a much more ambitious and controversial strategy to go anywhere and use almost any means to keep the city from becoming once again Ground Zero This is the story of the coming war in America s cities and New York s shadow war waged around the globe to stop it before it begins Drawing on unparalleled access to Police Commissioner Ray Kelly and other top officials Dickey explores the most ambitious intelligence operation ever organized by a metropolitan police department Headed by David Cohen who ran the CIA s operations inside the United States in the 1980s and its global spying in the 1990s the NYPD s counterterrorism division had uptothe minute details of new attacks set in motion to target Manhattan in 2002 and 2003 New York s finest are now seen by other police chiefs in the United States as the gold standard for counterterrorism operations and a model for even the FBI and the Department of Homeland Security Yet as New Yorkers have come to feel safer they ve also grown worried about the NYPD s methods sending its undercover agents to spy on Americans in other cities rounding up hundreds of protesters preemptively before the 2004 Republican convention and using confidential informants who may be more adept at plotting terror than the people they finger Securing the City is a superb investigative reporter s stunning look inside the real world of cops who are ready to take on the world and at the ambiguous price we pay for the safety they provide

Security Howard Safir, Ellis Whitman, 2004-10-01 From counterterrorism to tracking criminals by satellite Security gives an expert s tour of twenty first century law enforcement Former NYPD commissioner Howard Safir reveals the tools methods and science that police officers use to reduce crime and track and apprehend criminals including surveillance crime scene evidence DNA profiling narcotics and quality of life enforcement With the dedication of 40 000 police officers and using these tools over the last four years of the Giuliani administration the NYPD under Safir was able to decrease the crime rate in New York City to a level not seen since the 1960s with major crimes reduced by over a third and the murder rate cut almost in half To illustrate the law enforcement successes in New York Safir uses real life crime stories to outline the tactics used by the Zodiac Killer the investigation of Sante and Kenneth Kimes for the murder of socialite Irene Silverman and the apprehension of the killers responsible for the massacre at a Wendy s in Queens And Safir gives a behind the scenes look at some of the NYPD s more recent controversies including the shooting of Amadou Diallo and the assault on Haitian immigrant Abner Louima But Security is more than a look into the inner workings of the NYPD This book gives valuable insight into how methods of law enforcement are needed to prevent terrorism drawing on the NYPD s experience catching

two potential subway bombers to protect our homeland with a precise look at the USA Patriot Act and biometric technologies and to keep our streets and homes safe from Safir's Model Block Program to CompStat to the controversial yet successful Street Crime Unit In these troubling times of terror warnings and high alert levels Security is a clear eyed look at police tactics and an important citizen's guide to the role that law enforcement on all levels plays in our daily lives **Terrorism and Homeland Security** Paul Viotti, Michael Opheim, Nicholas Bowen, 2008-06-17 Despite the fact that the Department of Homeland Security DHS has been active since November of 2002 the American homeland is still not secure from terrorist attack What passes as DHS strategy is often just a list of objectives with vague references to the garnering of national resources and the marshalling of support from other nations Drawi *The Policing of Terrorism* Mathieu Deflem, 2010-02-10 This book offers an analysis of the policing of terrorism in a variety of national and international contexts Centered on developments since the events of September 11 2001 the study devotes its empirical attention to important police aspects of counter terrorism in the United States and additionally extends its range comparatively to other nations including Israel and Iraq and to the global level of international police organizations such as Interpol and Europol Situated in the criminology of terrorism and counter terrorism this book offers a fascinating look into the contemporary organization of law enforcement against terrorism which will significantly influence the conditions of global security in the foreseeable future **Citizens Defending America** Martin Alan Greenberg, 2010-06-15 Foreword by John B Wilt Colonel Retired U S Airforce Reserve Today concerns over homeland security have led thousands of Americans to volunteer for various citizen emergency response groups such as the Civil Air Patrol U S Coast Guard Auxiliary Community Emergency Response Teams fire units etc In *Citizens Defending America* Martin Greenberg focuses new attention on the subject of citizen volunteerism by chronicling the nature and purpose of volunteer police units authorized organizations of a public or private nature that work at deterring crime and or preventing terrorism for little or no monetary compensation in America since 1620 A number of these historical groups responsible for maintaining the civil order of the day slave patrols frontier posse suppression societies the American Protective League for example now seem controversial when viewed through a contemporary lens Greenberg uses the history of such groups to reflect upon the nation's past and to consider the possibilities for a safe and secure future He also emphasizes the role of young people in the fields of security and safety and stresses the need for more qualified trained volunteers to help cope with man made and natural disasters *Search and Seizure* Robert Henley Woody, 2006 This book aims to provide critical information about the U S Constitution with special emphasis on search and seizure It will help law enforcement officers to increase their legal knowledge about search and seizure and create a framework for effective problem solving and decision making in the field It is practically written and focuses on practical ideas To help the reader develop analytic abilities for practice brief quotations from U S Supreme Court cases reveal legal reasoning by justices An important feature of the book is the translation of the U S Supreme Court cases into practical guidance Captions for sections

allow the reader to locate materials on topics of concern such as conducting search and seizure in a particular context The organization of the book facilitates both learning and teaching There are also legal and criminal justice terms that are defined for the reader Close to one hundred U S Supreme Court cases are reviewed and a list of cases by chapter is also provided It will be useful to not only trainees and students but also to experienced veterans in providing an in depth understanding of the Fourth Amendment and the underlying principles which is essential for making effective judgments in real life law enforcement situations It also provides attorneys forensic specialists and law enforcement personnel already in the field with valuable information for professional development

Seven Shots Jennifer C. Hunt, 2010-09-15 On July 31 1997 a six man Emergency Service team from the NYPD raided a terrorist cell in Brooklyn and narrowly prevented a suicide bombing of the New York subway that would have cost hundreds possibly thousands of lives Seven Shots tells the dramatic story of that raid the painstaking police work involved and its paradoxical aftermath which drew the officers into a conflict with other rank and file police and publicity hungry top brass Jennifer C Hunt draws on her personal knowledge of the NYPD and a network of police contacts extending from cop to four star chief to trace the experience of three officers on the Emergency Service entry team and the two bomb squad detectives who dismantled the live device She follows their lives for five years from that near fatal day in 1997 through their encounters inside the brutal world of departmental politics and on to 9 11 when they once again put their lives at risk in the fight against terrorism racing inside the burning towers and sorting through the ash debris and body parts Throughout this fast paced narrative Hunt maintains a strikingly fine grained street level view allowing us to understand the cops on their own terms and often in their own words The result is a compelling insider s picture of the human beings who work in two elite units in the NYPD and the moral and physical danger and courage involved As gripping as an Ed McBain novel and just as steeped in New York cop culture and personalities Seven Shots takes readers on an unforgettable journey behind the shield and into the hearts of New York City police

Internal Security Management in Nigeria Oshita O. Oshita, Ikenna Mike Alumona, Freedom Chukwudi Onuoha, 2019-07-23 This book explores the disturbing dimensions of the problem of insecurity in Nigeria such as herdsmen violence the Boko Haram insurgency cybercrime militancy in the Niger Delta communal conflict and violence as well as police corruption It offers a comprehensive discussion of the theoretical foundations of internal security the threats to internal security the role of formal and informal agencies in internal security management and the challenges of internal security management

Selling Us the Fortress Ronnie Casella, 2023-05-31 In the wake of school shootings and the more recent threats of terrorism schools like many public institutions have begun installing techno security equipment ranging from surveillance cameras to microchip tracking systems Is this equipment necessary and who really benefits from its use Selling Us the Fortress the first qualitative study of the relationship between the security industry and schools analyzes how technologies once reserved primarily for war have become a common fixture in modern schools including detailing how school personnel are sold on the

idea that the mass installation of techno security is in their best interest **Terrorism and Homeland Security** Jonathan Randall White,2006 Strives to discuss the ost sophisticated theories by the best terrorist analysts in the world while still focusing on the domestic and international threats of terrorism and the basic security issues that surround terrorism today

The Everyday Resilience of the City J. Coaffee,D. Murakami Wood,P. Rogers,David Murakami Murakami Wood,2008-11-14 This book examines the practice of urban resilience past and present drawing on deeper global historical sources and detailed case studies of contemporary Britain It argues that resilience is neither new nor necessarily about protecting ordinary people but part of a long struggle over the control of cities **Handbook of New Security Studies** J. Peter Burgess,2010-01-22 This new Handbook gathers together state of the art theoretical reflection and empirical research by a group of leading international scholars relating to recent transformations in the field of security studies *Homeland Security as an Economic Development Strategy* Lenise J. Lyons,2007 **The President's Proposed FY 2007 Budget for the Department of Homeland Security** United States. Congress. House. Committee on Homeland Security,2007

Department of Homeland Security preparedness grants : risk based or guess work? : hearing , Security and Loss Prevention Philip Purpura,2007-12-04 Security and Loss Prevention Fifth Edition encompasses the breadth and depth of considerations involved in implementing general loss prevention concepts and security programs within an organization It presents proven strategies to prevent and reduce incidents of loss due to legal issues theft and other crimes fire accidental or intentional harm from employees as well as the many ramifications of corporate mismanagement It contains a brand new terrorism chapter along with coverage on background investigations protection of sensitive information internal threats and considerations at select facilities nuclear DoD government and federal Author Philip Purpura once again demonstrates why students and professionals alike rely on this best selling text as a timely reliable resource This book is an ideal resource for criminal justice and security academic programs physical security professionals retail security professionals security managers security consultants law enforcement professionals investigations professionals risk and contingency planning professionals Covers the latest professional security issues surrounding Homeland Security and risks presented by threats of terrorism Recommended reading for ASIS International s prestigious CPP Certification Cases provide real world applications
