Security The Middle East The Problem:

The Security of the Middle East Brookings Institution (États-Unis),1950 The Security of the Middle East Brookings Institution. International Studies Group,1950 *Regional Security in the Middle East* , Regional Security in the Middle East Pinar Bilgin,2004-09-09 This is an accessible yet critical analysis of regional security in the Middle East Using a non realist approach Bilgin provides a comprehensive study of the past present and future of security in the region She also considers the question of identity formation explaining how and why various regional representations came into being and explor The Middle East and American National Security Donald M. Snow,2021-07-30 As a new administration reshapes American security policy a leading scholar of U S foreign relations and national security reviews the most critical problems facing the Middle East and the United States policy and actions to address them **Middle East Problems** United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Near Eastern and South Asian Affairs,1977 Middle East Strategic Problems United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Near Eastern and South Asian Affairs,1977 Security In The Middle East Mark Bruzonsky,Shaun Murphy,Samuel F. Wells,2020-01-16 This book examines the deep seated problems in the Middle East and their impact on the United States and its allies Exploring the disruptive effects of the double edged sword of nationalism and modernization the contributors discuss the full range of Western security interests in the region Case studies of key countries emphasize the prospect for peaceful political economic and cultural change The authors analyze the ramifications of the Arab Israeli conflict and the threats posed by Soviet penetration Arguing that confusion and contradiction mark U S policy in the Middle East the book concludes that U S strategists should focus not on curing the region s internal problems but on coping with them without sacrificing long term goals for quick fixes **The Future Security Environment in the Middle East** Nora Bensahel,Daniel Byman,2004-03-12 This report identifies several important trends that are shaping regional security It examines traditional security concerns such as energy security and the proliferation of weapons of mass destruction as well as newer challenges posed by political reform economic reform civil military relations leadership change and the information revolution The report concludes by identifying the implications of these trends for U S foreign policy **Security and the Middle East, the Problem and Its Solution** ,1954 *The Middle East, Oil, and the U.S. National Security Policy* Donald M. Snow,2016-03-17 Three interrelated subject areas are at the heart of the current foreign and national security dilemma One is the Middle East which has been the epicenter of most U S policy activity for over a third of a century The second is energy policy particularly as it is affected by the development and exploitation of shale oil and gas reserves in the United States This is linked to the Middle East because it has been American dependence on Middle East petroleum that has created the interest the U S has in this region The third area is military manpower policy and two simultaneous wars in the new century have raised questions about the all volunteer force policy in place since 1972 It is increasingly evident that foreign and defense policy are strained and in

need of fresh conceptualization The three areas identified are the most obvious examples of policy dysfunction The key area is the Middle East region As long as the United States remains heavily committed to this part of the world especially with military force and essentially because of its energy needs there will be strains on manpower resources that could force a reexamination of the all volunteer concept At the same time the reduction of U S dependence on Middle Eastern oil loosens the bonds that seem to impel American activism in the region The result could be true opportunities for a less confrontational adversary driven foreign and defense posture **Saudi Arabia, the West and the Security of the Gulf** Mazher A.

Hameed,2025-04-01 Saudi Arabia the West and the Security of the Gulf 1986 considers the geopolitical environment of the Arab Gulf and the nature and threats to Western interests in the region It also examines the political economic and other Gulf resources that can be marshalled to protect those interests **U.S. Policy in the Middle East, November 1974-February 1976** United States. Department of State. Office of Media Services,1976

Turkey's Foreign Policy and Security Perspectives in the 21st Century Sertif Demir,2016-04-23 This books aims at analyzing Turkish foreign and security policies in the 21st century Turkey s foreign and security policies have become the focus of academic discussions since Turkey is located in the middle of the most unstable region in the world Turkey s self assured foreign policy has similarly attracted the attention of academicians worldwide Meanwhile Turkey s security policy has also been the subject of discussions as the country has been struggling with ethnic terrorism for 35 years Furthermore the US invasion of Iraq and the recent Syrian civil war along with other factors have caused religious radicalism to expand its power throughout the Middle East which has heavily impacted on Turkey s security Turkey s longstanding problems with its neighbors have also affected the general characteristics of its foreign policy particularly leading to its securitization *The Department of State Bulletin* ,1977 The official monthly record of United States foreign policy **Gaps in Internal Security Laws** United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws,1966 Considers the efficacy and constitutionality of various proposals for identifying American communists and placing limits on their activities Resolution of Inquiry Concerning the U.S. Vote in the U.N. Security Council on Israeli Settlements in the Occupied Territories United States. Congress. House. Committee on Foreign Affairs,1980 **Gaps in Internal Security Laws** United States. Congress.
