Seductive Cinema The Art Of Silent Film:

Seductive Cinema James Card,1994 He describes overlooked silent movies of social concern among them The Cry of the Children directed by George Nicholls such classic thrillers as Herbert Brenon's Beau Geste and such early avant garde American masterpieces as J Sibley Watson's The Fall of the House of Usher Silent Films, 1877-1996 Robert K. Klepper,2015-09-16 This film reference covers 646 silent motion pictures starting with Eadweard Muybridge's initial motion photography experiments in 1877 and even including The Taxi Dancer 1996 Among the genres included are classics dramas Westerns light comedies documentaries and even poorly produced early pornography Masterpieces such as Joan the Woman 1916 Intolerance 1916 and Faust 1926 can be found as well as rare titles that have not received critical attention since their original releases Each entry provides the most complete credits possible a full description critical commentary and an evaluation of the film's unique place in motion picture history Birth dates death dates and other facts are provided for the directors and players where available with a selection of photographs of those individuals The work is thoroughly indexed

Medieval Art and the Look of Silent Film Lora Ann Sigler, 2019-07-11 The heyday of silent film soon became quaint with the arrival of talkies As early as 1929 critics and historians were writing of the period as though it were the distant past Much of the literature on the silent era focuses on its filmic art ambiance and psychological depth the splendor of the sets and costumes yet overlooks the inspiration behind these This book explores the Middle Ages as the prevailing influence on costume and set design in silent film and a force in fashion and architecture of the era In the wake of World War I designers overthrew the artifice of prewar style and manners and drew upon what seemed a nobler purer age to create an ambiance that reflected higher ideals **Silent Movies** Peter Kobel, 2009-02-28 Drawing on the extraordinary collection of The Library of Congress one of the greatest repositories for silent film and memorabilia Peter Kobel has created the definitive visual history of silent film From its birth in the 1890s with the earliest narrative shorts through the brilliant full length features of the 1920s Silent Movies captures the greatest directors and actors and their immortal films Silent Movies also looks at the technology of early film the use of color photography and the restoration work being spearheaded by some of Hollywood's most important directors such as Martin Scorsese and Francis Ford Coppola Richly illustrated from the Library of Congress s extensive collection of posters paper prints film stills and memorabilia most of which have never been in print Silent Movies is an important work of history that will also be a sought after gift book for all lovers of film Silent Film & the Triumph of the American Myth Paula Marantz Cohen, 2001 This broad cultural study connects the rise of film to the rise of America as a cultural centre and world power in the 20th century Cohen argues that through film America asserted its cultural independence and forged a form of cultural oppression American Cinema of the 1920s Lucy Fischer, 2009-04-15 During the 1920s sound revolutionized the motion picture industry and cinema continued as one of the most significant and popular forms of mass entertainment in the world Film studios were transformed into major

corporations hiring a host of craftsmen and technicians including cinematographers editors screenwriters and set designers The birth of the star system supported the meteoric rise and celebrity status of actors including Charlie Chaplin Mary Pickford Joan Crawford Greta Garbo and Rudolph Valentino while black performers relegated to race films appeared infrequently in mainstream movies The classic Hollywood film style was perfected and significant film genres were established the melodrama western historical epic and romantic comedy along with slapstick science fiction and fantasy In ten original essays American Cinema of the 1920s examines the film industry s continued growth and prosperity while focusing on important themes of the era Gloria Swanson Tricia Welsch, 2013-08-21 Gloria Swanson Ready for Her Close Up shows how a talented self confident actress negotiated a creative path through seven decades of celebrity It also illuminates a little known chapter in American media history how the powerful women of early Hollywood transformed their remarkable careers after their stars dimmed This book brings Swanson 1899 1983 back into the spotlight revealing her as a complex creative entrepreneurial and thoroughly modern woman Swanson cavorted in slapstick short films with Charlie Chaplin and Mack Sennett in the 1910s The popularity of her films with Cecil B DeMille helped create the star system A glamour icon Swanson became the most talked about star in Hollywood earning three Academy Award nominations receiving 10 000 fan letters every week and living up to a reputation as Queen of Hollywood She bought mansions and penthouses dressed in fur and feathers and flitted through Paris London and New York engaging in passionate love affairs that made headlines and caused scandals Frustrated with the studio system Swanson turned down a million dollar a year contract After a wild ride making unforgettable movies with some of Hollywood's most colorful characters including her lover Joseph Kennedy and mayerick director Erich von Stroheim she was a million dollars in debt Without hesitation she went looking for her next challenge beginning her long second act Swanson became a talented businesswoman who patented inventions and won fashion awards for her clothing designs a natural foods activist decades before it was fashionable an exhibited sculptor and a designer employed by the United Nations All the while she continued to act in films theater and television at home and abroad Though she had one of Hollywood s most famous exit lines All right Mr DeMille I m ready for my close up the real Helen of Troy in Hollywood Ruby Blondell, 2023-08 This book explores the Gloria Swanson never looked back representation of Helen of Troy in Hollywood film and television with a particular focus on her defining features transcendent beauty and transgressive erotic agency The first chapter on early Hollywood sets the scene by explaining the importance of ideas about Greek beauty at the beginning of cinema and highlighting some of the problems that continue to bedevil this topic especially realism and the representation of supreme beauty Blondell argues that the problem of Helen is baked into Hollywood from the start In subsequent chapters Blondell examines specific screen adaptations in which Helen is featured Each of these case studies locates a particular work in its historical cultural and generic context as a framework for addressing the ways in which it approaches a range of interlocking questions about beauty its representation and the

cinematic uses of myth The second chapter is devoted to the sole Helenic feature film of the silent period Alexander Korda s Private Life of Helen of Troy 1927 Part II moves to the big screen epic pairing one film from each of the two great waves of ancient world epic spanning the latter half of the 20th century Robert Wise s 1956 epic Helen of Troy and Wolfgang Petersen s more recent extravaganza Troy 2004 In Part III she turns to television with a chapter on episodic tele fantasy followed by a study of the 2003 miniseries Helen of Troy In some of these works Helen is the central character or hero in others she is at the periphery of a masculine adventure But in all of them she represents the threat of superhuman beauty as an inheritance from classical Greece **Rethinking the Femme Fatale in Film Noir** J. Grossman, 2009-10-21 In the context of nineteenth century Victorinoir and close readings of original cycle film noir Julie Grossman argues that the presence of the femme fatale figure as she is understood in film criticism and popular culture is drastically over emphasized and has helped to sustain cultural obsessions with bad women **Dangerous Men** Mick LaSalle, 2014-07-15 Using the same mix of accessibility and insider knowledge he used so successfully in Complicated Women author and film critic Mick LaSalle now turns his attention to the men of the pre Code Hollywood era The five years between 1929 and mid 1934 was a period of loosened censorship that finally ended with the imposition of a harsh Production Code that would for the next thirty four years censor much of the life and honesty out of American movies Dangerous Men takes a close look at the images of manhood during this pre Code era which coincided with an interesting time for men the culmination of a generation long transformation in the masculine ideal By the late twenties the tumult of a new century had made the nineteenth century s notion of the ideal man seem like a repressed stuffed shirt a deluded optimist The smiling confident hero of just a few years before fell out of favor and the new heroes who emerged were gangsters opportunists sleazy businessmen shifty lawyers shell shocked soldiers men whose existence threatened the status quo In this book LaSalle highlights such household names as James Cagney Clark Gable Edward G Robinson Maurice Chevalier Spencer Tracy and Gary Cooper along with lesser known ones such as Richard Barthelmess Lee Tracy Robert Montgomery and the magnificent Warren William Together they represent a vision of manhood more exuberant and contentious and more humane than anything that has followed on the American screen

Pola Negri Mariusz Kotowski,2014-02-20 Weaving together universal themes of family geography and death with images of America's frontier landscape former Kentucky Poet Laureate Joe Survant has been lauded for his ability to capture the spirit of the land and its people Kliatt magazine has praised his work stating Survant's words sing This is storytelling at its best Exploring the pre Columbian and frontier history of the commonwealth The Land We Dreamed is the final installment in the poet's trilogy on rural Kentucky The poems in the book feature several well known figures and their stories reimagining Dr Thomas Walker's naming of the Cumberland Plateau Mary Draper Ingles's treacherous journey from Big Bone Lick to western Virginia following her abduction by Native Americans and Daniel Boone's ruminations on the fall season of 1770 Survant also explores the Bluegrass from the perspectives of the chiefs of the Shawnee and Seneca tribes Drawing on

primary documents such as the seventeenth century reports of French Jesuit missionaries excerpts from the Draper manuscripts and the journals of pioneers George Croghan and Christopher Gist this collection surveys a broad and under recorded history Poem by poem Survant takes readers on an imaginative expedition through unspoiled Shawnee cornfields down the wild Ohio River and into the depths of the region s ancient coal seams Dickens on Screen John Glavin, 2003-11-27 Television and film not libraries or scholarship have made Charles Dickens the most important unread novelist in English It is not merely that millions of people feel comfortable deploying the word Dickensian to describe their own and others lives but that many more people who have never read Dickens know what Dickensian means They know about Dickens because they have access to over a century of adaptations for the big and small screen Dickens on Screen includ ing an exhaustive filmography is an invaluable resource for students and scholars alike George Arliss Robert M. Fells, 2004 By any reasonable expectation George Arliss should not have succeeded as a star either on stage or in film Yet he achieved a career enjoyed by very few in the performing arts An actor author playwright and filmmaker George Arliss won acclaim for his work first on the stage and then later most improbably as a Hollywood movie star His films achieved the rare distinction of being both artistic and financial successes Though he was neither young nor handsome Arliss found popular acclaim for his many historical characterizations such as Voltaire Nathan Rothschild Cardinal Richelieu and Benjamin Disraeli Robert Fells traces Arliss s life and times through his film work providing a thoroughly researched and entertaining view of one of the most important yet neglected figures in film history. The book also reviews the actor's uneasy relationship with screenwriters his clashes with British film producer Michael Balcon his championing of young unknowns such as Bette Davis and James Cagney and his prosecution by the British Government during World War II It also includes a complete filmography and a selected stageography of Arliss s work Includes 20 photos Unseasonable Sarah Dimick, 2024-10-08 As climate change alters seasons around the globe literature registers and responds to shifting environmental time A writer and a fisher track the distribution of beach trash in Chennai chronicling disruptions in seasonal winds and currents along the Bay of Bengal An essayist in the northeastern United States observes that maple sap flows earlier now prompting him to reflect on gender and seasons of transition Poets affiliated with small island nations arrive in Paris for the United Nations climate summit revamping the occasional poem to attest to intensifying storm seasons across the Pacific In Unseasonable Sarah Dimick links these accounts of shifting seasons across the globe tracing how knowledge of climate change is constructed conveyed and amplified via literature She documents how the unseasonable reverberates through environmentally privileged and environmentally precarious communities In chapters ranging from Henry David Thoreau s journals to Alexis Wright s depiction of Australia s catastrophic bushfires from classical Tamil poetry to repeat photography Dimick illustrates how seasonal rhythms determine what flourishes and what perishes She contends that climate injustice is an increasingly temporal issue unfolding not only along the axes of who and where but also in relation to when Amid misaligned and broken

rhythms attending to the shared but disparate experience of the unseasonable can realign or sharpen solidarities within the climate crisis Wartime Style Lora Ann Sigler, 2022-10-24 This work is a comparative study of the three great American wars of the 20th century World War I World War II and Vietnam The book explores several aspects of American popular culture like fashion film and societal mores While a number of books have covered fashion during individual wars this is the first study to compare several major conflicts drawing some conclusions regarding the lasting influences of wardrobe over an entire century This book provides short background information for each war briefly covering earlier conflicts that shaped the hostilities of the 20th century Although the emphasis is on women s clothing participation and service men are not ignored Their fashions not only speak to the times but the enormity of their sacrifices **The Movies are** Carl Sandburg, 2000 A compilation of hundreds of Sandburg's writings on film during the silent era for the Chicago Daily News showing how this great American writer was an early champion of movies and their possibilities and thus set the stage for future film criticism The New Financial Order Robert J. Shiller, 2009-02-09 In his best selling Irrational Exuberance Robert Shiller cautioned that society s obsession with the stock market was fueling the volatility that has since made a roller coaster of the financial system Less noted was Shiller's admonition that our infatuation with the stock market distracts us from more durable economic prospects These lie in the hidden potential of real assets such as income from our livelihoods and homes But these ordinary riches so fundamental to our well being are increasingly exposed to the pervasive risks of a rapidly changing global economy This compelling and important new book presents a fresh vision for hedging risk and securing our economic future Shiller describes six fundamental ideas for using modern information technology and advanced financial theory to temper basic risks that have been ignored by risk management institutions risks to the value of our jobs and our homes to the vitality of our communities and to the very stability of national economies Informed by a comprehensive risk information database this new financial order would include global markets for trading risks and exploiting myriad new financial opportunities from inequality insurance to intergenerational social security Just as developments in insuring risks to life health and catastrophe have given us a quality of life unimaginable a century ago so Shiller's plan for securing crucial assets promises to substantially enrich our condition Once again providing an enormous service Shiller gives us a powerful means to convert our ordinary riches into a level of economic security equity and growth never before seen And once again what Robert Shiller says should be read and heeded by anyone with a stake in the economy (Re)Possessing Beauty: Politics, Poetics, Change Sallie McNamara, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 Ideas of beauty permeate our lives in ways of which we are often unaware yet they are indicators of identity transgression sartorial codes and otherness While contemporary society sees the dominance of Western hegemonic ideals of beauty when comparing these to ideals in different cultures at different historical periods attention is drawn to the instability of beauty The work in this volume considers the ways individuals question respond to articulate reflect challenge modify or accept

beauty within their lives to show it can be powerful destructive and transformative They show that beauty is not always what it appears and can challenge common sense preconceptions as to what is beautiful The range of topics provide an important contribution to ongoing discussions and are testament to both the diversity and complexity of debate the concept engenders across different disciplines Empire of Dreams Scott Eyman, 2010-09-07 BEST KNOWN AS THE DIRECTOR of such spectacular films as The Ten Commandments and King of Kings Cecil B DeMille lived a life as epic as any of his cinematic masterpieces As a child DeMille learned the Bible from his father a theology student and playwright who introduced Cecil and his older brother William to the theater Tutored by impresario David Belasco DeMille discovered how audiences responded to showmanship sets lights costumes etc He took this knowledge with him to Los Angeles in 1913 where he became one of the movie pioneers in partnership with Jesse Lasky and Lasky's brother in law Samuel Goldfish later Goldwyn Working out of a barn on streets fragrant with orange blossom and pepper trees the Lasky company turned out a string of successful silents most of them directed by DeMille who became one of the biggest names of the silent era With films such as The Squaw Man Brewster's Millions Joan the Woman and Don't Change Your Husband he was the creative backbone of what would become Paramount Studios In 1923 he filmed his first version of The Ten Commandments and later a second biblical epic King of Kings both enormous box office successes Although his reputation rests largely on the biblical epics he made DeMille's personal life was no morality tale He remained married to his wife Constance for more than fifty years but for most of the marriage he had three mistresses simultaneously all of whom worked for him He showed great loyalty to a small group of actors who knew his style but he also discovered some major stars among them Gloria Swanson Claudette Colbert and later Charlton Heston DeMille was one of the few silent era directors who made a completely successful transition to sound In 1952 he won the Academy Award for Best Picture with The Greatest Show on Earth When he remade The Ten Commandments in 1956 it was an even bigger hit than the silent version He could act too in Billy Wilder's classic film Sunset Boulevard DeMille memorably played himself In the 1930s and 1940s DeMille became a household name thanks to the Lux Radio Theater which he hosted But after falling out with a union he gave up the program and his politics shifted to the right as he championed loyalty oaths and Sen Joseph McCarthy's anticommunist witch hunts As Scott Eyman brilliantly demonstrates in this superbly researched biography which draws on a massive cache of DeMille family papers not available to previous biographers DeMille was much more than his clich d image A gifted director who worked in many genres a devoted family man and loyal friend with a highly unconventional personal life a pioneering filmmaker DeMille comes alive in these pages a legend whose spectacular career defined an era

Silent Film Adaptations of Novels by British and American Women Writers, 1903-1929 Jamie Barlowe, 2024-08-08 Silent Film Adaptations of Novels by British and American Women Writers 1903 1929 focuses on fifty three silent film adaptations of the novels of acclaimed authors George Eliot Charlotte Bront Emily Bront Mary Shelley Louisa May Alcott Harriet Beecher Stowe Willa Cather and Edith Wharton

Many of the films are unknown or dismissed and most of them are degraded destroyed or lost burned in warehouse fires spontaneously combusted in storage cans or quietly turned to dust Their content and production and distribution details are reconstructed through archival resources as individual narratives that when considered collectively constitute a broader narrative of lost knowledge a fragmented and buried early twentieth century story now reclaimed and retold for the first time to a twenty first century audience This collective narrative also demonstrates the extent to which the adaptations are intertextually and ideologically entangled with concurrently released early woman's films to re promote and re instill the norm of idealized white married domesticated womanhood during a time of extraordinary cultural change for women Retelling this lost narrative also allows for a reassessment of the place and function of the adaptations in the development of the silent film industry and as cinematic precedent for the hundreds of sound adaptations of the literary texts of these eight women writers produced from 1931 to the 2020s
