McLane,2022-12-29 A New History of Documentary Film includes new research that offers a fresh way to understand how the field began and grew Retaining the original edition s core structure there is added emphasis of the interplay among various approaches to documentaries and the people who made them This edition also clearly explains the ways that interactions among the shifting forces of economics technology and artistry shape the form New to this edition An additional chapter that brings the story of English language documentary to the present day Increased coverage of women and people of color in documentary production Streaming Animated documentaries List of documentary filmmakers organized chronologically by the years of their activity in the field **Investigated Reporting** Chad

Raphael,2010-10-01 Triple Award Winner 2006 History Division Book Award of the Association for Education in Journalism and Mass Communication 2006 Frank Luther Mott Kappa Tau Alpha Communications Award and 2005 Donald McGannon Award for Social and Ethical Relevance in Communications Policy Research The public often views television investigative reporting as a watchdog on the government In fact some of the centerpiece moments of TV muckraking relied heavily on official sources for inspiration information and regulatory protection from critics At the same time criticism by government officials and overt threats to regulate the television industry influenced the decision making and content that went into some of broadcast news s iconic moments Chad Raphael s looks at the relationship between journalism and regulation during the celebrated period of muckraking that took place on American television between 1960 and 1975 Raphael offers new insights into the economic political and industrial forces that shaped documentaries like Harvest of Shame Hunger in America and Banks and the Poor while placing the investigative television documentary into its institutional regulatory and cultural context Throughout Raphael exposes the complex strands of influence used by government officials to shape and attack investigative reporting and highlights how these tactics created a troubling legacy for the regulation of television news today

Celluloid Blackboard Alan S. Marcus,2006-10-01 This volume advocates for including feature films in secondary history classrooms through examining the ways in which films can promote students historical understanding while also addressing the potential drawbacks to using film In part one the essays explore three frameworks for the analysis of film by secondary students Part two fills a void in the scholarship reporting on four recent studies that explore how the use of film may encourage the development of students historical understanding Finally part three describes the results from two secondary teachers incorporating film into their history classrooms Robert M. Young Leon Lewis,2015-01-09 Robert Young began his prolific filmmaking career while a student at Harvard University where he majored in English literature founded the

Harvard Film Society and with the help of several colleagues put together his first film about a Boston factory worker His reputation as a documentary filmmaker earned him a prestigious position with NBC and he has since worked within and without the Hollywood production system for five decades At age 80 Robert M Young continues to be actively involved in a variety of projects as a commercially successful filmmaker and an independent artist In this compilation of 15 essays scholars of both English literature and film analyze the aesthetic and thematic elements of Young s many works Among the films examined are *Nothing But a Man* *Triumph of the Spirit* *Cortile Cascino* *ALAMBRISTA* *Short Eyes* *Ballad of Gregorio Cortez* *Extremities* *Dominick and Eugene* *Talent for the Game* *Roosters Caught* and *Human Error* The book includes an extensive interview with Young that provides a retrospect of Young s life as a director cinematographer writer and producer A filmography of Young s work and a chronology of his life are also provided

McCarthyism and the Red Scare William T. Walker,2011-03-03 This book is a must read for anyone studying and researching the rise and fall of Senator Joseph R McCarthy and McCarthyism in American political life Intolerance in America that targets alleged internal subversives controlled by external agents has a storied history that stretches hundreds of years While the post World War II Red Scare and the emergence of McCarthyism during the 1950s is the era commonly associated with American anticommunism there was also a First Red Scare that occurred in 1919 1920 In both time periods many Americans feared the radicalism of the left and some of the most outspoken like McCarthy used slander to denounce their political enemies The result was an atmosphere in which individual rights and liberties were at risk and hysteria prevailed McCarthyism and the Red Scare A Reference Guide tracks the rise and fall of Senator Joe McCarthy and the broad pursuit of domestic Red subversives in the post World War II years and focuses on how American society responded to real and perceived threats from the left during the first decade of the Cold War

Cold War and McCarthy Era Caroline S. Emmons,2010-06-04 This volume offers readers the opportunity to see how the Cold War and McCarthy eras affected men women and children of varying backgrounds providing a more personal examination of this important era Studies of the Cold War often focus on the political power players who shaped American Soviet relations Cold War and McCarthy Era People and Perspectives shifts the spotlight to show how the fear of a Soviet attack and Communist infiltration affected the daily life of everyday Americans Cold War and McCarthy Era gauges the impact of McCarthyism on a wide range of citizens Chapters examine Cold War era popular culture as well as the community based Civil Defense Societies Essays key primary documents and other reference tools further readers understanding of how official reactions to Communist threats both real and perceived altered every aspect of American society

McCarthyism Jonathan Michaels,2017-04-21 In this succinct text Jonathan Michaels examines the rise of anti communist sentiment in the postwar United States exploring the

factors that facilitated McCarthyism and assessing the long term effects on US politics and culture McCarthyism The Realities Delusions and Politics Behind the 1950s Red Scare offers an analysis of the ways in which fear of communism manifested in daily American life giving readers a rich understanding of this era of postwar American history Including primary documents and a companion website Michaels text presents a fully integrated picture of McCarthyism and the cultural climate of the United States in the aftermath of the Second World War *The Rhetoric of the New Political Documentary* Thomas W Benson, Brian J Snee, 2008-05-23 The Rhetoric of the New Political Documentary explores the most visible and volatile element in the 2004 presidential campaign the partisan documentary film This collection of original critical essays by leading scholars and critics including Shawn J and Trevor Parry Giles Jennifer L Borda and Martin J Medhurst analyzes a selection of political documentaries that appeared during the 2004 election season The editors examine the new political documentary with the tools of rhetorical criticism combining close textual analysis with a consideration of the historical context and the production and reception of the films The essays address the distinctive rhetoric of the new political documentary with the films typically having been shot with relatively low budgets in video and using interviews and stock footage rather than observation of uncontrolled behavior The quality was often good enough and interest was sufficiently intense that the films were shown in theaters and on television which provided legitimacy and visibility before they were released soon afterwards on DVD and VHS and marketed on the Internet The volume reviews such films as Michael Moore s Fahrenheit 9 11 two refutations of Moore s film Fahrenheit 9 11 and Celsius 41 11 Unprecedented The 2000 Presidential Election and George W Bush Faith in the White House films that experimented with a variety of angles and rhetorics from a mix of comic disparagement and earnest confrontation to various emulations of traditional news and documentary voices The Rhetoric of the New Political Documentary represents the continued transformation of American political discourse in a partisan and contentious time and showcases the independent voices and the political power brokers that struggled to find new ways to debate the status quo and employ surrogate independents to create a counterrhetoric

Covering McCarthyism Lawrence N. Strout, 1999-09-30 Strout examines how the Christian Science Monitor a highly influential newspaper of the era covered Joseph R McCarthy and McCarthyism from the Senator s Lincoln Day speech in February 1950 through his censure in December 1954 Through his in depth examination of the Monitor s interoffice communications Strout examines how the Monitor s coverage compared with other elite and popular press newspapers and how the pressures associated with McCarthyism affected individuals at the Monitor An extensive review of the Monitor s editorials and news articles suggests that it was remarkably thorough and fair in its reporting while still being outspoken but responsible in its criticism While many newspapers attacked McCarthy personally the Monitor concentrated on the actions of the junior senator and the negative effects they were having at home and abroad As Strout sees it the Monitor served as a voice of moderation while simultaneously being a persistent critic of McCarthy s tactics **Methods of Historical Analysis**

in Electronic Media Donald G. Godfrey, 2006-08-15 *Methods of Historical Analysis in Electronic Media* provides a foundation for historical research in electronic media by addressing the literature and the methods traditional and the eclectic methods of scholarship as applied to electronic media. It is about history broadcast electronic media history and history that has been broadcast and also about the historiography research written and the research yet to be written. Divided into five parts, this book addresses the challenges in the application of the historical methods to broadcast history, reviews the various methods appropriate for electronic media research based on the nature of the object under study, suggests new approaches to popular historical topics, takes a broad topical look at history in broadcasting and provides a broad overview of what has been accomplished, a historian's challenges and future research. Intended for students and researchers in broadcast history, *Methods of Historical Analysis in Electronic Media* provides an understanding of the qualitative methodological tools necessary for the study of electronic media history and illustrates how to find primary sources for electronic media research.

Focus On: 100 Most Popular 20Th-century American Politicians Wikipedia contributors, [Dark Days in the Newsroom](#) Edward Alwood, 2007-06-28 *Dark Days in the Newsroom* traces how journalists became radicalized during the Depression era, only to become targets of Senator Joseph McCarthy and like-minded anti-Communist crusaders during the 1950s. Edward Alwood, a former news correspondent, describes this remarkable story of conflict, principle, and personal sacrifice with noticeable flair. He shows how McCarthy's minions pried inside newsrooms, thought to be sacrosanct under the First Amendment, and details how journalists mounted a heroic defense of freedom of the press while others secretly enlisted in the government's anti-Communist crusade. Relying on previously undisclosed documents from FBI files along with personal interviews, Alwood provides a richly informed commentary on one of the most significant moments in the history of American journalism. Arguing that the experiences of the McCarthy years profoundly influenced the practice of journalism, he shows how many of the issues faced by journalists in the 1950s prefigure today's conflicts over the right of journalists to protect their sources.

Michael Moore and the Rhetoric of Documentary Thomas W. Benson, Brian J. Snee, 2015-04-27 In the first in-depth study of Moore's feature-length documentary films, editors Thomas W. Benson and Brian J. Snee have gathered leading rhetoric scholars to examine the production, rhetorical appeals, and audience reception of these films. Contributors critique the films primarily as modes of public argument and political art. Each essay is devoted to one of Moore's films and traces in detail how each film invites specific audience responses.

notorious accusations were actually true 16 page photo insert **Critical theory and demagogic populism** Paul K. Jones, 2020-11-03 Populism is a powerful force today but its full scope has eluded the analytical tools of both orthodox and heterodox populism studies This book provides a valuable alternative perspective It reconstructs in detail for the first time the sociological analyses of US demagogues by members of the Frankfurt School and compares these with contemporary approaches Modern demagoguery emerges as a key under researched feature of populism since populist movements whether left or right are highly susceptible to demagogic capture The book also details the culture industry s populist contradictions including its role as an incubator of modern demagogues from the 1930s through to today s social media and Trumpian psychotechnics Featuring a previously unpublished text by Adorno on modern demagoguery as an appendix it will be of interest to researchers and students in critical theory sociology politics German studies philosophy and history of ideas as well as all those concerned about the rise of demagogic populism today *Presidents and Civil Liberties from Wilson to Obama* Samuel Walker, 2012-04-16 This book is a history of the civil liberties records of American presidents from Woodrow Wilson to Barack Obama It examines the full range of civil liberties issues First Amendment rights of freedom of speech press and assembly due process equal protection including racial justice women s rights and lesbian and gay rights privacy rights including reproductive freedom and national security issues The book argues that presidents have not protected or advanced civil liberties and that several have perpetrated some of the worst violations Some Democratic presidents Wilson and Roosevelt moreover have violated civil liberties as badly as some Republican presidents Nixon and Bush This is the first book to examine the full civil liberties records of each president thus placing a president s record on civil rights with his record on national security issues and also to compare the performance on particular issues of all the presidents covered
