**Keep Getting Up** Ann L. Stanford Ph.D.,2008-09-04 Keep Getting Up is the first book of its kind to be written by a black woman career public servant Its about her 40 year journey finding her identity and meaning for her life as a youngster and as an adult and then finding her place on the world stage as an ambitious and talented professional In her sheltered environment her parents her school teachers and the community in which she grew up in Kansas failed to prepare her for the truth of the Black Experience in America When she stepped out onto the world stage at age 17 ready to make her mark on the world she crashed into the wall of racial discrimination that shattered her belief system and rocked her self confidence A few years later in seeking employment she discovered institutional racism that circumscribed what she could do when and how she could do it These new realities were almost life threatening A setback for sure but for only a period long enough for her to educate herself about what life in America was all about for Blacks and the time it took to develop carefully crafted strategies

to overthrow all racial barriers placed in her path She triumphed over all obstacles to her success along her journey and rose to the top ranks in public service This book is a must read particularly for those who are concerned about social justice for all in America     Military Musings Leonard J. Gill,2003 The experiences of a Kenya born English lad in the fight against the terrorism of the Mau Mau Rebellion     *Grace and Vengeance* James L. Avery,2012-09-25 Historical fiction genre is the platform available to offer the truth about a double homicide that was current in the news Offering the truth is the primary and most important intent of this novel James L Avery a seer offers by explaining all evidence issues and describing the truth of who how what why where and when that is a requirement by the power of God Neither of the polarized opinions about the homicides had any validity because the entire truth was not of knowledge Not one crime scene expert can offer the truth better than this seer can about the issues of the double homicides I am offering the truth because those experts failed God with their expertise gifted by him to do his will In this there is an obviously given difference between self made and godsent The truth is offered inside of a fiction novel so that it can be offered legally The author is required to offer the names given to him spiritually     Kenya Richard Trillo,2002 The Rough Guide to Kenya is the ultimate guide to East Africa s best known destination Features include a full colour section introducing Kenya s highlights practical advice on getting the most out of Kenya from the well known safari parks to the little known reserves and the highlands lakes and deserts to downtown Nairobi and the Indian Ocean detailed reviews of accommodation and eating options to suit every taste and budget including luxury lodges and local restaurants candid coverage of Kenya s history politics culture and environment and maps and plans for every region     *Chipped* K. A. Johnson,2025-04-17 What s a talisman to do when his human dies and he finds himself in the hands of someone she loved but he can t stand Chip lived in Isabelle s pocket for 25 years He was her talisman that little voice in her head that gave her the courage to travel from the slopes of Kilimanjaro to the beaches of Southern France and beyond When she s killed in a tragic accident their magical bond unravels Shared memories fade Without his beloved human Chip fears he ll become nothing but a silent lump of stone Isabelle s niece Sara lives on the family farm under the strict control of her husband Chip awakens one day to find he s been shipped to her in a box of Isabelle s belongings Still grief stricken he s yearning for Isabelle s voice and only pays attention to Sara because she sneaks into one of Isabelle s journals to escape her own bleak existence This isn t the life Isabelle would ve wanted for Sara but Chip isn t her talisman He couldn t help even if he wanted to she can t hear him Sharing Isabelle s words however might just give them both the strength they need to carry on From the author of *Trusting Bamboo Bridges* comes *Chipped* another poignant story of love loss and the struggle to find one s own path
