Adam's Dream Joseph Romanella,2012-11-30 According to the Holy Scriptures in the beginning Adam felt very alone and deeply longed to have a partner like him God therefore caused him to fall into a deep sleep took one of his ribs and fashioned woman from it Notably there is no mention in the Holy Bible that he later awoke In Adams Dream author Joseph Romanella presents a strong and very compelling argument that Adam as the universal man or mind is still sound asleep and has progressed to dream of humankind as his direct off spring He believes that with this new revolutionary knowledge gained through Divine Grace the self centered mentalities of human beings along with their narrow points of view concerning life and the outside world will also have to undergo corresponding changes In fact by comprehending that we are currently living inside of a very realistic fantasy as imaginary personal figures we are immediately placed in the proper perspective to significantly change the way that we think feel perceive will and behave As a result with this Holy Knowledge we are in a position to attract many good things into our earthly lives not only to prosper us spiritually but also in every other way Moreover with this new light a clearer awareness and a deeper acceptance of Gods Intimate Love for each one of us automatically arises And contrary to popular religious beliefs we also come to the realization that by faith all of our sins past present and future have already been forgiven and we have been empowered to enter into the Glorious Freedom Rest Life Joy Wisdom Righteousness and Eternal Embrace of our Heavenly Father without the need for any good works or sacrifices on our part
