pupils It provides key quantitative data that shows just how schools can and do make a difference but that their effects tend to be more powerful at different stages in a child s school career and with differing effects for girls and boys and for different school subjects From in depth work with twenty four case study schools we are also given much rich qualitative evidence about for instance the links between attitudes and attainment within a school about the ethos of a school and its capacity for change about the significance of a school development plan in bringing about changes and about the role and impact of critical friends in pursuing improvement in schools Improving School Effectiveness is an important book for everyone who is interested in valuing the effectiveness of and securing improvement in schools for teachers heads inspectors policy makers and students and scholars of school effectiveness and improvement     The School Journal ,1903     **Gardeners' Chronicle and Agricultural Gazette** ,1869     *The Pennsylvania School Journal* Thomas Henry Burrowes,James Pyle Wickersham,Elnathan Elisha Higbee,David Jewett Waller,Nathan C.
