## **Seeing Through Language A Guide To Styles Of English Writing:**

**Seeing Through Language** Ronald Carter, Walter Nash, 1990 This book aims to help students with little linguistic experience develop an articulate awareness of language Seeing Through Language Ronald Carter, Walter Nash, 1990-01-01 This book aims to help students with little linguistic experience develop an articulate awareness of language

**Text in Education and Society** Desmond Allison, 1998 The central place of text as a means of organising language in order to construct what people come to think of as knowledge is a phenomenon affecting all educators students and citizens of modern societies This volume offers various voices and perspectives including those of Ron Carter and Michael Halliday on the role of text in education and society The chapters on text in education explore some ways in which texts can create bonds or raise barriers between educational knowledge and common sense knowledge while the chapters on text in society focus on how personalities and societies are themselves constructed through texts Learning to unpack texts and to consider alternatives is a crucial goal for education and growth especially so in the context of fast changing contemporary societies This book should be of special interest to educators students of language and readers interested in the dynamic relationship between text education and society Creating Texts Walter Nash, David Stacey, 2014-09-25

**Creating Texts** emphasises a practical approach to composition and enables students to understand what is involved in the creation of a text and to learn from the practice of other writers Extensively rewritten and updated from Walter Nash's earlier volume *Designs in Prose* attention is paid to the general theory of composition in both traditional and original terms so that students are made familiar with the basic resources of composition in grammar and in the lexicon The essence of every chapter is the discussion of examples of text sometimes devised by the authors but more often drawn from the work of authors writing in diverse styles of English This practical approach is most evident in the final section of the book where detailed suggestions for projects and exercises reinforce the connection between theory and practice and encourage students to develop their creative sense and to adapt their style of writing to fit the particular audience and context In addition this section is cross referenced to the main text to allow students to consult easily the relevant chapter
