Seeing Jesus Today A Portrait Of Jesus The Man:

Seeing Jesus Today John Bishop, 1973 **Portraits of God** Allan Coppedge, 2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God's actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In *Portraits of God* Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God's very being In *Portraits of God* Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God's own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in *Portraits of God* a treasure of scholarship and truth Images in the Margins of Gothic Manuscripts Lilian M. C.

Randall, 2023-12-22 Seeing Jesus as He Really Is Rodney Howard-Browne, 2008-05-04 *Seeing Jesus as He Really Is* takes you on a journey through the Gospels and along the way you'll see how Jesus really lived how He radically changed the world and how Jesus is portrayed through the word of God *Seeing Jesus as He Really Is* will help every reader know how to answer the questions that Jesus asked His disciples Whom do men say that I am and Who do you say that I am Chapters include Jesus and His Methods The Sweet Presence of Jesus The Name of Jesus Called to Do the Works of Jesus Pressing in to Jesus

Morgan,2013-02-27 Luke Acts is an impressive two volume narrative seeking to convince and engage readers regarding the spiritual impact of Jesus of Nazareth on the Jewish people and other nations To this end Luke employs an impressive arsenal of literary and narrative techniques This book focuses on a motif and its performance the thoroughfare motif which includes those figurative and concrete expressions involving ways roads city streets and country paths This study traces this motif s performance within the unfolding plot asking what difference the motif makes progressively and cumulatively to the reader s encounter with the story s emphasis on salvation For example why does Luke take pleasure in describing transformational events on or in relation to thoroughfares What are the connections between expressions like the way of peace the way of salvation and the way of God Lord Why does Luke use such an unusual expression like the Way to describe Jesus followers How do such expressions contribute to the spiritual landscape of Luke Acts the intermingling of concrete and figurative uses of physical imagery Like an instrument in an orchestra the thoroughfare motif works together with other motifs and themes to create a captivating exploration of spiritual transformation received and opposed *Seeing the Big Picture* Dr Alastair T. Ferrie,2012-10-22 To many Christians the Old Testament is a mysterious document a treasure hidden in the dust of antiquity It is historical it tells the story of ancient Israel but has it anything to do with me Seeing the Big Picture is the story of one mans voyage of discovery The Bible as a whole is the dramatic story of redemption which comes to a climax in the New Testament In every book of the Old Testament the theme of the coming of Christ is there burning brightly like a lamp in the darkness heralding the day when the glory of the Christ would burst majestically forth Suddenly I saw that this was truly one story It was almost as if someone had turned a light on I could see things much more clearly and so many aspects of the New Testament study were brought into such clear focus that I understood as never before **The Works of Thomas Goodwin: Containing Christ set forth.
