Seeing The Light Through The Darkness:

Seeing the Light Through the Darkness Ann Smith, 2005-05-01 Have you ever awoken in the middle of the night to pitch black darkness Startled your heart races You reach for familiar objects but your steps are unsure Thats the feeling you get when your child is struck with a serious illness What was light is now darkso dark you cant see two steps ahead There are physical emotional and spiritual battles on this dark journey This book is about our familys experience after our three year old son was diagnosed with an aggressive cancer It is about lessons learned along the way and about the strength God gives and how he gives it The purpose is to encourage others going through their own blackout It is for everyone who knows someone on this dark path offering ways to help relieve some of the burden **Through Darkness I've Seen the Light**
