Seeking Bauls Of Bengal:

Seeking Bauls of Bengal Jeanne Openshaw, 2002-07-25 The author charts the rise of Bauls to their present iconic status as minstrels and mystics

Seeking Bāuls of Bengal Jeanne Openshaw, 2004 Bauls have achieved fame as wandering minstrels and mystics in India and Bangladesh They are recruited from both Hindu and Muslim communities and are renowned for their beautiful and often enigmatic songs Despite their iconic status as representatives of the spiritual East and although they have been the subject of a number of studies systematic research with Bauls themselves has been neglected Jeanne Openshaw's book is new not only in analysing the rise of the Bauls to their present revered status but in the depth of its ethnographic research and its reference to the lives of composers and singers as a context for their songs The author uses her fieldwork and oral and manuscript materials to lead the reader from the conventional historical and textual approaches towards a world defined by people called Baul where the human body and love are primary and where women may be extolled above men

Vidyasagar Brian A. Hatcher, 2014-08-07 This book offers a new interpretation of the life and legacy of the Indian reformer and intellectual Ishvarchandra Vidyasagar 1820-91 Drawing upon autobiography biography secondary criticism and a range of Vidyasagar's original writings in Bengali the book interrogates the role of history memory and controversy and emphasises the key challenge of pinning down the identity of an enigmatic and multi-faceted figure By examining lesser known works of Vidyasagar including several pseudonymous and posthumous works alongside the evidence of his public career the author calls attention to the colonial transformation of intellectual and social life the nature of life writing the limits of standard biographies and the problem of modern Indian identity as such Based on decades of research and an original perspective this book will be especially useful to scholars of modern Indian history biographical studies comparative literature and those interested in Bengal

Conceptualizing Islam Frank Peter, Paula Schrode, Ricarda Stegmann, 2025-03-31 In recent decades academic debates on how to conceptualize Islam as an object of study and how to approach it theoretically have been revitalized Not only has research on Islam grown enormously and become much more differentiated but Islam is also being discussed more intensively in society and politics than ever before This reader which brings together the perspectives of various disciplines provides an overview of academic approaches to Islam against the backdrop of these in some cases tense entanglements Through two contributions from scholars working on Buddhism and Hinduism these debates are situated in the context of broader trajectories of research history In sum this book does not only offer its readers entry points to a more complex and refined understanding of Islam but also to research processes within the study of Islam as well as religion in general

Visions of a Better World Quinton Dixie, Peter Eisenstadt, 2011-08-30 In 1935 at the height of his powers Howard Thurman one of the most influential African American religious thinkers of the twentieth century took a pivotal trip to India that would forever change him and that would ultimately shape the course of the civil rights movement in the United States When Thurman 1899 1981 became the first African American to meet with Mahatma Gandhi he found himself called upon to create a new version of American Christianity one that eschewed self imposed racial and religious boundaries and equipped itself to confront the enormous social injustices that plagued the United States during this period Gandhi s philosophy and practice of satyagraha or soul force would have a momentous impact on Thurman showing him the effectiveness of nonviolent resistance After the journey to India Thurman s distinctly American translation of satyagraha into a Black Christian context became one of the key inspirations for the civil rights movement fulfilling Gandhi s prescient words that it may be through the Negroes that the unadulterated message of nonviolence will be delivered to the world Thurman went on to found one of the first explicitly interracial congregations in the United States and to deeply influence an entire generation of black ministers among them Martin Luther King Jr *Visions of a Better World* depicts a visionary leader at a transformative moment in his life Drawing from previously untapped archival material and obscurely published works Quinton Dixie and Peter Eisenstadt explore for the first time Thurman s development into a towering theologian who would profoundly affect American Christianity and American history

Global Perspectives on Indigenous Oral Traditions Mukuni, Candido, 2025-09-05 Indigenous oral traditions are vital to preserving cultural memory transmitting knowledge and sustaining community identity across generations These rich practices offer alternative ways of knowing that challenge dominant Western paradigms and support efforts to decolonize education As global awareness grows around the importance of indigenous knowledge systems oral traditions play an increasingly prominent role in informing pedagogy cultural

resilience and intercultural understanding Exploring their relevance today helps bridge past and present fostering more inclusive and respectful approaches to learning and cultural preservation Global Perspectives on Indigenous Oral Traditions provides an interdisciplinary exploration of the functions preservation and educational integration of indigenous oral traditions It presents theoretical frameworks comparative case studies and practical applications from all around the world Covering topics such as colonial debunking intergenerational knowledge and storytelling this book is an excellent resource for anthropologists educators curriculum developers historians linguists instructional designers administrators researchers academicians and more Women's Renunciation in South Asia M. Khandelwal, Sondra L. Hausner, A. Gold, 2016-04-30 This volume brings together compelling new research on South Asian women who have renounced worldly life for spiritual pursuits Documenting contemporary women's experiences with intimate ethnographic narratives this book offers feminist insights into Jain Buddhist Hindu and Baul ascetic traditions **The Oxford Handbook of Singing** Graham F. Welch, David M. Howard, John Nix, 2019-04-04 Singing has been a characteristic behaviour of humanity across several millennia Chorus America 2009 estimated that 42.6 million adults and children regularly sing in one of 270,000 choruses in the US representing more than 1.5 households Similarly recent European based data suggest that more than 37 million adults take part in group singing The Oxford Handbook of Singing is a landmark text on this topic It is a comprehensive resource for anyone who wishes to know more about the pluralistic nature of singing In part the narrative adopts a lifespan approach pre cradle to senescence to illustrate that singing is a commonplace behaviour which is an essential characteristic of our humanity In the overall design of the Handbook the chapter contents have been clustered into eight main sections embracing fifty three chapters by seventy two authors drawn from across the world with each chapter illustrating and illuminating a particular aspect of singing Offering a multi disciplinary perspective embracing the arts and humanities physical social and clinical sciences the book will be valuable for a broad audience within those fields Being Bengali Mridula Nath Chakraborty, 2014-03-26 Bengal has long been one of the key centres of civilisation and culture in the Indian subcontinent However Bengali identity Bengaliness is complicated by its long history of evolution the fact that Bengal is now divided between India and Bangladesh and by virtue of a very large international diaspora from both parts of Bengal This book explores a wide range of issues connected with Bengali identity Amongst other subjects it considers the special problems arising as a result of the division of Bengal and concludes by demonstrating that there are many factors which make for the idea of a Bengali identity *In-Between Worlds* Sukanya Chakrabarti, 2022-11-25 This book examines the performance of Bauls folk performers from Bengal in the context of a rapidly globalizing Indian economy and against the backdrop of extreme nationalistic discourses Recognizing their scope beyond the musical and cultural realm Sukanya Chakrabarti engages in discussing the subversive and transformational potency of Bauls and their performances In Between Worlds argues that the Bauls through their musical spiritual and cultural performances offer joy and spirituality thus making space

for what Dr Ambedkar in his famous 1942 speech had identified as reclamation of human personality Chakrabarti destabilizes the category of folk as a fixed classification or an origin point and fractures homogeneous historical representations of the Baul as a folk performer and a wandering mendicant exposing the complex heterogeneity that characterizes this group Establishing folk ness as a performance category and folk festivals as sites of performing folk ness contributing to a heritage industry that thrives on imagined and recreated nostalgia Chakrabarti examines different sites that produce varied performative identities of Bauls probing the limits of such categories while simultaneously advocating for polyvocality and multifocality While this project has grounded itself firmly in performance studies it has borrowed extensively from fields of postcolonial studies and subaltern histories literature ethnography and ethnomusicology and cosmopolitan studies
