**The Witness of the Brothers** Yaakov Oved,2017-07-05 This extraordinary history of the Bruderhof shows how its commitment to religion family and community has enabled it to maintain its way of life since its inception over ninety years ago Although Yaakov Oved identifies social tensions in the movement he still considers it to be a shining example of communal stability After the horrors of World War I German adolescents sought new directions in the form of youth movements Young people from bourgeois families rejected materialism celebrated nature and longed for a simpler life

Eberhard and Emmy Arnold a couple from an affluent background who identified fully with radical pacifist youth circles fused the German Christian socialist youth into a new movement They settled a commune in Sannerz known as The First Bruderhof whose members shaped their lives according to their faith The Bruderhof supported itself by publishing printing and providing reliable child care services In 1937 responding to Nazi harassment and to escape conscription they fled to Liechtenstein and England where they provided shelter for many Jewish refugees World War II forced them to emigrate further afield They went to Paraguay and eventually to the United States Sociologists theologians anthropologists and psychologists alike will find The Witness of the Brothers to be a valuable resource    [Brotherly Faithfulness](#) Jakob Hutter,1979 The desire for community in a world that is rapidly falling apart has resulted in the founding of dozens of fellowships small groups and churches in the last several years Just as many have painfully disbanded but the yearning that inspired them lives on as does the age old need for brotherly and sisterly love and faithfulness What does faithfulness mean And what form does it take when confronted by personal weakness or the weaknesses of others or when tested by the forces of society at large Here are letters that put flesh and bone heart and hand to the ideal by a man who was tortured and finally burned at the stake for his heretical convictions    **Catalog of Copyright Entries.
