The Riddles of the Fourth Gospel Paul N. Anderson,2011-04 Paul Anderson a leading scholar of the Fourth Gospel provides an introductory textbook crafted for a semester course which leads students through literary historical and theological aspects of the Fourth Gospel s most vexing puzzles Traditional historical critical and literary critical approaches are deftly introduced and their limitations evaluated questions of the Gospel s authorship composition relationship to the Synoptics and origins in particular historical experiences are succinctly addressed and distinctive Johannine perspectives on Jesus the church and the world are discussed **Elenchus of Biblica** ,2003 **Books Ireland** ,2003 **Finding List of the Apprentices' Library Established and Maintained by the General Society of Mechanics and Tradesmen of the City of New York** General Society of Mechanics and Tradesmen of the City of New York. Apprentices' Library,General society of mechanics and tradesmen of the city of New York, Library,1888 **Jesus as Torah in John 1-12** Dan Liroy,2007-10-01 In this study of John 1 12 the author develops the thesis that Jesus is the divine incarnate Torah and that Jesus as Torah is the conceptual center of the Fourth Gospel An overarching goal of the treatise is to explore the Evangelist s portrait of Jesus as the fulfillment of the Mosaic law Connected with this aim is the central thesis that the Messiah appears in the Gospel of John as the realization of all the law s redemptive historical types prophecies and expectations A corresponding major claim is that

those who trust in Jesus for eternal life and heed his teaching satisfy fully the requirements of the moral law recorded in Scripture An examination of John 1 12 substantiates the truth that Jesus is the perfection of the gift of the Tanakh He existed in the beginning with the Father and Spirit as God The eternal Torah is light and life fulfillment and joy in fellowship with the triune God for all eternity The divine Tanakh by becoming incarnate revealed the glory of the Father and made the fullness of God's grace and truth available to humankind The living Word not only provides salvation but in so doing unveils the loving and redeeming heart of the Father for all to see The Son of God is the one to whom all the Old Testament luminaries such as Abraham Jacob Moses and Isaiah pointed and in whom their eschatological hopes were realized The Anointed One is greater than and supreme over all the religious institutions once associated with the Jerusalem tabernacle and temple Even such Jewish festivals as the Feast of Tabernacles Pentecost Dedication and Passover find their fulfillment in the Messiah This volume is appropriate for personal study and is also suitable as a college and seminary text *Biblical Theology: New Testament* Chester Lehman, 2018-11-30 *The Historical Jesus of the Gospels* Craig S. Keener, 2009-11-03 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in *The Historical Jesus of the Gospels* In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history **Is Jesus of Nazareth the Predicted Messiah?** Douglas D. Scott, 2019-02-04 Christians in general and preachers of prophecy in particular attribute the fulfillment of hundreds of Old Testament messianic prophecies to Jesus of Nazareth Often these claims arise in the uncritical environment of Christian churches or popular literature that is treating messianic prophecy People with critical thinking abilities and those endowed with a skeptical nature often have key questions that remain unaddressed in such environments These thinkers and skeptics are the people that will be most interested in this work The primary question addressed is this Do critically acceptable historical evidential reasons exist for believing that Jesus Christ is the direct fulfillment of some specific Old Testament messianic texts Approaching this question within a framework that eliminates any possibility of staged prophetic fulfillment and those that may occur by mere chance or collusion produces results that must be taken seriously Even with these strict criteria Jesus emerges as the only viable candidate to fulfill some of the prophecies included in this study For other prophetic texts the evidence is not as abundant or convincing However even these texts yield several minimal facts that directly impinge on New Testament claims about Jesus **The Cambridge Companion to the Gospels** Stephen C. Barton, 2006-11-23 An introduction covering historical theological and ethical aspects of the gospels through the ages **Jesus and the Gospels,**
