Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life **A History of Ghosts** Peter H. Aykroyd, Angela Nanth, 2009-09-29 Peter Aykroyd spent his childhood watching his family's

parlor seances through the crack of a basement door Here for the first time Aykroyd tells the strange and delightful story that inspired his son Dan to make the mega hit Ghostbusters Part history part family legend A History of Ghosts starts in 1848 in upstate New York where the spiritualist craze first began Aykroyd introduces the reader to notable mediums while telling the story of the development of spiritualism interweaving a personal history marked by a fascination with ghosts and spirits with the larger narrative about the role the paranormal has played in our culture Such legendary figures as Sir Arthur Conan Doyle and Harry Houdini appear and vanish Everyone loves a good ghost story Successful TV shows such as Medium and Ghost Hunters are proof that our national obsession with ghosts is here to stay Millions of Americans believe in the paranormal and even skeptics have heard a bump in the night and suspected it might be something supernatural **Divine Nudges** Catherine Lanigan,2006-01-15 Lanigan believes that angels are all around us performing miracles big and small She takes us on a journey revealing extraordinary divine interventions that gently nudge us along and bring about awe and appreciate in our daily life **The Holy and the Hereafter or is it Hooley?** J L Miller,2013-10 The original purpose of this book was to explore various religious ideas and beliefs relating to the hereafter The title was to be The Hereafter Maybe On completion of the first few chapters the author concluded that every major religion s philosophy theology had included much nonsense at least if viewed solely from common sense Thus this text took on an increased scope It has a wealth of imagination on holy belief and the possibilities of an afterlife Most nonfiction writers on the subject of religion generally endorse a preconditioned accepted view as truth and even the only truth This book s author believes all truth is partial and that any human belief about God from any religion is at best partial Both the expert and the layman will find food for thought regarding the reality of their own religious philosophy **Life Without Elgar** Ann Merivale,2014-10-31 During a regression to find out the reason for the unusual emotional attachment that she d had since the age of sixteen to Sir Edward Elgar both his music and the man himself Ann Merivale was knocked for six at finding herself in the life of Helen Weaver his first fianc e One year on following a meeting held at Plas Gwyn in the very room that had been Elgar s study from 1904 11 a series of letters between Edward Elgar and Helen Weaver started writing themselves in her head Gradually and on the advice of colleagues she decided that this imaginary correspondence should form the middle section of a book devoted to her personal experiences The first part is autobiographical showing how she came to her present beliefs and the third part also somewhat autobiographical draws conclusions re healing It has the dual aim of introducing spiritual subjects to musical people who are unfamiliar with them and introducing Elgar to spiritually minded people who know little or nothing about him **Religions of the World** J. Gordon Melton,Martin Baumann,2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world s smaller religious outposts Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia s six volumes offer

entries on every country of the world with particular emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world's smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world's most remote places Antarctica and Easter Island Religions of the World is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions [Ancient Teachings for Beginners](#) Douglas De Long,2000 Ancient Teachings for Beginners by Douglas De Long reveals the mysteries from the distant past and how they can lead to a brighter future in the New Age It begins with a brief history of spiritual development from before ancient Egypt right up to the present It continues by explaining the secrets of the aura and the chakras In this section you'll learn about the importance of the third eye chakra It is related to the pineal gland and the third eye Opening the third eye aids intuition creativity and psychic abilities You can do this easily by toning doing vibrational work or chanting Thoh rhymes with toe at a middle or high C note This triggers a vibration in the pineal which cause the third eye and its chakra to open The exact techniques are included in the book If you open the crown chakra associated with the pituitary gland you can improve some of your natural psychic abilities including clairaudience clairvoyance and clairsentience Vibrational work for this chakra uses the sound May Breathing techniques and the exact way of toning to open the chakra are fully explained You'll also learn how to see the aura and interpret its colors as well as how to open all of the chakras The book also explains techniques to send the mysterious kundalini energy through the chakras But this book has more It includes the secrets of channeling such as working with angels and spirit guides It goes on to share methods of astral projection and then reveals the secrets of reincarnation Ancient Teachings for Beginners is easy to understand and the techniques are a snap to use If you are looking for an introduction to the secrets of the teachings of the ancient mystery schools this book is for you **Becoming Psychic** Stephen Kierulff, Stanley Krippner, 2004-08-11 Becoming Psychic provides a lively dialogue between a clinical psychologist who believes that he has had a number of psychic or paranormal experiences and a research psychologist and parapsychologist who attempts to put these reports in a scientific framework The anecdotes make for fascinating reading and the scientific responses are relayed in a reader friendly manner Readers who have had similar experiences can begin to understand their own glimpses of future events remarkable recoveries from major or minor illnesses or knowledge of what is happening to a loved one hundreds of miles away Paul Von Ward author of Our Solarian Legacy writes in the Introduction Becoming Psychic is a book for everyone who seeks meaning among the non ordinary experiences of life Telepathy clairvoyance psychokinesis precognition mind body healing prayer and synchronicity are all illustrated in personal terms by

Dr Kierulff and placed in scientific context by Stanley Krippner a successful merging of the perspectives of the experienter and the scientist

The Synchronicity Key David Wilcock, 2014-07-29 Unlock the key to a universal life force in this astonishing book from the New York Times bestselling author of *The Source Field Investigations* and *Awakening in the Dream* *The Source Field Investigations* was a New York Times Wall Street Journal and USA Today bestseller that uncovered hidden science and lost prophecies to illuminate an entirely new understanding of our world today Now in *The Synchronicity Key* David Wilcock embarks on an astonishing investigation into what lies beyond finding proof that everything in our lives is not only connected but it also influences everything else Using history astrology and synchronicity theory among other concepts Wilcock shows that there is hidden architecture within time guiding individuals and nations through a system of enlightenment Joseph Campbell called the Hero's Journey Historical events occur in shockingly precise repeating cycles of time as a result Once we understand and identify the hidden laws of this seemingly random synchronicity we are left with a remarkable blueprint of how best to lead our lives in this uncertain and confusing world *Alternative Healthcare* Jack Raso, 2013-12-05 Raso examines the philosophical underpinnings of alternative medicine as well as hands on healing Qigong and faith healing He shows that whatever the specific philosophy the common denominator is a rejection of the scientific approach of modern medicine in favor of a belief in paranormal forces that influence the well being of mind and body The final section is a firsthand account of Raso's many revealing visits to various alternative healthcare practitioners The book concludes with an encyclopedic glossary of alternative healthcare terminology

Religion and Medicine Jeff Levin, 2020-04-15 Though the current political climate might lead one to suspect that religion and medicine make for uncomfortable bedfellows the two institutions have a long history of alliance From religious healers and religious hospitals to religiously informed bioethics and research studies on the impact of religious and spiritual beliefs on physical and mental well being religion and medicine have encountered one another from antiquity through the present day In *Religion and Medicine* Dr Jeff Levin outlines this longstanding history and the multifaceted interconnections between these two institutions The first book to cover the full breadth of this subject it documents religion medicine alliances across religious traditions throughout the world and over the course of history Levin summarizes a wide range of material in the most comprehensive introduction to this emerging field of scholarship to date *The Haunting of Twentieth-Century America* William J. Birnes, Joel Martin, 2011-09-13 In this sequel to *The Haunting of America* national bestselling authors Joel Martin and William J Birnes bring up to the present the story of how paranormal events influenced and sometimes even drove political events In unearthing the roots of America's fascination with the ghosts goblins and demons that possess our imaginations and nightmares Martin and Birnes show how the paranormal has driven America's political public and military policies The authors examine the social history of the United States through the lens of the paranormal and investigate the spiritual events that inspired momentous national decisions UFOs that frightened the nation's military into

launching nuclear bomber squadrons toward the Soviet Union out of body experiences used to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians

The Haunting of Twentieth Century America is a thrilling evidencebased exploration of the often unexpected influences of the paranormal on science medicine law the government the military psychology theology death and dying spirituality and pop culture At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
