Seized by Love Susan Johnson,2010-03-31 Sweeping from the fabulous country estates and hunting lodges to the opulent ballrooms and salons of the Russian nobility here is a novel of savage passions and dangerous pleasures by the incomparable Susan Johnson mistress of the sensual historical and author of the bestselling *Outlaw* He was a renegade prince skilled in the arts of sensual persuasion She knew him by reputation a man unmindful of convention it was said he offered sensual delight beyond a woman s wildest dreams Yet even forewarned of his wild and reckless past Alisa Forseus found herself responding to the dark smoldering gaze and the quick warmth of Prince Nikolai Kuzan s stolen caresses She knew too well that love between them was impossible forbidden but she could not resist the rapturous pleasure of one moment in his arms She was the exquisite bounty in a scandalous wager of love She was to be his prize his ultimate conquest but when Nikki found himself alone with the lovely and chaste Alisa he was shocked to discover that it was more than her body he desire to possess He had three days to win the heart of this proud and passionate beauty three days and nights to steal her from the man she called husband in name only For what began as a simple challenge had become a

dangerous passion for a woman he'd surrender anything and everything to love even his renegade heart

In the Light of Agape William Greenway, 2024-05-14 We see children squealing with delight in new fallen snow We see shocked survivors of the tsunami hugging broken bodies We are not first objective detached or neutral Instantly we are joyful or horrified A singular force fuels our joy and our horror agape Agape is as palpable as gravity As weight is to gravity so good is to agape or in violation so evil is to agape Predominant Western rationalities preclude theorizing of agape So secular intellectuals awakened to agape but conceptually hobbled lament a crisis of foundations in ethics and a legitimization crisis in political theory In the light of agape however there is no question about any sovereign's basic ethical responsibilities nor about myriad ethical issues the evils of pedophilia rape slavery racism exploiting illness for profit Thus agape can ground ethics globally Moreover insofar as faithful signifies not propositional assent but living fidelity to agape agape can ground interfaith spiritual consensus Engaging intellectuals from Augustine and Dostoevsky to Emmanuel Levinas and Peter Singer tackling issues from animal rights and the essence of spirituality to the passion of Torah and interfaith relations Greenway demonstrates the spiritual fecundity and real world ethical potentials that flow from philosophical exploration of agape

A Reasonable Belief William Greenway, 2015-09-11 Insofar as the essence of this philosophical spirituality is continuous with the essence of Christian spirituality I am able to specify how we can be utterly confident that it is wholly reasonable and good to affirm give thanks for life and testify to faith in God from the preface While it's clear that a lot of people believe in God whether they should is a matter of loud debate Since the Enlightenment and especially in the last 150 years a consensus has been building in Western philosophy that belief in a transcendent order and especially in a supreme being is unreasonable and should be abandoned The result of this trend has been to delegitimize religious belief to claim that those who believe do so against scientific evidence and rational thought In this confident and sensitive book William Greenway carefully guides the reader through the developments in Western intellectual life that have led us to assume that belief is irrational He starts by demonstrating that along with belief in God modern definitions of human rationality have also rejected free will and moral agency He then questions the Cartesian assumption that it is our ability to think that makes us most human and most real Instead Greenway explains it is our capacity to be grasped by the lives and needs of others that forms the heart of who we are From that vantage point we can see that faith is not a choice we make in spite of evidence to the contrary it is rather wholly rational and in keeping with that which makes us most human Every person who either has faith or is contemplating faith can be assured that belief in God is both reasonable and good Greenway embraces both contemporary philosophy and science inviting readers into a more confident experience of their faith

Reasonable Faith for a Post-secular Age William Greenway, 2020 Our global community desperately needs overt awakening to an age of reason and faith Reasonable Faith for a Post Secular Age meets this need by interpreting faith not in terms of belief in propositions but in terms of living surrender to having been seized by agape for every Face including one's own Virtually all faith traditions from Buddhism to

Humanism to Wiccan are rooted in agape and therefore share considerable spiritual and ethical common ground a truth long veiled In contrast to ethically feckless secular rationality over which a devastating global social Darwinism currently runs roughshod faith qua living surrender to agape grounds moral realism awakens us to love for all creatures and inspires struggles for justice Inspired by the philosophy of Emmanuel Levinas and Christian spirituality Greenway engages on the one hand intellectuals like Stanley Hauerwas Richard Rorty Gayatri Chakravorty Spivak Jeffery Stout Charles Taylor and Bernard Williams and on the other contemporary debates over consciousness free will evil and metaethics He details the character of secular rationality s devastating scission from moral reality and clarifies the promise of understanding faith and spirituality in terms of agape *For the Love of All Creatures* William Greenway,2015-09-21 Fresh biblical take on a transcending divine grace that embraces all of God s creatures This broad ranging groundbreaking book by William Greenway unfolds a biblical spirituality centering on love for all creation and all creatures Greenway rereads the creation and flood narratives in Genesis from an overtly creature loving perspective that not only inspires care for creation but also reveals sophisticated understandings of faith grace and evil vital for twenty first century spirituality Comparing the ancient Israelite cosmology of Genesis both with the ancient Babylonian cosmology of the Enuma Elish and with the modern Darwinian cosmology of Thomas Hobbes s Leviathan Greenway shows how the Bible in Genesis extends far beyond those other cosmologies in its discernment of the transcending gracious love of God Standing at the intersection of animal rights green biblical studies and philosophical theology Greenway s *For the Love of All Creatures* will interest and inform a wide range of readers **The Challenge of Evil** William Greenway,2016-12-02 Belief in God in the face of suffering is one of the most intractable problems of Christian theology Many respond to the spiritual challenge of evil by ignoring it blaming God or insisting on the inherent meaninglessness of life In this book William Greenway contends that we don t have to deny our moral selves by either ignoring evil or abandoning our moral sensibilities toward it We can open our eyes fully to suffering and evil and our own complicity in them We can do so because it is only in this full acceptance of the world s guilt and our own that we make ourselves fully open to agape to being seized by love of others and God Inspired by the Jewish philosopher Emmanuel Levinas and the Christian novelist Fyodor Dostoyevsky *The Challenge of Evil* lovingly explains how we can look squarely at the overwhelming suffering in the world and still by grace have faith in a good and loving God Captured Love Amanda Siegrist,2018-10-26 From USA Today bestselling author Amanda Siegrist comes an exciting intense romantic suspense with a psychic twist His goal was to kill by any means necessary He didn t plan on her Isaac Thorn has one mission kill Dr Redburn the man who wants to hurt his sister It won t be easy even with his psychic abilities He needs a flawless plan and Dr Redburn s secretary Evie Hartman fits perfectly She can provide him access to anywhere in his lab All he needs to do is sway her to his side Easy enough Except he never imagined she would capture his attention But it doesn t matter He has a man to kill and no one not even a beautiful woman will deter him from his mission Not even if he has to put her in danger to get the
