Coleridge Samuel Taylor Coleridge,1950 **Coleridge** ,1950 **Anna Letitia Barbauld: Selected Poetry and Prose** Anna Letitia Barbauld,2001-09-24 At her death in 1825 Anna Letitia Barbauld was considered one of the great writers of her time Distinguished as a poet and essayist she was also an innovator in children's literature an eloquent supporter of liberal politics and a literary critic of stature This edition includes a generous selection of her poetry and the first comprehensive body of her prose in more than a century with essays some never before reprinted on literature religion education prejudice women's fashions and class conflict **Selected Poetry** Samuel Taylor Coleridge,1997 As a radical young poet in the years following the French Revolution Coleridge collaborated with Wordsworth in Lyrical Ballads 1798 and was by turns dramatist political journalist lecturer and religious thinker This edition includes his two most famous poems Kubla Khan and The Rime of the Ancient Mariner as well as such blank verse conversation poems as The Eolian Harp This Lime Tree Bower My Prison and Frost at Midnight Not least of the attractions of Heather Jackson's selection is the earlier version of the Rime which she presents in full along with the later better known version Demonstrating the diversity characteristic of Coleridge's work from early politically inspired sonnets to an epitaph he composed for himself shortly before his death this substantial collection is supplemented by an introduction and notes Coleridge: Selected Poetry and Prose Samuel Taylor Coleridge,1971 **Edgar Allan Poe: Selected Poetry and Tales** Edgar Allan Poe,2012-07-25 Edgar Allan Poe's stories and poems are among the most haunting and indelible in American literature but critics for decades persisted in seeing Poe as an anomaly or even an anachronism His works with their bizarrely motivated characters and mysterious settings did not seem to be a part of the literature of early nineteenth century America Critics realize now though that Poe was even more a part of the contemporary American literary scene than many of his more nationalistic peers and that in much of his work Poe was making commentaries on slavery and Southern social attitudes technology the urban landscape political economy and other subjects This Broadview Edition includes a selection of Poe's poems tales and sketches in such diverse modes of writing as tales of the supernatural and psychic conflict satires and hoaxes science fiction and detective fiction and nonfiction essays on literary and social topics These are supplemented by a selection of contextual documents newspaper and magazine articles treatises and other historical texts that will help readers understand the social literary and intellectual milieu in which Poe wrote **Selected Poems** William Wordsworth,2004-07-29 One of the major poets of Romanticism Wordsworth epitomized the spirit of his age with his celebration of the natural world and the spontaneous expression of feeling This volume contains a rich selection from the most creative phase of his life including extracts from his masterpiece The Prelude and the best loved of his shorter poems such as Composed Upon Westminster Bridge Tintern Abbey I Wandered Lonely as a Cloud Lucy Gray and Michael Together these poems demonstrate not only Wordsworth's astonishing range and power but the sustained and coherent vision that informed his work **Coleridge's Dejection Ode** J.C.C.

Mays,2019-01-22 Coleridge s Dejection Ode completes J C C Mays analysis of Coleridge s poetry following Coleridge s Ancient Mariner Palgrave 2016 and Coleridge s Experimental Poetics Palgrave 2013 Dejection An Ode stands alone in Coleridge s oeuvre written at a time of personal crisis it reaches far back and deeply into his thinking in an attempt to find a poematic solution to ideas and problems he had mulled over for a long time Mays reveals how the poem also marks the opening of the second half of Coleridge s career as both poet and thinker In three central chapters Mays examines the new style that evolved in the process of writing the Ode the technical means of metrics rhyme and grammar language and allusion and symbol and structure He recounts the complex sometimes controversial critical history of the Ode and suggests an editorial solution to the problem created by the Letter to Sara Hutchinson re evaluates the position of Wordsworth in the poem apropos the political statement it makes clarifies the distinction between the views on Imagination expressed and those contained in Biographia Literaria and traces the links of the concept dejection as it underpins Coleridge s late poems
