have put branding activities higher than ever in their agenda. This important new book examines and clarifies key aspects of the recently popularised concept of place branding expounding many controversies, confusions and discords in the field. The expert contributors clarify several unresolved issues surrounding the application of place branding in particular its multiple goals. They provide a detailed analysis of the role of local communities in place branding strategies and illustrate not only how but also why brand management should be implemented. Case studies from a range of jurisdictions and cultural and political viewpoints are drawn upon each illustrating an array of issues or techniques in specific economic, cultural and geographical contexts. This book provides a theoretically informed but practically oriented overview and discussion of the increasingly popular field of place branding as an instrument of place management. As such it will strongly appeal to both academics and practitioners in the fields of place marketing, place branding, local development, tourism planning and development, tourism marketing, cultural geography, urban and regional planning. Consultants in local authorities, national and regional tourism boards will also find this to be a fascinating read.

Fundamentals of Nursing: Australia & NZ Edition 2e Sue Carter DeLaune, Lauren McTier, Joanne Tollefson, Joanne Lawrence, Patricia Kelly Ladner, 2019-08-09. Fundamentals of Nursing 2e highlights the core themes of nursing including nurse person health and environment covering the fundamental concepts, skills and standards of practice. Research and evidence based practice issues are highlighted to help introductory nursing students prepare for delivering care for culturally diverse populations across a continuum of settings. With up to date coverage of the Registered Nurse Standards of Practice 2016 and key pedagogical features such as our unique Spotlight on Critical Thinking questions, this text challenges students to assess their own nursing practice and apply the concepts to real life clinical settings. Fundamentals of Nursing presents in depth material in a clear, concise manner using language that is easy to read and has good coverage of topics such as rural and remote nursing and Aboriginal and Torres Strait Islander health. This text is complemented by the bestselling Tollefson Clinical Psychomotor Skills Assessment Tools for Nursing which covers skills and procedures. A value pack of these two texts is available. Premium online teaching and learning tools are available on the MindTap platform.
