The Sound of One Voice J. E. Hodgetts, Eugene Alfred Forsey, 2000 In true democratic fashion the great Canadian academic and constitutional aficionado Eugene Forsey chose to air his heartfelt opinions in the broadest of public forums the letters to the editor page His foremost concern was the survival and success of Canada as a unified nation but the demise of the English language litter and the misguided aesthetics of government agencies in the placing of public statuary did not escape his at times acerbic pen

Selecting from some eight hundred letters written over sixty years Hodgetts weaves together a remarkably full picture of this patriot whose debates in the press ranged from the role of the governor general the senate the judiciary and the rule of law to his last battle over the Meech Lake Accord In answering the question of why such a prominent public figure would attach himself to this particular genre *The Sound of One Voice* broaches the greater meaning of the letter to the editor a much neglected area in the literature of democratic politics Friends made through the press will be delighted to read this collection those who missed his public voice by a generation will get a veritable crash course in Canada's central national issues BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
