Silent Honor Format Audio:

Silent Honor Danielle Steel, 2009-02-25 From 1 New York Times bestselling author Danielle Steel a moving novel of families separated and lives shattered by prejudice during one of the most shameful episodes in American history A man ahead of his time Japanese college professor Masao Takashimaya of Kyoto had a passion for modern ideas that was as strong as his wife's belief in ancient traditions His eighteen year old daughter Hiroko torn between her mother's traditions and her father's wishes boarded the SS Nagoya Maru to come to California for an education and to make her father proud It was August 1941 From the ship she went to the Palo Alto home of her uncle Takeo and his family To Hiroko California was a different world Her cousins had become more American than Japanese And much to Hiroko's surprise Peter Jenkins her uncle's assistant at Stanford became an unexpected link between her old world and her new On December 7 Pearl Harbor is bombed by the Japanese Within hours war is declared and suddenly Hiroko has become an enemy in a foreign land On February 19 Executive Order 9066 is signed by President Roosevelt giving the military the power to remove the Japanese from their communities at will Takeo and his family are given ten days to sell their home give up their jobs and report to a relocation center along with thousands of other Japanese and Japanese Americans to face their destinies there Families are divided people are forced to abandon their homes their businesses their freedom and their lives Danielle Steel portrays not only the human cost of that terrible time in history but also the remarkable courage of a people whose honor and dignity transcended the chaos that surrounded them Silent Honor reveals the stark truth about the betrayal of Americans by their own government and the triumph of a woman caught between cultures and determined to survive *Descriptive Analysis of Sound and Silence in the Audiovisual Translations of American and Japanese Movies* Reito Adachi, 2025-04-01 This book delves into the powerful role of sound and silence in film translation revealing how acoustic choices shape cultural perception and audience experience Through in depth analyses of acclaimed films like Spirited Away and The Lego Movie it shows how subtle shifts in silence sound effects and music can bridge or widen the cultural divide Perfect for translators filmmakers and anyone curious about the hidden layers of cross cultural storytelling *On My Honor* John Ashcroft, 2004-09-15 In this memoir by the former attorney general and senator Ashcroft tells his own story and reflects on the lessons he learned Publishers Weekly On the first day of his Senate confirmation hearings John Ashcroft raised his right hand and vowed I swear to uphold the laws of the United States of America so help me God People who knew him intimately knew they could count on this In On My Honor Ashcroft reveals his personal beliefs on racism abortion capital punishment our judicial system his faith in God and more These beliefs were not designed to answer his political critics or tamp down controversies they are beliefs he has held for years Here is an opportunity to judge this extraordinary man from his own words and deeds As Ashcroft says The verdict of history is inconsequential the verdict of eternity is what counts Previously published as Lessons from a Father to His Son **Disrupting the Culture of Silence** Kristine De Welde, Andi

Stepnick,2023-07-03 CHOICE 2015 Outstanding Academic TitleWhat do women academics classify as challenging inequitable or hostile work environments and experiences How do these vary by women s race ethnicity rank sexual orientation or other social locations How do academic cultures and organizational structures work independently and in tandem to foster or challenge such work climates What actions can institutions and individuals independently and collectively take toward equity in the academy Despite tremendous progress toward gender equality and equity in institutions of higher education deep patterns of discrimination against women in the academy persist From the chilly climate to the old boys club women academics must navigate structures and cultures that continue to marginalize penalize and undermine their success This book is a tool kit for advancing greater gender equality and equity in higher education It presents the latest research on issues of concern to them and to anyone interested in a more equitable academy It documents the challenging sometimes hostile experiences of women academics through feminist analysis of qualitative and quantitative data including narratives from women of different races and ethnicities across disciplines ranks and university types The contributors research draws upon the experiences of women academics including those with under examined identities such as lesbian feminist married or unmarried and contingent faculty And it offers new perspectives on persistent issues such as family policies pay and promotion inequalities and disproportionate service burdens The editors provide case studies of women who have encountered antagonistic workplaces and offer action steps best practices and more than 100 online resources for individuals navigating similar situations Beyond women in academe this book is for their allies and for administrators interested in changing the climates cultures and policies that allow gender inequality to exist on their campuses and to researchers scholars investigating these phenomena It aims to disrupt complacency amongst those who claim that things are better or good enough and to provide readers with strategies and resources to counter barriers created by culture climate or institutional structures

Crime Scene Investigation Case Studies Jacqueline Fish,Jonathon Fish,2013-03-18 This text offers an innovative approach to learning about crime scene investigation taking the reader from the first response on the crime scene to documenting crime scene evidence and preparing evidence for courtroom presentation It includes topics not normally covered in other texts such as forensic anthropology and pathology arson and explosives and the electronic crime scene Numerous photographs and illustrations complement text material A chapter by chapter fictional narrative also provides the reader with a qualitative dimension of the crime scene experience Crime Scene Investigation is further enhanced by the contributions of such recognized forensic scholars as William Bass and Arthur Bohannon

Modularity and the Motor theory of Speech Perception Michael Studdert-Kennedy, Ignatius G. Mattingly, 2014-01-02 A compilation of the proceedings of a conference held to honor Alvin M Liberman for his outstanding contributions to research in speech perception this volume deals with two closely related and controversial proposals for which Liberman and his colleagues at Haskins Laboratories have argued forcefully over the past 35 years The first is that articulatory gestures are the units not only of speech production but also of speech perception the second is that speech production and perception are not cognitive processes but rather functions of a special mechanism This book explores the implications of these proposals not only for speech production and speech perception but for the neurophysiology of language language acquisition higher level linguistic processing the visual perception of phonetic gestures the production and perception of sign language the reading process and learning to read The contributors to this volume include linguists psycholinguists speech scientists neurophysiologists and ethologists Liberman himself responds in the final chapter
