Shmuel Yosef Agnon

Sy Agnon:

A Simple Story Shmuel Yosef Agnon, 1999 A small town in southern Poland is the scene of this bittersweet romance set at the turn of the century Celebrated Israeli novelist S Y Agnon draws on techniques perfected by Gustave Flaubert and Thomas Mann to contrast the hero's romantic longings with the interest of bourgeois society Back cover **S. Y. Agnon**

Harold Fisch, 1975 A critical biography of S Y Agnon one of the central figures of modern Hebrew fiction The Fiction of S. Y. Agnon Baruch Hochman, 1970 First book in English to present a full scale evaluation of Agnon's achievements as a Hebrew novelist Twenty-one Stories Shmuel Yosef Agnon, 1973 **Agnon's Art of Indirection** Nitza Ben-Dov, 1993 This study demonstrates how Agnon combined traditional Hebrew lore modern literary devices and especially highly crafted dream sequences revealing subconscious motivations behind apparently fortuitous acts and decisions thus creating a unique narrative form reflecting the indeterminacy of human behaviour *The Centrifugal Novel* Stephen Katz, 1999 The study addresses a number of issues among them the importance that manuscripts and text editing have in our comprehension of fiction how Agnon composed some of his short works lending them an indeterminacy and force to serve as comments on the human condition In addition the final chapters demonstrate several approaches to the interpretation of *A Guest for the Night* from thematic linguistic and intratextual perspectives *Shira* Shmuel Yosef Agnon, 1996 Manfred Herbst a middle aged professor at the Hebrew University is bored He is bored with his studies with the petty squabbles of his academic colleagues and with his endlessly understanding wife Henrietta He spends his days and often his nights prowling the streets and alleys of Jerusalem searching for Shira the beguiling nurse he met at a hospital years ago Against the backdrop of 1930s Jerusalem a world on the brink of war Herbst wages his own war against the encroachment of age as he plunges deeper into fantasies sparked by the free spirited Shira *Shira* the last novel of Hebrew writer and 1966 Nobel Laureate S Y Agnon was unfinished at the time of his death in 1970 Agnon wrote two very different endings for this novel both of which are included here along with an afterword by Robert Alter **Two Tales** Shmuel Yosef Agnon, 2004 Two tales of love *Betrothed* portrays a teacher whose love for the sea leads him to the town of Jaffa Though many pursue him Rechnitz eschews romantic love for his studies until he can no longer resist *Edo and Enam* is set after World War II in Jerusalem and considers how love evolves throughout the course of a marriage **In the Heart of the Seas** Shmuel Yosef Agnon, 2004 *In the Heart of the Seas* follows Hananiah along with many rabbis and their wives on a spiritual journey to Palestine The trip is a test of courage and mirrors the daily trials and experiences of modern existence yet yields renewed faith *S.Y. Agnon* Shmuel Yosef Agnon, 1966 **Indebted** Yonatan Sagiv, 2016-12-31 *Indebted* Capitalism and Religion in the Writings of S Y Agnon is the first book to examine the oeuvre of Shmuel Yosef Agnon 1966 Nobel laureate in literature through a reading that combines perspectives from economic theory semiotics psychoanalysis narrative theory and Jewish and religious studies Sagiv outlines the vital role economy plays in the construction of religion subjectivity language and thought in Agnon's work and accordingly explores his

literary use of images of debt money and economy to examine how these themes illuminate other focal points in the canonical author's work excavating the economic infrastructure of discourses that are commonly considered to reside beyond the economic sphere Sagiv's analysis of Agnon's work renowned for its paradoxical articulation of the impact of modernity on traditional Jewish society exposes an overarching distrust regarding the sustainability of any economic structure The concrete and symbolic economies surveyed in this project monetary divine semiotic libidinal and literary are prone to cyclical crises Under what Sagiv terms Agnon's law of permanent debt the stability and profitability of economies are always temporary Agnon's literary economy transgressing traditional closures together with his profound irony make it impossible to determine if these economic crises are indeed the product of the break with tradition or alternatively if this theodicy is but a fantasy marking permanent debt as the inherent economic infrastructure of human existence Many of the author's narrators and characters be they more or less religious distrust money Unlike romantic ideas of art's transcendence the monetary sign does not enable one to entertain thoughts of an ideal truth Georg Simmel's famous description of the metaphysical quality of money elucidates the moment when money transforms from a means to an end in an all pervasive monetary economy thereby establishing a world of radical exchangeability As such money as exchangeability personified dictates a world devoid of eternal and intrinsic values Sagiv argues that this is precisely what troubles Agnon both as a religious thinker and as a modern writer

Agnon's Story Avner Falk, 2018-10-22 Agnon's Story is the first complete psychoanalytic biography of the Nobel Prize winning Hebrew writer S Y Agnon It investigates the hidden links between his stories and his biography Agnon was deeply ambivalent about the most important emotional objects of his life in particular his father teacher his ailing depressive and symbiotic mother his emotionally fragile wife whom he named after her and his adopted home land of Israel Yet he maintained an incredible emotional resiliency and ability to sublimate his emotional pain into works of art This biography seeks to investigate the emotional character of his literary canon his ambivalence to his family and the underlying narcissistic grandiosity of his famous modesty

Between Exile and Return Anne Golomb Hoffman, 2012-02-01 This innovative study of the modern Hebrew writer S Y Agnon offers new insight into his literary transformations of Jewish themes and sources With particular attention to Kafka Hoffman situates Agnon in the context of twentieth century literature and examines such central issues in Agnon's art as the relationship of the literary text to traditions of sacred writings the place of the book in culture and the relationship of writing to the body Agnon's writing moves between exile and return enacting dramas of presence and absence and attachment and loss From the images of sacred texts found in some of his short fiction to the ideological conflicts that inform his larger novels this book traces the geographical cultural sweep of Agnon's writing as it moves through Eastern and Western Europe positioning the Diaspora in relation to a Jerusalem that is both mundane and spiritual Hoffman examines the ways in which Agnon's writing produces an autobiographical myth that joins the figure of the writer to the life history of the larger community of Israel Moving from stories of writer and writing to the broader

cultural canvas of several major novels the author concludes with an analysis of the ways in which the fiction prompts interrogation of major cultural constructions concerning gender the formative passage of the subject through the Oedipus complex and the dissociation of culture from the body Selected Stories of S. Y. Agnon Shmuel Yosef Agnon,1970 *Only Yesterday* S. Y. Agnon,2019-02-26 When Israeli Nobel Laureate S Y Agnon published the novel *Only Yesterday* in 1945 it quickly became recognized as a major work of world literature not only for its vivid historical reconstruction of Israel's founding society The book tells a seemingly simple tale about a man who immigrates to Palestine with the Second Aliya the several hundred idealists who returned between 1904 and 1914 to work the Hebrew soil as in Biblical times and revive Hebrew culture This epic novel also engages the reader in a fascinating network of meanings contradictions and paradoxes all leading to the question what if anything controls human existence Seduced by Zionist slogans young Isaac Kumer imagines the Land of Israel filled with the financial social and erotic opportunities that were denied him the son of an impoverished shopkeeper in Poland Once there he cannot find the agricultural work he anticipated Instead Isaac happens upon house painting jobs as he moves from secular Zionist Jaffa where the ideological fervor and sexual freedom are alien to him to ultra orthodox anti Zionist Jerusalem While some of his Zionist friends turn capitalist becoming successful merchants his own life remains adrift and impoverished in a land torn between idealism and practicality a place that is at once homeland and diaspora Eventually he marries a religious woman in Jerusalem after his worldly girlfriend in Jaffa rejects him Led astray by circumstances Isaac always ends up in the place opposite of where he wants to be but why The text soars to Surrealist Kafkaesque dimensions when in a playful mode Isaac drips paint on a stray dog writing Crazy Dog on his back Causing panic wherever he roams the dog takes over the story until after enduring persecution for so long without understanding why he really does go mad and bites Isaac The dog has been interpreted as everything from the embodiment of Exile to a daemonic force and becomes an unforgettable character in a book about the death of God the deception of discourse the power of suppressed eroticism and the destiny of a people depicted in all its darkness and promise *A Guest for the Night* Shmuel Yosef Agnon,2004 Hailed as one of Agnon's most significant works *A Guest for the Night* depicts Jewish life in Eastern Europe after World War I A man journeys from Israel to his hometown in Europe saddened to find so many friends taken by war pogrom or disease In this vanishing world of traditional values he confronts the loss of faith and trust of a younger generation This 1939 novel reveals Agnon's vision of his people's past tragic present and hope for the future Cited by National Yiddish Book Center as one of The Greatest Works of Modern Jewish Literature The Wisconsin edition is not for sale in the Republic of Ireland South Africa or the traditional British Commonwealth excluding Canada *Biblical Parables and Their Modern Re-creations* Gila Safran Naveh,2012-02-01 In *Biblical Parables and Their Modern Re-creations* Gila Safran Naveh carefully charts the historical transformation of these deceptively simple narratives to reveal fundamental shifts in their form function and most significantly their readers cognitive processes Bringing together for the first time parables from

the Scriptures the synoptic Gospels Chassidic tales and medieval philosophy with the mashal the rabbinic parables commonly used to interpret Scripture this book brilliantly contrasts the rhetorical strategies of ancient parables with more recent examples of the genre by Kafka Borges Calvino and Agnon By using an interdisciplinary approach and insights from current semiotic linguistic psychoanalytic and gender theories Naveh reveals a dramatic social cultural and political shift in the way we view the divine

At the Handles of the Lock David Aberbach, 1984 This is the first serious attempt to analyse the development and variation of themes in the work of S J Agnon 1888 1970 winner of the Nobel Prize for literature in 1966 In particular the author looks at psychological themes allowing his approach to be determined by the nature and style of the works themselves rather than attempting to fit them into any one psychoanalytical framework
