The Magic Word, Studies in the Nature of Poetry. Ludwig Lewisohn Ludwig Lewisohn,1950 The Life and Work of Ludwig Lewisohn Ralph Melnick,2018-05-02 Biography of Ludwig Lewisohn s life until 1934 an imposing literary figure in America and Europe during the first half of the twentieth century An imposing literary figure in America and Europe during the first half of the twentieth century Ludwig Lewisohn 1882 1955 struggled with feelings of alienation in Christian America that were gradually resolved by his developing Jewish identity a process reflected in hundreds of works of fiction literary analysis and social criticism Born in Berlin Lewisohn moved with his family in 1890 to South Carolina Identified by others as a Jew he remained an outsider throughout his youth Lewisohn became a notable scholar and translator of German and French literature teaching at Wisconsin and Ohio State Following his mother s death in 1914 he began to explore the Jewish life he had rejected and by 1920 became a Zionist committed to fighting assimilation Accusatory and inflammatory his memoir *Up Stream* 1922 struck at the very heart of American culture and society and caused great controversy and lasting enmity As strong emotional influences the women in Lewisohn s life his mother and four wives helped to frame his life and work Believing himself liberated by the woman he declared his spiritual wife while legally married to another he proclaimed the artist s right to freedom in *The Creative Life* 1924 abandoned his editorship at *The Nation* and fled to Europe Lewisohn s fictionalized account of his failed marriage *The Case of Mr Crump* 1926 once again attacked the empty morality of this world and won Sigmund Freud s praise as the greatest psychological novel of the century A creator of one of Paris s leading salons Lewisohn ended his leisurely writer s life in 1934 to awaken America to the growing Nazi threat Poised to face the unfinished marital battle at home but anxious to engage in the coming struggle for Jewish survival and the future of Western civilization he set sail unsure of what lay ahead **The Magic Word** Ludwig Lewisohn,1950 Catalog of Copyright Entries. in enriching human understanding of the ecosystem And while he eloquently catalogues problems undermining the health of the earth in this age of the Anthropocene and the Capitalocene in his poetry he also holds on to the hope of a better future The book concludes that Osundare s optimism is what informs his use of poetry to press humankind to rise to the duty of salvaging the environment Deploying an interdisciplinary approach that stretches across the fields of literature religion geology physics economics and anthropology this book will be an important read for those looking for fresh ways to understand Osundare s poetry and African nature writing *Next Word, Better Word* Stephen Dobyns,2011 *The Poetry of Search and the Poetry of Statement* Dorothy L. Sayers,2006-01-01 Introducing the Dante Papers Trilogy Introductory Papers on Dante Further Papers on Dante The Poetry of Search and the Poetry of Statement The Poetry of Search with which the book opens puts forward the suggestion that controversy about what kind of thing poetry ought to be has tended to overlook the fact that there are two kinds of poetry corresponding roughly to the categories of Romantic and Classical but which she prefers to describe as the Poetry of Search and the Poetry of Statement The poet of search writes to find out what he feels Keats is an example and the poet of statement writes to tell what he knows and here Dante is the master Dante the Maker which follows discusses two examples of this method as poet of statement First how the whole of the Paradiso is built like a bridge between the first and the last terrains and how roads from all the other parts of the poem run together to one point from which to pass over that bridge secondly how from a single unadorned statement in the seventh canto the reader who shares Dante s background may construct a whole labyrinth of associated imagery turning and returning perpetually upon the central affirmation of fact in which a whole complex of meanings lies implicit **Toward a Holy Ecology** Ellen Bernstein,2024-02-20 The Song of Songs is among the most accessible of all biblical books It is also the most deeply ecological text of the canon yet few people are aware of the Song s ecological message The intention of *Toward a Holy Ecology* Reading the Song of Songs in the Age of Climate Crisis is to illuminate that message Today there is such urgency around our many earth crises so much brokenness that we need a vision of wholeness and an ecological language that can help inspire soothe and reinvigorate us and bring us together regardless of our various affiliations and ideologies The Song offers both ecological language and a vision It sets the natural world before us with intensity and beauty bidding us to savor it with all of our senses so that we may return to the world with the renewed clarity love and energy necessary to work toward a healthy future for the earth and all her inhabitants The Song is a particularly powerful book since it never utters the name of the divine yet is a deeply spiritual work that may reach people who are interested in matters of the sacred but prefer to steer clear of God language and conventional religious ideas In both the Jewish and Christian worlds where many people are disengaging from religion altogether the Song with its universal themes of love justice and the integrity of nature may help open the door to the possibilities which religion has to offer *Toward a Holy Ecology* Reading the Song of Songs in an Age of Climate Crisis seeks to engage a wide readership including all people who love the earth and its inhabitants outdoor
