Metaphor & Reality Philip Ellis Wheelwright,1962 **Metaphor & Reality. (Second Printing.).** Philip WHEELWRIGHT,1964 *Metaphor and Reality* Philip Wheelwright,1968 **Metaphor & Reality** Philip Ellis Wheelwright,1987 **Metaphor and Reality** Philip Ellis Wheelwright,1994 **Metaphor and Persuasion in Strategic Communication** Federica Ferrari,2018-10-10 This groundbreaking work adopts an alternative metaphor based approach to challenge unpack and redefine our understanding of persuasion and strategic communication and the extents to which they shape political discourse The book s theoretical and methodological grounding in metaphor allows for an alternative perspective on strategic communication but also a robust discussion of both persuasion and other kinds of related discursive processes at work in political communication including narrative identification and ideology The volume integrates case studies from prominent political discourses including those of George W Bush Jr Tony Blair and Barack Obama to highlight the crucial role of persuasion management and sustainability in the public sphere and the ways in which it might inform political action and change in a positive way Broadening our perception of the possibilities of persuasion and strategic communication this dynamic volume is key reading for students and scholars in communication studies political science rhetoric and cognitive linguistics **Metaphor and reality. 2nd pr** P. Wheelwright,1964 Strangers and Pilgrims Douglas R. McGaughey,2012-01-02 No detailed description available for Strangers and Pilgrims **The Production of Reality** Jodi O'Brien,2021-12-02 This popular text reader for the social psychology courses in sociology departments is distinguished by the author s engaging framing essays that open each part and an eclectic set of edited readings that introduce students to major thinkers and perspectives in this field Through the combination of essays and original works the book demonstrates how we make and remake our social worlds through our everyday interactions with one another The Seventh Edition features 10 new readings from the contemporary social psychology literature a streamlined organization and the option of either e book or print versions Political Language and Metaphor Terrell Carver,Jernej Pikalo,2008-03-04 Until a century ago a metaphor was just a mere figure of speech but since the development of discourse analysis a metaphor has become more than merely incidental to the content of the arguments or findings Students and scholars in political studies know the importance of metaphors in electoral and policy related politics coming across metaphors that are knowingly or unknowingly influencing our perception of politics This book is the first to develop new methodological approaches to understand and analyse the use of metaphor in political science and international relations It does this by Combining theory with case studies in order to advance substantive work in politics and international relations that focuses on metaphor Expands the range of empirical case studies that employ this category descriptively and also in explanatory logic Advances research that investigates the role of metaphor in empirical and discourse based methodologies thus building on results from other disciplines notably linguistics and hermeneutic philosophy This innovative study will be of interest to

students and researchers of politics international relations and communication studies **The Routledge Handbook of Metaphor and Language** Elena Semino,Zsófia Demjén,2016-11-03 The Routledge Handbook of Language and Metaphor provides a comprehensive overview of state of the art interdisciplinary research on metaphor and language and maps out future directions of research and practice in a variety of contexts in this field **Metaphors of Globalization** M. Kornprobst,V. Pouliot,N. Shah,R. Zaiotti,2007-12-14 By revisiting globalization using an analysis of metaphors such as global village and network society this volume sheds new light on overlooked dimensions of global politics redresses outdated conceptualizations and provides a critical analysis of existing approaches to the study of globalization **Metaphors of Consciousness** Ronald S. Valle,Rolf von Eckartsberg,2012-12-06 As we move into the 1980s there is an increasing awareness that our civilization is going through a profound cultural transformation At the heart of this transformation lies what is often called a paradigm shift a dramatic change in the thoughts perceptions and values which form a particular vision of reality The paradigm that is now shifting comprises a large number of ideas and values that have dominated our society for several hundred years values that have been associated with various streams of Western culture among them the Scientific Revolution of the seventeenth century The Enlightenment and the Industrial Revolution They include the belief in the scientific method as the only valid approach to knowledge the split between mind and matter the view of nature as a mechanical system the view of life in society as a competitive struggle for survival and the belief in unlimited material progress to be achieved through economic and technological growth All these ideas and values are now found to be severely limited and in need of radical revision *Theology and Practice in Early Christianity* Troy W. Martin,2020-08-12 Early Christianity did not originate in a vacuum but in a world of linguistic social religious and cultural richness and diversity The twenty two seminal essays in this volume some previously published some newly written represent almost three decades of research by Troy W Martin to understand how early Christianity developed in the ancient world The broad ranging investigations in these essays give attention not only to the linguistic and rhetorical features of early Christian texts but also to the social philosophical physiological and medical contexts in which these texts were written The essays provide new understandings of early Christian conceptions of salvation and of the virtues of faith hope and love that characterized early Christian communities They include new medical and physiological explanations of early Christian sacraments pneumatology and eschatology and furthermore investigate early Christian communal life and practice including the veiling of women male female relationships and time keeping The essays include reception histories that describe their influence on subsequent research and place them within the context of contemporary research and scholarship Those familiar with the well trodden ground of New Testament studies will find in these essays new insights and previously unexplored comparative material for understanding early Christianity and the world in which it originated *Time, Metaphor and Language* Sarah E. Duffy,Michele I. Feist,2023-11-23 This book explores how metaphoric conceptualizations of time arise from an interplay

between space context and individual characteristics Metaphor and Cognition Zhuanglin Hu, 2023-11-03 This book collects virtually all research perspectives on metaphor in the field of cognitive linguistics Moreover it presents a comprehensive range of research methods for metaphor including qualitative and quantitative methods and the combination of the two For example critical metaphor analysis metaphor interpretation metaphor experiments neuro method and so on are all explained in detail *Nietzsche as Affirmative Thinker* Yirmiyahu Yovel, 1986-02-28 English and German Includes index **Northrop Frye** International Symposium on Northrup Frye Studies, 2003-01-01 Drawn from papers given at an international symposium on Northrop Frye in Hoh Hot Inner Mongolia this volume offers insights into Frye's theoretical approaches and the new context provided by cross cultural questions **The Oxford Handbook of Metaphor in Organization Studies**, 2024-01-31 Metaphors for organization and management have been a subject of strong interest in the area of organizational studies since the 1980s Metaphors enhance the understanding of organizations and provide a mechanism for critiquing current practices increasing effectiveness and improving communication The Oxford Handbook of Metaphor in Organization Studies provides a comprehensive reference for researchers educators and managers The book comprises twenty nine chapters which are authored by over forty contributors many of whom have played major roles in the development of the field over the years The theoretical underpinnings of organizational metaphors are explored An array of metaphorical contexts for understanding management and organizations is presented The various uses of metaphor as a tool in research education and management are addressed as are the limitations of metaphors Finally future research directions related to metaphors in organizational studies and management are proposed Foucault and Religion Jeremy R. Carrette, 2000 This is the first major study of Michel Foucault in relation and response to religion It offers us a challenging new look at Foucault's work and addresses a religious dimension that has previously been neglected
