*Anti-Leftist Politics in Modern World History* Philip B. Minehan,2021-11-04 Systemic and political hostility against the left real and contrived has been a key yet under recognized aspect of the history of the modern world for the past two hundred years By the 1820s the new exploitative and destabilizing character of capitalist industrial production and its accompanying market liberalizations began creating necessities among

the working classes and their allies for the new self protective politics of socialism But it is evident that for the new economic system to sustain itself such oppositional politics that it necessitated had to be undermined if not destroyed by whatever means necessary Through the imperialism of the later 19th century and with significant variations this complex and often highly destructive dialectical syndrome expanded worldwide Liberals conservatives extreme nationalists fascists racists and others have all repeatedly come aggressively and violently into play against socialist oppositions In this book Philip Minehan traces the patterns of such hostility and presents numerous crucial examples of it from Britain France Germany and the United States the British in India European fascism the United States and Britain as they operated in China and Indochina from Kenya Algeria and Iran and from Central and South America during the Cold War In the final chapters Minehan addresses the post Cold War US led triumphalist wars in the Middle East the ensuing refugee crises neo fascism and anti environmentalist politics to show the ways that the syndrome within which anti leftist antagonism emerges in its neoliberal phase since the 1970s remains as self destructive and dangerous as ever *Remembering Che* Aleida March,2024-06-25

*Che* Guevara s widow remembers a great revolutionary romance tragically cut short by Che s assassination in Bolivia When Aleida March first met Che Guevara she was a twenty year old combatant from the provinces of Cuba he an already legendary revolutionary and larger than life leader And yet there was another more human side to Che one Aleida was given special access to first as his trusted compa era and later as the love of his life With great immediacy and poignancy Aleida recounts the story of their epic romance their fitful courtship against the backdrop of the Cuban revolutionary war their marriage at the war s end and the birth of their four children up through Che s tragic assassination in Bolivia less than ten years later Featuring excerpts from their letters nearly one hundred never before seen photographs from their private collection and a moving short story Che wrote for Aleida here is an intimate look at the man behind the legend and the tenacious courageous woman who knew him best a story of passionate love wrenching sacrifice and unwavering heroism

*Congo Diary* Ernesto Che Guevara,2022-11-15 Ernesto Che Guevara s diary of his revolutionary struggle in Congo alongside Cuban guerrillas In April 1965 Che Guevara set out clandestinely from Havana to Congo to head a force of some 200 veteran Cuban soldiers to assist the African liberation movement against Belgian colonialists four years after the assassination of the democratically elected socialist president of Congo Patrice Lumumba This diary deals with what Che admits was a failure and he examines every painful detail about what went wrong in order to draw constructive lessons for planned future guerrilla movements Unique among his books Congo Diary gives us Che s brutal honesty and his story telling ability as he recounts this fascinating episode of guerrilla warfare unblinkingly and without sugar coating or jargon Considered by some to be Che s best book it is also one of the few that he had a chance to edit for publication after writing it
