Mourning Glory:

Terror and Its Discontents Caroline Weber, 2003-01-01 Camille Desmoulins a journalist writing under the Montagnard regime of 1793-94 remarked that France's government had replaced the language of democracy with the cold poison of fear which paralyzed thought in the bottom of people's souls and prevented it from pouring forth at the tribunal or in writing How this happened how the Reign of Terror reached even into the realms of thought and language is the subject of Caroline Weber's book a revealing look into the paradoxical embargo on free expression that underpinned the Robespierrists self proclaimed despotism of liberty during the French Revolution Weber examines Jean Jacques Rousseau's and the Robespierrists articulation of a series of initiatives designed to curtail and control the dissemination of alternative political and philosophical messages in the republic Here Weber underscores the internal contradictions and limitations of an enterprise that promised universal freedom while oppressing particularism and that railed against the very language that it was compelled to adopt as a principal political tool The book then focuses on two eloquent contemporary critics of this phenomenon Desmoulins and the Marquis de Sade the infamous libertine author Weber demonstrates how Desmoulins reconfigured the Montagnard regime's rhetoric to conjure up a political system based on tolerance not terror and how Sade deftly parodied the Robespierrists brutality and hypocrisy proposing a republic based on the ruthless elimination of dissident voices and on the unabashed celebration of despotism and bloodshed A balanced account of how the discourse of totality actually restricted particular freedoms in the wake of the French Revolution this book provides a highly original and timely exposition of the political uses of rhetoric and of the links between language and power *Mourning Glory* Warren Adler, 2001 Grace Sorentino is an attractive woman approaching forty who is determined to secure a worry free future for herself and her daughter She concocts a plan to reinvent herself and snare a rich widower *Grace Sorentino*, 2003 10 110

Tragedy Vassiliki Panoussi, 2009-03-23 This book is a systematic study of the importance of Greek tragedy as a fundamental intertext for Vergil's Aeneid Vassiliki Panoussi argues that the epic's representation of ritual acts especially sacrifice mourning marriage and maenadic rites mobilizes a connection to tragedy The tragic ritual model offers a fresh look into the political and cultural function of the Aeneid expanding our awareness of the poem's scope particularly in relation to gender and presenting new readings of celebrated episodes such as Anchises games Amata's maenadic rites Dido's suicide and the killing of Turnus She interprets the Aeneid as a work that reflects the dynamic nature of Augustan ideology contributing to the redefinition of civic discourse and national identity In her rich study readers will find a unique exploration of the complex relationship between Greek tragedy and Vergil's Aeneid and a stimulating discussion of problems of gender power and ideology in ancient Rome
