**Has Political Correctness Gone Mad?** Tony McKenna, 2024-03-21 Woke social justice warriors lurk around every corner ready

to cancel free speakers and police common sense Muslims love nothing better than abolishing Christmas FemiNazi s throw false accusations at the pillars of our society Decried by right wing pundits and politicians alike the idea of political correctness is often painted as a form of left wing totalitarianism but in this pithy clear headed account Tony McKenna explains how the concept itself is in fact one of the great conspiracy theories of our times From the fear of cancel culture to the demonization of grassroots social movements this is a searing dissection of how the exclusionary agendas for so long played out in our media and party politics have been successfully dressed up as campaigns for freedom and common sense Tackling some of the favourite bogeymen of tabloids and scaremongers McKenna dissects the language rhetoric and ideology that turns refugees into insects social justice into wokery and makes predators out of anyone from dark skinned men to trans women He provides a full analysis of historically important social liberation movements like BLM and MeToo giving the historical and cultural contexts for their emergence As the tried and tested politics of stigmatization and exclusion shift from old targets to new this an explanation of one of society s most insidious narratives and how it allows dominant orthodox culture to cast the subjects of its oppressive tactics as the dreaded global liberal elite

**Hunting Hitler** Jerome R. Corsi, 2017-06-20 In 2009 three US professors with access to Adolf Hitler s alleged remains startled the world with scientific DNA proof that the skull and bones that Russia had claimed since the end of World War II were Hitler s actually belonged to a middle aged woman whose identity remains unknown This announcement has rekindled interest in the claim made by Joseph Stalin maintained to the end of his life that Hitler got away The truth is that no one saw Hitler and Eva Braun die in the bunker in Berlin on April 30 1945 No photographs were taken to document claims Hitler and Evan Braun committed suicide Hitler s body was never recovered No definitive physical evidence exists proving Hitler died in the bunker in Berlin Dr Jerome Corsi explores the historical possibility that Hitler escaped Nazi Germany at the end of World War II FBI and CIA records maintained at the National Archives indicate that the US government took seriously reports at the end of World War II that Hitler had escaped to Argentina More recent evidence suggests Hitler may have fled to Indonesia where he married and worked at a hospital in Sumbawa Even the chief of the US trial counsel at Nuremburg Thomas J Dodd was quoted as saying No one for sure can say Adolf Hitler is dead Putting massive amounts of evidence and research under a critical eye Dr Corsi shows that perhaps modern history s most tantalizing question has yet to be definitively answered Did Hitler escape Nazi Germany at the end of World War II to plot revenge and to plan the rise of the Fourth Reich Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we

publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home *Sustainable Governance of Wildlife and Community-Based Natural Resource Management* Brian Child, 2019-10-23 This book develops the Sustainable Governance Approach and the principles of Community Based Natural Resource Management CBNRM It provides practical examples of successes and failures in implementation and lessons about the economics and governance of wild resources with global application CBNRM emerged in the 1980s encouraging greater local participation to conserve and manage natural and wild resources in the face of increasing encroachment by agricultural and other forms of land use development This book describes the institutional history of wildlife and the empirical transformation of the wildlife sector on private and communal land particularly in southern Africa to develop an alternative paradigm for governing wild resources With the twin goals of addressing poverty and resource degradation in the world's extensive agriculturally marginal areas the author conceptualises this paradigm as the Sustainable Governance Approach which integrates theories of proprietorship and rights prices and economics governance and scale and adaptive learning The author then discusses and defines CBNRM a major subset of this approach Interweaving theory and practice he shows that the primary challenges facing CBNRM are the devolution of rights from the centre to marginal communities and the governance of these rights by communities a challenge which is seldom recognised or addressed He focuses on this shortcoming extending and operationalising institutional theory including Ostrom's principles of collective action within the context of cross scale governance Based on the author's extensive experience this book will be key reading for students of natural resource management sustainable land use community forestry conservation and development Providing practical but theoretically robust tools for implementing CBNRM it will also appeal to professionals and practitioners working in communities and in conservation and development

**How to Turkey Hunt , On the Hunt** Colonel David Hunt, 2007-04-03 So says Fox News military analyst Colonel David Hunt in a book that cuts like a buzz saw through the half measures and half truths the dangerous timidity and the outright stupidity that if left unchecked will lead America to lose the War on Terror In the hard hitting *On the Hunt* Colonel Hunt draws on his twenty nine years of active military service and his high level military and intelligence contacts to give an inside perspective on this global struggle setting him far apart from the usual pundits and talking heads Here he presents fifty pages of previously unpublished documents that reveal the chillingly detailed plans of the terrorists and insurgents who target Americans as well as U S tactics to stop our enemies From the Department of Homeland Security Get rid of it Scrap it to military leaders who have almost zero combat experience to risk averse politically correct strategic decision making Colonel Hunt pinpoints dire problems that need to be fixed before it's too late which it nearly is Offering real solutions that most politicians and pundits are too timid to talk about *On the Hunt* lays out specific steps to Win the war in Iraq by changing the way we fight by taking the gloves off and in doing so honoring the sacrifices our soldiers are making Deal with Iran North

Korea and other dangerous threats Solve the illegal immigration crisis and keep America's enemies from breaching our borders both of them Make our towns and cities more secure not by looking to the federal bureaucracy but by taking responsibility ourselves Protect the liberties of American citizens at home Ensure that our soldiers are trained and equipped to fight today's and tomorrow's wars As Colonel Hunt's millions of viewers on Fox News and all the readers of his bestselling book *They Just Don't Get It* will expect he pulls no punches while incisively analyzing a war unlike any other In *On the Hunt* Colonel Hunt reveals exactly how high the stakes really are in the War on Terror He condemns failed policies and the people who made them and yes he names names And most important he clearly identifies the strategies tactics and qualities of leadership that we must bring to bear to ensure the survival of the proud and free nation we love *On the Hunt* David Hunt, 2008-02 They Still Don't Get It Fox News military analyst Colonel David Hunt cuts like a buzz saw through the half measures and half truths the dangerous timidity and the outright stupidity that if left unchecked will lead America to lose the War on Terror Colonel David Hunt's book is a call to arms and a gut check If the American people don't demand protection from terror killers we won't get it *On the Hunt* lays out a clear strategy for our survival Bill O'Reilly Fox News Channel Clausewitz would read this great book and so should you With his bracing *On the Hunt* Colonel Hunt has told us how to win the War on Terror Our country would be a lot better off if we all take his words to heart do what he says and then buy another copy to send to your congressional representatives Bob Drury coauthor of *Halsey's Typhoon* Colonel Hunt is on top of his game in *On the Hunt* It's a no holds barred rant he skewers neocon moonbat and pencil pusher alike If you think the colonel's blunt on TV wait until you read him blistering the hacks of every stripe who are blowing the War on Terror and still don't get it Howie Carr radio host and bestselling author of *The Brothers Bulger* [The Hunt Ball](#) Rita Mae Brown, 2006-09-26 A rich atmospheric murder mystery rife with love scandal redemption greed and nobility raved the San Jose Mercury News about *Outfoxed* Rita Mae Brown's first foxhunting masterpiece In *The Hunt Ball* the latest novel in this popular series all the ingredients Brown's readers love are abundantly present richness of character and landscape the thrill of the hunt and the chill of violence The trouble begins at Custis Hall an exclusive girls school in Virginia that has gloried in its good name for nearly two hundred years At first the outcry is a mere tempest in a silver teapot a small group of students protesting the school's exhibit of antique household objects crafted by slaves and headmistress Charlotte Norton quells the ruckus easily But when one of the two hanging corpses ornamenting the students Halloween dance turns out to be real the body of the school's talented fund raiser in fact Charlotte and the entire community are stunned Everyone liked Al Perez or so it seemed yet his murder was particularly unpleasant Even Sister Jane Arnold master of the Jefferson Hunt Club beloved by man and beast is at a loss although she knows better than anyone where the bodies are buried in this community of land grant families and new money settlers Aided and abetted by foxes and owls cats and hounds Sister picks up a scent that leads her in a most unwelcome direction straight to the heart of the foxhunting crowd The chase is on not only for foxes but also

for a deadly human predator No one has created a fictional paradise more delightful than the rolling hills of Rita Mae Brown's Virginia countryside or has more charmingly captured the rituals of the hunt No one understands human and animal nature more deeply The Hunt Ball combines a rounded welcoming world with an edge of unforgettable white knuckled menace

**The Treasure Hunt** James J. Smith, 2011-12-15 Did you ever stop and wonder if you are living the life you were meant to live Did you ever wonder if you are living more for someone else's benefit than your own Are you just putting in your time doing what you are supposed to do Do you feel more like a passive observer watching life go by than a meaningful and creative force in your own life Do you sometimes feel lost and wonder what it's all about If you answered yes to even one of these questions maybe you are ready for a change Maybe now is the time to live your life the way you really want to without the guilt without the unnecessary struggle and most of all without the permission or cooperation from anyone else This is a book about the way life works From birth until death we strive to be ourselves while combating social forces that distort our efforts to be free However the socialization process doesn't have to impede our journey toward happiness as we move through our one and only life In this book you are encouraged to strive to fully experience your thoughts and feelings and rediscover your True Self in order to reach your full potential By becoming more in tune with yourself you are more likely to have satisfying relationships with others It is hoped that after reading this book you will feel happier with yourself and more excited about your future
