## **Politics And Government A Brief Introduction:**

Politics and Government, 1988      **Politics and Government** Lawrence S. Graham, 1994 A comparative introduction to politics and government this book aims to provide substantive knowledge about the political world to students who are new to the subject It covers several selected countries which have different political systems and it includes chapters concerned largely with the problems of establishing viable political systems in the former communist countries of East Europe and in the less well developed countries It begins with the US case and from that basis proceeds to other countries through comparison and contrast      **American Government** Theodore J. Lowi, Benjamin Ginsberg, Kenneth A. Shepsle, Stephen Ansolabehere, Hahrie Han, 2022-12-15 Think critically about American government      *American Government and Politics* Robert Singh, 2003-02-24 Written for all students of politics coming to the subject for the first time this textbook provides a lively and accessible introduction and guide to all the main features and characteristics of one of the most distinctive and complex political systems in the world      Politics and Government Alex N. Dragnich, 1987      **A Brief Introduction to US Politics** Robert J. McKeever, 2014-07-22 A Brief Introduction to American Politics provides a coherent and succinct account of how contemporary American politics blends enduring principles with the realities and demands of the present day Beginning with a brief overview of American society today the book introduces the constitutional framework of American politics and the fluid concept and practice of federalism It also covers the major features of the representative process looking at both elections and main players such as parties interest groups and the media Chapters on the major institutions of the federal government the presidency the Congress and the Supreme Court examines how they are simultaneously independent and constrained by each other Chapters on domestic and foreign policy demonstrate how government and politics work in connection with the system s main outputs A Brief Introduction to American Politics is a shorter version of Politics USA and is intended for students who need an introduction to the essential features of the American political system      **American Government** Theodore J. Lowi, Benjamin Ginsberg, Kenneth A. Shepsle, Stephen Ansolabehere, 2021-02-09 American Government A Brief Introduction teaches students to think for themselves A unique brief framework built around themes of governance and representation enables readers to understand how the concepts and processes of American government function in their daily lives New in text and online resources develop the skills required to interpret data and break down political information Students don t just learn the basics they discover how to think critically about the role American government plays in their own lives      British Politics: A Very Short Introduction Tony Wright, 2013-05-30 Tony Wright s Very Short Introduction to British Politics is an interpretative essay on the British political system rather than an abbreviated textbook on how it currently works He identifies key characteristics and ideas of the British tradition and investigates what makes British politics distinctive while emphasizing throughout how these characteristics are reflected in the way the political system functions Each chapter is organized around a key theme such as the constitution or political accountability

which is first established and then explored with examples and illustrations In this new edition Wright considers how the system has recently changed and continues to do so in light of the coalition government and the fall of New Labour as well as the impact of the financial crisis and issues such as terrorism and immigration
