Politics And Poetry In Restoration England:

Politics and Poetry in Restoration England Michael McKeon, 1975

The Cambridge Companion to John Dryden

Steven N. Zwicker, 2004-05-20 John Dryden Poet Laureate to Charles II and James II was one of the great literary figures of the late seventeenth century This Companion provides a fresh look at Dryden's tactics and triumphs in negotiating the extraordinary political and cultural revolutions of his time The newly commissioned essays introduce readers to the full range of his work as a poet as a writer of innovative plays and operas as a purveyor of contemporary notions of empire and most of all as a man intimate with the opportunities of aristocratic patronage as well as the emerging market for literary gossip slander and polemic Dryden's works are examined in the context of seventeenth century politics publishing and ideas of authorship A valuable resource for students and scholars the Companion includes a full chronology of Dryden's life and times and a detailed guide to further reading

Politics and Poetry in Restoration England Michael MacKeon, 1996

Politics and Language in Dryden's Poetry Steven N. Zwicker, 2014-07-14 This study of Dryden's poetic career addresses the nature of covert argument in an age of violently contested political and religious issues Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Politics, Poetics, and Hermeneutics in Milton's Prose David

Loewenstein, James Turner, 1990-04-26 This book explores the interconnections between Milton's politics poetics and prose writings

Women, Poetry, and Politics in Seventeenth-century Britain Sarah C. E. Ross, 2015 Women Poetry and Politics in Seventeenth Century Britain offers a new account of women's engagement in the poetic and political cultures of seventeenth century England and Scotland based on poetry that was produced and circulated in manuscript Katherine Philips is often regarded as the first in a cluster of women writers including Margaret Cavendish and Aphra Behn who were political secular literary print published and renowned Sarah C E Ross explores a new corpus of political poetry by women offering detailed readings of Elizabeth Melville Anne Southwell Jane Cavendish Hester Pulter and Lucy Hutchinson and making the compelling case that female political poetics emerge out of social and religious poetic modes and out of manuscript based authorial practices Situating each writer in her political and intellectual contexts from early covenanting Scotland to Restoration England this volume explores women's political articulation in the devotional lyric biblical verse paraphrase occasional verse elegy and emblem For women excluded from the public political sphere these rhetorically modest genres and the figural language of poetry offered vital modes of political expression and women of diverse affiliations use religious and social poetics the tropes of family and household and the genres of occasionality that proliferated in manuscript culture to imagine

the state Attending also to the transmission and reception of women s poetry in networks of varying reach Sarah C E Ross reveals continuities and evolutions in women s relationship to politics and poetry and identifies a female tradition of politicised poetry in manuscript spanning the decades before during and after the Civil Wars **The English Civil Wars in the Literary Imagination** Claude J. Summers, Ted-Larry Pebworth, 1999 Poetry and Sovereignty in the English Revolution Niall Allsopp, 2020 This book presents a new interpretation of the poetry of the English Revolution by focusing on royalist poets who left the cause behind following the execution of the king The Politics of Opera in Handel's Britain Thomas McGeary, 2013-04-25 Thomas McGeary s book explores the relationship between Italian opera and British partisan politics in the era of George Frideric Handel *The New Philosophy and Universal Languages in Seventeenth-century England* Robert E. Stillman, 1995 That saving form of knowledge as it develops in the lines of linguistic thought that extend from Bacon s Instauration to Wilkins s Philosophical Language is both a product of and one potent agent in producing the emerging scientistically designed modern state The Cambridge History of English Literature, 1660-1780 John Richetti, 2005-01-06 The Cambridge History of English Literature 1660 1780 offers readers discussions of the entire range of literary expression from the Restoration to the end of the eighteenth century In essays by thirty distinguished scholars recent historical perspectives and new critical approaches and methods are brought to bear on the classic authors and texts of the period Forgotten or neglected authors and themes as well as new and emerging genres within the expanding marketplace for printed matter during the eighteenth century receive special attention and emphasis The volume s guiding purpose is to examine the social and historical circumstances within which literary production and imaginative writing take place in the period and to evaluate the enduring verbal complexity and cultural insights they articulate so powerfully *The Princeton Encyclopedia of Poetry and Poetics* Roland Greene, Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, Harris Feinsod, David Marno, Alexandra Slessarev, 2012-08-26 Rev ed of The Princeton encyclopedia of poetry and poetics Alex Preminger and T V F Brogan co editors Frank J Warnke O B Hardison Jr and Earl Miner associate editors 1993

Literature and the Politics of Family in Seventeenth-Century England Su Fang Ng, 2007-01-25 A common literary language linked royal absolutism to radical religion and republicanism in seventeenth century England Authors from both sides of the Civil Wars including Milton Hobbes Margaret Cavendish and the Quakers adapted the analogy between family and state to support radically different visions of political community They used family metaphors to debate the limits of political authority rethink gender roles and imagine community in a period of social and political upheaval While critical attention has focused on how the common analogy linking father and king family and state bolstered royal and paternal claims to authority and obedience its meaning was in fact intensely contested In this wide ranging study Su Fang Ng analyses the language and metaphors used to describe the relationship between politics and the family in both literary and political writings and offers a fresh perspective on how seventeenth century literature reflected as well as influenced political thought

Dryden and Enthusiasm John West, 2018-02-13 In Dryden's writing enthusiasm is a source of literary authority. It signals divinely inspired literary creativity. It is central to Dryden's theoretical defences of the relationship between literature and the passions. It is also crucial to his poetic practice in a variety of genres from odes to religious poems to translations. Enthusiasm for Dryden ultimately enables literature to break into regions of knowledge beyond rational human comprehension. Yet after the rise of radical sectarianism in the 1640s and 1650s where claims of inspiration legitimised challenges to established political authority, enthusiasm also carried dangerous theological and political connotations. In Dryden's writing enthusiasm is thus also a pejorative term. It is used to attack political radicals and religious dissenters. In the aftermath of the Civil Wars it is at the root of many perceived threats to the stability of the Restoration state. This book explores the paradoxical place of enthusiasm in Dryden's writing and the role he conceived for it in art and society after the violent upheavals of the mid-seventeenth century. Works from across his oeuvre are explored from his early essays and heroic plays to his translations via new readings of his famous political and religious poems. These are read alongside other major writers of the period like Milton and less well-known authors such as John Dennis. The book suggests new ways of conceptualising the relationship between literary practice and ideological allegiance in Restoration England. It reveals Dryden to be a writer who was consistently interested in the limits of what literature could express, what feelings it could provoke and what it could make people believe at a time when such questions were of uncertain political importance.

John Milton, Radical Politics, and Biblical Republicanism Walter S. H. Lim, 2006 In analyzing how Milton reads and appropriates different biblical texts to give shape to his republican vision, this book also assesses his significance to the development of early modern English political thought, his conception of the English nation and finally his response to pressures exerted by a secular modernity grounded on international commercial activities. Jacket [Eighteenth-century Genre and Culture](#) Dennis Todd, Cynthia Wall, Paul J. Hunter, 2001-10 This collection of essays including contributions by Paula Backscheider, Martin C. Battestin and Patricia Meyer Spacks examines the relationship between history, literary forms and the cultural contexts of British literature from the late seventeenth to the late eighteenth century. Topics include print culture and the works of Mary Lady Chudleigh, the politics of early amatory fiction, Susanna Centlivre's use of plot novels by women between 1760 and 1788 and the connection between gender and narrative form in the criminal biographies of the 1770s. *Historicizing the Enlightenment, Volume 2* Michael McKeon, 2023-07-14 The Enlightenment has been misconceived as the culmination of traditional thought about art and literature. The focus of Volume 2 is instead the Enlightenment innovation of the modern concept of the aesthetic and its most important features which has been wrongly credited to later generations. *Excess and the Mean in Early Modern English Literature* Joshua Scodel, 2009-02-09 This book examines how English writers from the Elizabethan period to the Restoration transformed and contested the ancient ideal of the virtuous mean. As early modern authors learned at grammar school and university, Aristotle and other classical thinkers praised golden

means balanced between extremes courage for example as opposed to cowardice or recklessness By uncovering the enormous variety of English responses to this ethical doctrine Joshua Scodel revises our understanding of the vital interaction between classical thought and early modern literary culture Scodel argues that English authors used the ancient schema of means and extremes in innovative and contentious ways hitherto ignored by scholars Through close readings of diverse writers and genres he shows that conflicting representations of means and extremes figured prominently in the emergence of a self consciously modern English culture Donne for example reshaped the classical mean to promote individual freedom while Bacon held extremism necessary for human empowerment Imagining a modern rival to ancient Rome georgics from Spenser to Cowley exhorted England to embody the mean or lauded extreme paths to national greatness Drinking poetry from Jonson to Rochester expressed opposing visions of convivial moderation and drunken excess while erotic writing from Sidney to Dryden and Behn pitted extreme passion against the traditional mean of conjugal moderation Challenging his predecessors in various genres Milton celebrated golden means of restrained pleasure and self respect Throughout this groundbreaking study Scodel suggests how early modern treatments of means and extremes resonate in present day cultural debates *Poetic Prophecy in Western Literature* Jan Wojcik,Raymond-Jean Frontain,1984 In this collection of twelve essays the editors attempt to define the poet as prophet in Western literature and to select the general attributes of prophetic writing The essays focus in the main on the prophetic tradition in the English speaking world as well as on a sufficient number of writers outside that tradition to prove that all prophetic writing shares common features

Poetry and the Creation of a Whig Literary Culture 1681-1714 Abigail Williams,2005-03-24 Poetry and the Creation of a Whig Literary Culture offers a new perspective on early eighteenth century poetry and literary culture arguing that long neglected Whig poets such as Joseph Addison John Dennis Thomas Tickell and Richard Blackmore were more popular and successful in their own time than they have been since These and other Whig writers produced elevated poetry celebrating the political and military achievements of William III s Britain and were committed to an ambitious project to create a distinctively Whiggish English literary culture after the Revolution of 1688 Far from being the penniless hacks and dunces satirized by John Dryden and the Scriblerians they were supported by the patronage of the wealthy Whig aristocracy and their works promoted as a new English literature to rival that of classical Greece and Rome Poetry and the Creation of a Whig Literary Culture maps for the first time the evolution of an alternative early eighteenth century poetic tradition which is central to our understanding of the literary history of the period

Thank you for reading **Politics And Poetry In Restoration England**. Politics And Poetry In Restoration England Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Politics And Poetry In Restoration England free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Politics And Poetry In Restoration England free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for

instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Politics And Poetry In Restoration England free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Politics And Poetry In Restoration England. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Politics And Poetry In Restoration England any PDF files. With these platforms, the world of PDF downloads is just a click away.
