Politics And Power In South Asia:

South Asia Vishnu Prajapati,1998 **Politics and Power in South Asia** Vishnu Prajapati,2003 *Politics and Society in Southeast Asia* Peter A. Poole,2014-11-18 The Asian financial crisis of 1997 1998 caused severe hardship in Southeast Asia and many countries tightened their regulation of banks and other financial institutions adopted more conservative fiscal policies and made themselves less vulnerable to Western market fluctuations by forming closer trade and investment ties with their neighbors This book analyzes the major political and economic reforms that resulted from the Asian financial crisis looking particularly at how such reforms helped to prepare Asian countries for coping with the 2009 global recession In each of the ten country chapters the historical background social and political system economic development and foreign relations of each country are analyzed and compared with those of neighboring countries The concluding chapter looks ahead at the prospects for Southeast Asia in a more integrated Asian region Instructors considering this book for use in a course may request an examination copy here **Religion and the Legitimation of Power in South Asia** Smith,2022-04-25

Pathways to Power Arjun Guneratne,Anita M. Weiss,2013-12-19 Pathways to Power introduces the domestic politics of South Asia in their broadest possible context studying ongoing transformative social processes grounded in cultural forms In doing so it reveals the interplay between politics cultural values human security and historical luck While these are important correlations everywhere nowhere are they more compelling than in South Asia where such dynamic interchanges loom large on a daily basis Identity politics not just of religion but also of caste ethnicity regionalism and social class infuses all aspects of social and political life in the sub continent Recognizing this complex interplay this volume moves beyond conventional views of South Asian politics as it explicitly weaves the connections between history culture and social values into its examination of political life South Asia is one of the world s most important geopolitical areas and home to nearly one and a half billion people Although many of the poorest people in the world live in this region it is home also to a rapidly growing middle class wielding much economic power India Pakistan and Bangladesh together the successor states to the British Indian Empire the Raj form the core of South Asia along with two smaller states on its periphery landlocked Nepal and the island state of Sri Lanka Many factors bring together the disparate countries of the region into important engagements with one another forming an uneasy regional entity Contributions by Arjun Guneratne Christophe Jaffrelot Pratyoush Onta Haroun er Rashid Seira Tamang Shabnum Tejani and Anita M Weiss **Geopolitics of the South China Sea: Power Struggle in Asia** Güçyetmez, Ferdi,Kahraman, Aybala Lale,2025-03-19 The South China Sea stands as a pivotal maritime region exerting significant influence on international relations and global geopolitics The region s geopolitics are an intricate web of historical political and strategic factors A thorough analysis of the region s dynamics may also inform the impact of rising powers Therefore understanding of the South China Sea may lead to a better understanding of the broader context of international relations and global security Geopolitics of the South China Sea Power Struggle in Asia provides an exhaustive

analysis of the South China Sea's geopolitical importance elucidating the complex and dynamic interplay among the littoral states and other global powers with vested interests in the region Covering topics such as conflict de escalation international law and international visibility this book is an excellent resource for political scientists government officials diplomats policymakers professionals researchers scholars academicians and more

Dictionary of the Modern Politics of Southeast Asia Joseph Chinyong Liow, 2014-11-20 The past two decades since the end of the Cold War have been years of remarkable change and transformation for Southeast Asia Long seen as an arena for superpower rivalry Southeast Asia is increasingly coming into its own by locating itself at the forefront of regional integration initiatives that involve not only the Association of Southeast Asian Nations but major external powers such as the United States China India Japan and Australia as well At the same time the past two decades has seen the revival of old animosities as well as the emergence of new security challenges confronting the region Old animosities include unresolved territorial disputes while new challenges range from regional and global financial crises terrorism and pandemics Significant changes within the ten Southeast Asian countries covered in this book have also transpired that have affected not only the complexion of domestic politics but have also impacted regional diplomacy as well such as the creation of potentially the eleventh Southeast Asian country Timor Leste Extensively updated and revised in light of these changes and developments this fourth edition of Dictionary of the Modern Politics of Southeast Asia contains profiles of each Southeast Asian country Following this it provides more than 450 alphabetically arranged individual entries providing detailed accounts and analyses on major episodes and treaties political parties and institutions civil society movements and regional and international organizations Biographies of significant political leaders and personalities both past and present are also provided Entries are comprehensively cross referenced and an index by country directs readers to all entries concerning a particular country The Dictionary also includes an extensive bibliography that serves as a guide to further reading It is an essential reference tool for all scholars and students of Asian politics and international affairs and a vital resource for journalists diplomats policy makers and others with an interest in the region

South Asia in World Politics Devin T. Hagerty, 2005-03-11 South Asia in World Politics offers a comprehensive introduction to the politics and international relations of South Asia a key area encompassing the states of Afghanistan Bangladesh Bhutan India the Maldives Nepal Pakistan and Sri Lanka While U S interest has long been sporadic and reactive 9 11 alerted Washington that paying only fitful attention to one of the world's most volatile and populous regions was a recipe for everyday instability repeated international crises major and minor wars and conditions so chronically unsettled that they continue to provide a fertile breeding ground for transnational Islamic terrorism Exploring the many facets of this dynamic region the book also assesses U S policy toward Afghanistan and explains the importance of Bangladesh and Pakistan two of only a handful of Islamic states with significant track records as democracies

South Asia in Global Power Rivalry Imtiaz Hussain, 2019-06-07 This edited volume examines global power rivalry in and around South

Asia through Bangladeshi lenses using imperfect and overlapping interest concentric circles as a template Dynamics from three transitions the United States exiting the Cold War China emerging as a global level power and India s eastern interests squaring off with China s Belt Road Initiative BRI help place China India and the United States in alphabetical order in Bangladesh s inner most circle China India and the United States in a mid stream circle and the United States and Latin America among other countries in the outer most circle depending on the issue In an atmosphere of short term gains over riding long term considerations the desperate widespread search for infrastructural funding inside South Asia enhances China s value raises local heat releases new challenges with costly default consequences looming issue specific analysis overtaking formal bilateral relations and a stubborn uncertainty riddling the Bangladeshi air as its policy preferences stubbornly show more certainty *How Power Shapes Energy Transitions in Southeast Asia* Jens Marquardt,2016-12-01 An understanding of the role of energy related governance systems and the conditions required for a shift towards renewables in developing countries is urgently needed in order to tap into the global potential of low carbon development Although renewable energy sources have become technically feasible and economically viable social and political factors continue to persist as the most critical obstacles for their dissemination How Power Shapes Energy Transitions in Southeast Asia conceptualizes power for the field of sustainable energy governance Based on empirical findings from the Philippines and Indonesia the book develops an analytical approach that incorporates power theory into a multi level governance framework The book begins with a profound background on renewable energy development around the world and presents major trends in development cooperation A power based multi level governance approach is introduced that is rooted in development thinking Examining how coordination and power relations shape the development and dissemination of renewable energy technologies the book also shows how decentralization affects low carbon development in emerging economies Sparking debate on the ways in which energy transitions can be triggered and sustained in developing countries this book will be of great interest to students and scholars of renewable energy development and environmental politics and governance as well as practitioners in development cooperation **Power and Knowledge in Southeast Asia** Rommel Curaming,2019-10-10 Examining two state sponsored history writing projects in Indonesia and the Philippines in the 1970s this book illuminates the contents and contexts of the two projects and more importantly provides a nuanced characterization of the relationship between embodiments of power state dictators government officials and knowledge intellectuals historians history Known respectively as Sejarah Nasional Indonesia SNI and the Tadhana project these projects were initiated by the Suharto and Marcos authoritarian regimes against the backdrop of rising and competing nationalisms as well as the regimes efforts at political consolidation The dialectics between actors and the politico academic contexts determine whether scholarship and politics would clash mutually support or co exist parallel with one another Rather than one side manipulating or co opting the other this study shows the mutual need or partnership between scholars and political actors in these projects This book

proposes the need to embrace rather than deny or transcend the entwined power knowledge if the idea is for scholarship to realize its truly progressive visions Analyzing the dynamics of state scholar relations in the two countries the book will be of interest to academics in the fields on Southeast Asian history and politics nationalism historiography intellectual history postcolonial studies cultural studies and the sociology of knowledge **Education and Power in Contemporary**
