Johnson,1981-03-19

The Politics of Social Cohesion in Germany, France and the United Kingdom Jan Dobbernack, 2016-04-30 Across Europe the protection of social cohesion has become an important political objective This book draws attention to the connection between the cohesive society and the active society It explores France Germany and the United Kingdom and challenges the claim that the active conduct of problematic populations can save society from collapse **Christian Democracy in France (Routledge Revivals)** R. E. M. Irving, 2010-03-23 Christian Democracy which may briefly be defined as organised political action by Catholic democrats has been a major political force in Western Europe since the Second World War not least in France The aim of this book first published in 1973 is to trace the Development of Christian Democracy in France from its origins in the 1830s to the present day discussing its theories and its importance in French history and politics with particular but by no means exclusive reference to the Fourth Republic 1946-58 when the MRP was one of the key centre parties Dr Irving provides a thorough analysis of MRP its economic foreign and colonial policies and gives reasons for the relative decline of French Christian Democracy in the 1960s This French movement has been little understood in Britain and a thorough history has been badly needed This study will be valuable to all those who in the context of a United Europe wish to understand the political forces at work at its conception It will be valuable especially to students of modern history and politics **Information Sources in Politics and Political Science** Dermot J. T. Englefield, Gavin Drewry, 1984

Disordering the Establishment Lily Woodruff, 2020-05-26 Lily Woodruff examines the development of artistic strategies of political resistance in France in the decades following World War II showing how artists countered establishment ideology challenged traditional art institutions appealed to direct political engagement and grappled with French intellectuals modeling of society **Longman Handbook of Twentieth Century Europe** Chris Cook, J. Stevenson, 2014-09-19 The twentieth century was one of constant upheaval across Europe The continent saw wars revolutions and the collapse of empires and a range of leading figures from Stolypin and Stalin to Chirac Schroder and Putin This book provides a detailed yet wide ranging guide to the turbulent events of twentieth century Europe Covering the whole period from Tsarist Russia and Imperial Germany to the Balkan Wars of the 1990s and the final birth of the Euro in 2002 it provides a convenient user friendly compendium of key fact and figures for the whole of Europe from the Atlantic to the Urals **Comparative Politics** Jeffrey Kopstein, Mark Lichbach, 2000-08-15 This textbook provides students with the historical background needed to understand politics of today The Fifth French Republic Nicholas Atkin, 2017-10-07 At the time of its founding few predicted that the Fifth Republic would survive It is a regime whose obituary has been written several times over but which stubbornly refuses to die Adopting a chronological framework this up to date study examines how the regime emerged out of the chaos of the Algerian crisis how its political evolution has been very different from that envisaged by de Gaulle and why it has endured Nicholas Atkin explains the success of the Fifth Republic but likewise illustrates the underlying problems within it As the 2002 presidential elections have shown although there is little prospect of regime change liberal democracy is not in

a particularly healthy state While the political narrative takes centre stage Atkin also explores the key social economic and international developments which have shaped the modern history of France and affected its standing both in Europe and the rest of the world **Foreign Policy in World Politics** Roy C. Macridis,1985 A classic collection of authoritative essays on the foreign policies of major foreign powers **Politics and Society** Michael Rush,2014-06-06 First published in 1992 Rush and Althoff s An Introduction to Political Sociology was published in 1971 and has been out of print for some years In the meantime the scope of political sociology has broadened considerably and a number of its traditional concerns have benefited from further research and publication although some have suffered from relative neglect The present volume is not therefore a revised edition of the original book but a new and much more comprehensive piece of work covering a number of major themes not previously included Its purpose is to introduce students to the wide range of concepts themes and ideas now regarded as central to political sociology and to draw on the extensive research available [The Statesman's Yearbook 2014](#) B.
