*Conservative Suffragists* Mitzi Auchterlonie,2007-10-24 As the suffragette movement was becoming increasingly militant what was the Conservative reaction to successive parliamentary bills on women s suffrage and what was the level of support for votes for women within the Tory party After the 1867 Reform Bill Conservatives were hesitant about supporting further measures to widen the franchise Although a few party members supported John Stuart Mill s proposal for women s suffrage and some notable individual Conservative women were part of the early organised campaigns for female enfranchisement the period before the 1880s saw little interest in this issue among

the party faithful It was only when the grassroots Primrose League was created in 1883 that the suffrage question was taken up by a number of its women members One of the most significant gaps in our knowledge of the British women s suffrage movement is how the Conservative Party dealt with this controversial issue In this important reassessment of Conservative women s suffrage Mitzi Auchterlonie looks at the political activities of Conservative women between 1867 and 1914 As the campaigning by the women s suffrage societies intensified and became more militant Conservative suffragists responded by founding the Conservative and Unionist Women s Franchise Association CUWFA in 1908 This became the third largest women s suffrage party of the pre World War One period Auchterlonie looks at the activities of this organisation and its publication The Conservative and Unionist Women s Franchise Review in depth enabling readers to understand the social political economic and imperial issues which most concerned Conservative suffragists She charts their campaigning activities at local and national level using primary sources including memoirs of prominent Conservative supporters of women s suffrage She discusses the relationship between the CUWFA and politicians of all parties as well as their links with other suffrage organisations Auchterlonie concludes that Conservative women dismissed by some as marginal to suffrage history played a significant part in the suffrage campaigns while the party itself contained an unexpectedly diverse range of views towards the idea of votes for women Dictionary of British Women's Organisations, 1825-1960 David Doughan, Professor Peter Gordon, Peter Gordon, 2014-06-03 This dictionary is the first attempt to identify systematically the large heterogeneous group of women s organisations that grew up from the early 19th century up to the beginning of the modern women s movement from women abolitionists and Chartists through Social workers nurses suffragists and sexual reformers to women pilots journalists and cricketers The work brings together over 500 separate entities on a wide variety of societies associations clubs unions and other professional social and political bodies organised by women or for men John Keble in Context Kirstie Blair, 2004 This unique interdisciplinary and timely volume offers the first major reassessment of Keble s work for several decades and a comprehensive introduction to this key figure John Keble in Context provides a wide range of perspectives on Keble s place in politics and religion his writings and his influence on his literary heirs and successors

Everyone's Theater Michael Meeuwis, 2019-07-01 Nearly all residents of England and its colonies between 1860 and 1914 were active theatergoers and many participated in the amateur theatricals that defined late Victorian life The Victorian theater was not an abstract figuration of the world as a stage but a media system enmeshed in mass lived experience that fulfilled in actuality the concept of a theatergoing nation Everyone s Theater turns to local history the words of everyday Victorians found in their diaries and production records to recover this lost chapter of theater history in which amateur drama domesticates the stage Professional actors and playwrights struggled to make their productions compatible with ideas and techniques that could be safely reproduced in the home and in amateur performances from Canada to India This became the first true English national theater a society whose myriad classes found common ground in theatrical display Everyone s

Theater provides new ways to extend Victorian literature into the dimension of voice sound and embodiment and to appreciate the pleasures of Victorian theatricality

**Politics and Society** Peter Gordon, 2006-02-16 Louisa Mary Lady Knightley of Fawnsley was a woman of unusually wide interests especially in the field of public affairs In an age when few opportunities arose for women to make a contribution to political and feminist matters Lady Knightley was an early pioneer of both causes Denied the vote as a woman she was a leading advocate of the campaign for constitutional non militant action to achieve the franchise a cause which she continued to espouse until her death in 1913 Her later journals written with warmth and humour provide a fascinating picture of politics and society in England at a time of crucial change Her journals provide many insights into rural politics following the Reform Acts of 1884 and 1885 [A History of Western Educational Ideas](#) Professor Peter Gordon, Professor Denis Lawton, 2019-11-26 It is important that all those concerned with education parents teachers administrators and policymakers should have a reasonable understanding of the present system and how it has developed sometimes over a period of many years This work traces the development of Western educational ideas from the Greek society of Socrates Plato and Aristotle to the ideas and ideologies behind some of the controversial issues in education today This book discusses the continuous development of educational thought over three millennia The focus upon the history of ideas in this volume is partly an attempt to move history of education away from an approach based on great men to technological economic and political influences on ideas and beliefs It reviews many issues ranging from the purposes of education from the earliest times to the challenge of postmodernism in the present century The authors provide an accessible and thought provoking guide to the educational ideas that underlie practice

**Mellon** David Cannadine, 2021-06-02 A landmark work from one of the preeminent historians of our time the first published biography of Andrew W Mellon the American colossus who bestrode the worlds of industry government and philanthropy leaving his transformative stamp on each Andrew Mellon one of America s greatest financiers built a legendary personal fortune from banking to oil to aluminum manufacture tracking America s course to global economic supremacy As treasury secretary under Presidents Harding Coolidge and finally Hoover Mellon made the federal government run like a business prefiguring the public official as CEO He would be hailed as the architect of the Roaring Twenties but staying too long would be blamed for the Great Depression eventually to find himself a broken idol Collecting art was his only nonprofessional gratification and his great gift to the American people The National Gallery of Art remains his most tangible legacy

**The King is Dead, Long Live the King!** Martin Williams, 2023-04-13 A Country Life Best Book of the Year 2023 The Times Book of the Week I could read Martin Williams all day He is a staggeringly communicative historian this book throws shafts of light on recent history almost repeating itself giving vivid glimpses into monarchy and the way things were and are Compulsory reading Dame Joanna Lumley A social historian and gifted storyteller Williams is by turns moved and amused as he reflects on the poignancy and rituals of a nation united pretty much in grief The Times adroitly written told by Williams so skilfully and with

such silken prose that it is a pleasure to spend the time inside his head. The Oldie delightful details to rekindle this vanished epoch. Country Life Vivid panoramic skilfully written this gripping book is an insight into a time and an age. Kate Williams Martin Williams has written a fascinating and absorbing account of the Edwardian era the demise and funeral of the King and the iconic Black Ascot that followed it. He has brought a lost age grippingly to light. Hugo Vickers witty informative and immensely readable captures the spirit of the times. Miranda Seymour A tour de force. Dr Kate Strasdin We tend to think that Cecil Beaton single handedly invented the Edwardian Age. Martin Williams shows us succinctly and elegantly that perhaps it was the King himself. Nicky Haslam moves with unflagging wit and style. A fresh perspective on a brilliant life and a lost era beautifully evoked it is impossible not to be swept away by this gem of a book. Pure pleasure. Robin Muir a must have a wonderful and thought provoking read. The Historian a book about a changed and changing world trying to cope with even more change beautifully written and timely. The Catholic Herald resonates powerfully with our own recent experience of collective mourning. Williams describes the king's gradual demise in evocative detail. Air Mail Unforgettable as it was the public response to the death of Queen Elizabeth II in September 2022 was not without precedent. When her great grandfather King Edward VII glamorous cosmopolitan and extraordinarily popular died in May 1910 the political social and cultural anxieties of a nation in turmoil were temporarily set aside during a summer of intense and ritualised mourning. In The King is Dead Long Live the King Martin Williams charts a period of tension and transition as one era slipped away and another took shape. Witnessed by a diverse but interconnected cast of characters crowned heads and Cabinet ministers debutantes and suffragettes artists and murderers here is the swansong of Edwardian Britain. Set against a backdrop of bereavement and parliamentary crisis overshadowed by the gathering clouds of war we see a people caught between past and future tradition and modernity as they unite to bid farewell to a much loved monarch who had personified his age. From Buckingham Palace to Bloomsbury and from the lying in state in Westminster Hall to a now legendary Royal Ascot enveloped in black this is a vivid evocation of a world on the brink of seismic upheaval. *Measured by Soul: The Life of Joseph Carey Merrick (also known as 'The Elephant Man')* Jeanette Sitton & Mae Siu-Wai Stroshane, 2012. Though his physical and mental suffering was great he remained courageous. Measured by the Soul is lavishly illustrated with never seen before photographs of Joseph's life and Victorian times. This book also features interviews with modern patients who live with Proteus Syndrome as well as exciting news from Dr Leslie Biesecker of the National Institute of Health in Bethesda Maryland. Thanks to Dr Biesecker's research there is hope for new treatment of Proteus Syndrome and its ultimate cure. Proceeds from this book will benefit Proteus Syndrome treatment and research.
