

Samuel S. Epstein, M.D.

(with an Introduction by Congressman John Conyers, Jr.
and a Foreword by Congressman David Obey)

THE POLITICS OF CANCER *Revisited*

**In this book, world-cancer-expert Dr. Samuel Epstein indicts
the National Cancer Institute and the American Cancer Society
for responsibility in losing the cancer war —**

We are not winning the war against cancer. We are losing the war. The number of Americans getting cancer each year has escalated over recent decades, while our ability to treat and cure most common cancers has remained virtually unchanged.

Dr. Epstein states: "The National Cancer Institute and the American Cancer Society have misled and confused the public and Congress by repeated false claims that we are winning the war against cancer — claims made to create public and Congressional support for massive increases in budgetary appropriations."

The Politics of Cancer Revisited will make headlines as Dr. Epstein again comes head-to-head with the cancer establishment, disputing their claims with thorough documentation, clarifying misleading statistics, exposing budgetary shell games, and defining the political and economic reasons, rather than lack of scientific information, for the losing cancer war.

For the first time, the American public will find out the truth behind the much-acclaimed "War Against Cancer" in a thoroughly documented exposé of the policies and priorities of the cancer establishment — the National Cancer Institute (NCI) and the American Cancer Society (ACS). *The Politics of Cancer Revisited*
