Politics Of Compromise Coalition Government In Colombia

Susan Eva Eckstein

Politics Of Compromise Coalition Government In Colombia:

Politics of Compromise R. Albert Berry, Political Economy and Illegal Drugs in Colombia Francisco E. Thoumi, 1995

Colombia Harvey F. Kline, 2019-04-02 Although Colombia is the third largest country in Latin America it has been little known until recent years and does not fit many of the patterns common to other countries in the region Competition between political parties for example has always been more important than class conflict there is no tradition of military dictatorship and corporatist structures are weak Over the past decade however Colombia has gained notoriety principally as the supplier of 80 percent of the cocaine consumed in the United States The second edition of this comprehensive country profile begins with a discussion of the blend of Andean and Caribbean characteristics that define Colombia particularly in its geography demography and social structure The author then presents a detailed political history that extends from before the arrival of the Spanish including a portrait of early Amerindian populations and continues through the turbulence of guerrilla drug and paramilitary violence in the 1980s and constitutional reforms of the 1990s Harvey Kline argues that Colombia is now conscientiously attempting to alter historical patterns that have led it to play a key role in the international drug trade and to lead the world in the rate of homicides A chapter on the economy offers a historical analysis of its evolution and examines economic and trade policies of recent presidents Finally the author looks at the international dimension of Colombian politics especially its long standing relationship with the United States and its increasingly important regional ties **The Politics**

of Clientelism John Martz, 2017-12-02 In Latin America the state is the prime regulator coordinator and pace setter of the entire national system the apex of the pyramid from which patronage wealth power and programs flow The state bears responsibility for the realization of civic needs providing goods and services to each citizen Doing so requires the exercise and maintenance of social and political control It is John Martz's contention that clientelism underlines the fundamental character of Latin American social and political life As the modernizing bureaucratic state has developed in Latin America there has been a concurrent shifting away from clientelistic relationships Yet in one form or another political clientelism still remains central Clientelism occurs when large numbers of low status individuals such as those in the slums of rural and underdeveloped areas are protected by a powerful patron who defends their interests in return for deference or material reward In Colombia the rural patron has become a member of the higher clientelistic system as well he is dependent on a patron who operates at the national level This enables urban elites to mobilize low status clients for such acts as mass demonstrations of political loyalty to the regime Thus traditional clientelism has been modified through the process of modernization Part One of *The Politics of Clientelism* examines Colombian politics focusing on the incarnation and traditional forms of clientelism Part Two explores the policies of Colombian governance from the administrations of Lleras Camargo through Julio Cesar Turbay Ayala Part Three discusses the modernization and restructuring of Colombia in recent decades under Belisario Betancur Virgilio Barco and Cesar Gaviria As the modernizing bureaucratic state has unfolded there has been

a similar shift in many clientelistic relationships Martz argues that whether corporate clientelism remains or more democratic organization develops *From Frontier Town to Metropolis* Jane M. Rausch, 2007 Although Villavicencio the capital of the Department of Meta is located just 120 miles from Bogotá the mountains of the eastern Andean Cordillera lies between the two cities As a result after its founding in 1842 Villavicencio remained an isolated frontier outpost for more than one hundred years even though El Portal de la Llanura the Gateway to the Plains provided the principal access to Colombia's tropical plains Llanos a vast grassy region cut by tributaries connecting with the Meta and Guaviare rivers and eventually the Orinoco Nineteenth and twentieth century governments in Bogotá regarded the Llanos as the Eastern Lands of Promise underestimating the geographic and climatic obstacles to their development *From Frontier Town to Metropolis* recounts the history of the town and explains how by the twenty first century it became a thriving metropolis with a population nearing three hundred thousand During the next sixty years it became the principal urban center of the Llanos despite the continual presence of militant guerrillas paramilitaries and drug traffickers This book examines the developments that transformed Villavicencio drawing on data collected about the Colombian Llanos over a period of forty years Noted researcher Jane M Rausch offers a detailed treatment of the development of Villavicencio and the Department of Meta as a microcosm of Colombia's eastern frontier The book incorporates a wealth of research published in Spanish by Colombian scholars in the last twenty years and is the first history of Villavicencio available to English speaking scholars It considers the important topics of when a frontier is no longer a frontier and the role played by frontier images in contemporary nationalism

Chronicle of a Failure Foretold Harvey F. Kline, 2007 *Chronicle of a Failure Foretold* charts the progress and failure of Colombian President Andrés Pastrana's efforts to bring an end to sixty years of civil war Building Participatory Institutions in Latin America Lindsay Mayka, 2019-02-07 Explains how and why some national mandates for participatory policymaking develop into powerful institutions for citizen engagement Authoritarian Regimes in Latin America Paul H. Lewis, 2006 Strong colorful personalities who impose their will upon laws constitutions courts and congresses are an enduring feature of Latin American politics beginning with the violent regional bosses caudillos of the early nineteenth century and continuing with the hyper presidential systems of today Paul Lewis explores the origins of the region's authoritarian culture and the different types of regimes that have exhibited it Taking a student friendly chronological approach this thoughtful and accessible text begins with a brief overview of Latin America's Iberian heritage then describes the general breakdown of order and the rise of the caudillos following independence Lewis shows how the internal dynamics of caudillo politics have produced in one country after another either strong personalistic dictatorships or oligarchies that ruthlessly imposed order on their societies Order made economic growth and urbanization possible yet created great social injustices that spurred the development of mass politics The author describes the twentieth century upheavals that brought the people into the political arena resulting in a variety of revolutionary and counter revolutionary regimes that borrow their

inspiration from fascism and communism Balanced yet cautious about the future of democracy in the region this accessible book will be invaluable for courses on contemporary Latin America *Territorial Rule in Colombia and the Transformation of the Llanos Orientales* Jane M. Rausch, 2013-09-03 Until the 1980s Colombia's Llanos Orientales was a frontier a vast tropical grassland plain east of the Andes Populated mainly by indigenous people it was considered primitive by much of the rest of Colombia All of that changed when exploitable petroleum deposits were discovered and the Llanos was transformed into the fastest growing region in the country Rausch surveys sixty years of the area's history from La Violencia the civil war that rocked the country from 1948 to 1958 and the presidency of Rojas Pinilla who helped pacify the Llanos in the late 1950s to the National Front agreement between the Conservative and Liberal parties during the 1960s its aftermath and the rapid changes during the last half of the twentieth century Using archival research and her own first hand experiences Jane Rausch examines the Colombian government's Llanos policies and the political economic and social changes they have brought about This book brings to a strong conclusion Rausch's large scale historical survey of a region one sharing much in common with other South American frontiers and critical to Colombia's present and future **Global Capitalism,**

Democracy, and Civil-Military Relations in Colombia William Aviles, 2012-02-01 Through the lens of global capitalism theory William Avil's examines democratization and civil military relations in Colombia to explain how social and international forces led to the ostensibly contradictory outcome of democratic and economic reform coinciding with political repression Focusing on the administrations in power from 1990 to the present Avil's argues that the reduction in the institutional powers of the military within the state reflected changes in the structure of the global economy the emergence of globalizing technocrats and politicians and shifts in U S foreign policy strategies toward democracy promotion These same factors explain Colombia's establishment of a low intensity democracy a structure of elite rule in which the strategies of coercion state and para state repression and consensus competitive elections civilian control over the military maintain control and legitimacy In the age of capitalist globalization a low intensity democracy is most concomitant with neoliberalism establishing the political and economic environment most suitable to the investments of transnational corporations

Roads to Reason Richard E. Hartwig, 2010-11-23 Hartwig views the Colombian Ministry of Public Works applying a theoretical model of rationality and responsibility to view how policy failures were caused by faulty definitions of problems and mistaken approaches in building Andean Highways from 1922 1974 This book will interest those involved in policy administration organization theory and policy planning in both developed and developing countries **The Politics of**

Taste Ana María Reyes, 2019-11-15 In *The Politics of Taste* Ana María Reyes examines the works of Colombian artist Beatriz González and Argentine born art critic Marta Traba who championed González's art during Colombia's National Front coalition government 1958-74 During this critical period in Latin American art artistic practice art criticism and institutional objectives came into strenuous yet productive tension While González's triumphant debut excited critics who wanted to cast

Colombian art as modern sophisticated and universal her turn to urban lowbrow culture proved deeply unsettling Traba praised Gonz lez s cursi tacky recycling aesthetic as daringly subversive and her strategic localism as resistant to U S cultural imperialism Reyes reads Gonz lez s and Traba s complex visual and textual production and their intertwined careers against Cold War modernization programs that were deeply embedded in the elite s fear of the masses and designed to avert Cuban inspired revolution In so doing Reyes provides fresh insights into Colombia s social anxieties and frustrations while highlighting how interrogations of taste became vital expressions of the growing discontent with the Colombian state

Power and Popular Protest Susan Eva Eckstein,2023-11-15 Eclectic and insightful these essays by historians sociologists political scientists and anthropologists represent a range of subjects on the cause and consequence of protest movements in Latin America from an examination of the varying faces but common origins of rural guerilla movements to a discussion of multiclass protests to an essay on las madres de plaza de mayo This volume is an indispensable text for anyone concerned with reducing inequities and injustices around the world so that oppressed people need not be defiant before their concerns are addressed A new preface and epilogue discuss recent social movements Eclectic and insightful these essays by historians sociologists political scientists and anthropologists represent a range of subjects on the cause and consequence of protest movements in Latin America from an examination of the varying faces but com **RÃ³mulo Betancourt and the Transformation of Venezuela** Robert Jackson Alexander, *No Farewell To Arms?* Claude Welch,2019-04-11 In many contemporary nations particularly in Africa Asia and Latin America the armed forces play a major role in governing Historical economic and sociological factors have contributed to the political prominence of the military in developing countries Nevertheless in the 1980s several states in Latin America restored civilian rule followi Politics and Rationality William James Booth,Patrick James,Hudson Meadwell,1993 A collection of outstanding scholarship applying rational choice theory to three principal fields of political inquiry comparative politics international relations and political philosophy **From Military to Civilian Rule** Constantine P. Danopoulos,2024-09-30 Military disengagement from power in favour of a civilian government is not an uncommon phenomenon especially in the developing world First published in 1992 From Military to Civilian Rule is the first comparative study of the motives behind military withdrawal and the establishment of sustainable civilian rule Using case studies from Africa Central and South America the Caribbean and Europe written by regional specialists the book looks at the future of civil military relations in the post disengagement state It reviews the factors organizational societal and international necessary for maintaining civilian rule and it establishes conceptual themes common to the countries discussed This volume will appeal to academics and advanced students with interests in Third World Politics Latin American Politics and the role of the military in the State *Histories of Solitude* A. Ricardo López-Pedreros,Lina Britto,2024-03-19 By combining chronological coverage analytical breadth and interdisciplinary approaches these two volumes *Histories of Solitude* and *Histories of Perplexity* study the histories of Colombia over the last two centuries as

illustrations of the histories of democracy across the Americas The volumes bring together over 40 scholars based in Colombia the United States England and Canada working in various disciplines to discuss how a country that has been consistently presented as a rarity in Latin America provides critical examples to re examine major historical problems republicanism and liberalism export economies and agrarian modernization populism and cultural politics of state formation revolutionary and counterinsurgent Cold War violence neoliberal reforms and urban development popular mobilization and counterhegemonic public spheres political ecologies and environmental struggles and labors of memory and the challenge of reconciliation Contributors are sensitive to questions of subjectivity and discourse observant of ethnographic details and micro politics and attuned to macro perspectives such as transnational and global histories These volumes offer fresh perspectives on Colombia and will be of great value to those interested in Latin American and Caribbean history

The Challenge of Rural Democratisation Jonathan Fox, 2014-06-03 First published in 1990 The distribution of rural power in developing countries both shapes and is shaped by national politics Focusing on Latin America and the Philippines this volume addresses the question of why rural democratisation has proven to be so difficult across a wide range of national experiences

The Regional Dimension of the European Union Charlie Jeffery, 2015-03-24 Decision making within the EU has moved to a third regional level of government emerging in the EU policy process alongside the first Union and second member state levels Multi level governance can increasingly be identified These papers describe and analyse this third level

Politics Of Compromise Coalition Government In Colombia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Politics Of Compromise Coalition Government In Colombia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Politics Of Compromise Coalition Government In Colombia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual

property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Politics Of Compromise Coalition Government In Colombia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Politics Of Compromise Coalition Government In Colombia Books

1. Where can I buy Politics Of Compromise Coalition Government In Colombia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
