Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes

Gregory C. Chow, Dwight H. Perkins

Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes:

The Politics of Corruption in Contemporary China Ting Gong, 1994-02-28 This is the first original book length study of corruption in the People's Republic of China. The work relates the corruption issue to ongoing political processes and policies of the Chinese Communist Party by examining the broader context of social transformation, consolidation and modernization in post 1949 China. The study has a twofold goal: 1 to present fresh source material on corruption in China, much of it previously unavailable in the West; and 2 to provide an analysis of China's corruption using a novel approach: the policy outcomes perspective. More specifically, it examines three levels of policies adopted by the Chinese Communist Party: general policies, organizational policies, and anti corruption policies, to see how certain policy patterns have affected the identification of corruption, corruption forms, and anti corruption measures.

Corruption and Market in Contemporary China Yan Sun, 2018-08-06 Is corruption an inevitable part of the transition to a free market economy? Yan Sun here examines the ways in which market reforms in the People's Republic of China have shaped corruption since 1978 and how corruption has in turn shaped those reforms. She suggests that recent corruption is largely a byproduct of post Mao reforms spurred by the economic incentives and structural opportunities in the emerging marketplace. Sun finds that the steady retreat of the state has both increased mechanisms for cadre misconduct and reduced disincentives against it. Chinese disciplinary offices, law enforcement agencies, and legal professionals compile and publish annual casebooks of economic crimes. The cases processed in the Chinese penal system represent offenders from party, state agencies at central and local levels, as well as state firms of varying sizes and types of ownership. Sun uses these casebooks to illuminate the extent and forms of corruption in the People's Republic of China. Unintended and informal mechanisms arising from corruption may, she finds, take on a life of their own and undermine the central state's ability to implement its developmental policies, discipline its staff, enforce its regulatory infrastructure, and fundamentally transform the economy.

The SAGE Handbook of Contemporary China Weiping Wu, Mark Frazier, 2018-07-09 The study of contemporary China constitutes a fascinating yet challenging area of scholarly inquiry. Recent decades have brought dramatic changes to China's economy, society, and governance. Analyzing such changes in the context of multiple disciplinary perspectives offers opportunities as well as challenges for scholars in the field, known as contemporary China studies. The SAGE Handbook of Contemporary China is a two-volume exploration of the transformations of contemporary China, firmly grounded in the both disciplinary and China-specific contexts. Drawing on a range of scholarly approaches found in the social sciences and history, an international team of contributors engage with the question of what a rapidly changing China means for the broader field of contemporary China studies and identify areas of promising future research. Part 1: Context, History, Economy and the Environment; Part 2: Economic Transformations; Part 3: Politics and Government; Part 4: China on the Global Stage; Part 5: China's Foreign Policy; Part 6: National and Nested Identities; Part 7: Urbanization and Spatial Development; Part 8: Poverty and Inequality; Part 9: Social Change; Part 10: Future Directions for

Contemporary China Studies *Corruption and Anticorruption in Modern China* Qiang Fang,Xiaobing Li,2018-12-20

Corruption and Anti Corruption in Modern China collects essays from the scholars in their fields and examines the ongoing corruption in China by addressing this important topic from a historical perspective through a cooperative interdisciplinary research effort among Chinese American scholars interested in the subject Their scholarship makes a significant contribution through multi faceted components from different fields such as history economics political science criminal justice and popular culture The authors introduce and explore the theory and practice of policy patterns political systems and social institutions by identifying key issues in Chinese government and society contained within the larger framework of the international sphere This book describes a historical transition when the Chinese Communist Party CCP maintained its forceful control of cities while the middle class reluctantly sacrificed its rights in exchange for retaining their economic benefits To survive market economy the party leadership became more flexible and was able to adapt to economic and social change The CCP governments in our research responded to the rising demands and expectations of the society They were willing and able to cope with the middle class by making a few compromises and following certain legal procedures in exchange for continuing political support These practical comprises characterized a new political culture in PRC history since 1949 The book voices the complaints and resentments in the cities and interprets government policies and legal practices It emphasizes the consequence for governance human rights and commercial rule of law all of which threatens the legitimacy of the CCP It also suggests an important evolution of the CCP The reform movement since the 1980s has not yet contributed significantly to the country s democratic transformation or to its social stability The leaders in the 1990s focused on liberal economic reform while discouraging and even stifling political reform As a result economic interest groups successfully established an alliance with CCP officials to control economic policy making and to share political governance In the 2010s Chinese leaders have paid special attention to political scandals corruption and mismanagement in the government and in the Party

China's Legal Reform Keyuan Zou,2006 China s entry into the World Trade Organization WTO has had a tremendous impact on the development and reform of China s legal system This book focuses on the developments of China s legal system as well as its reform in the context of globalization It covers various topics including constitutional changes law based administration and more

Rent Seeking in China Tak-Wing Ngo,Yongping Wu,2008-12-04 In China rent seeking has been linked to the idea of the local developmental state in which rapid economic development is explained in terms of the promotion of village and township enterprises by local cadres who wants to maximize revenue At the same time the rent seeking state is also seen as the root of corrupt practices and in the creation of a political market where state assets and authorities are diverted into private interests Despite the prevalence of rent seeking practices in present day China no systematic study of the phenomenon across different regions and economic sectors has yet been undertaken and as such what accounts for the occurrence of the phenomenon what range of activities are related to rent seeking practices and more

importantly how rent seeking shapes political and economic development are barely understood Rent Seeking in China seeks to address these questions using case studies from across economics sectors including primary industry strategic industry heavy industry and light industry It will be invaluable reading for students and scholars of Chinese politics comparative politics and Chinese economic and business management

Routledge Handbook of the Chinese Economy Gregory C. Chow, Dwight H. Perkins, 2014-08-13 China's rapid rise to become the world's second largest economy has resulted in an unprecedented impact on the global system and an urgent need to understand the more about the newest economic superpower The Routledge Handbook of the Chinese Economy is an advanced level reference guide which surveys the current economic situation in China and its integration into the global economy An internationally renowned line up of scholars contribute chapters on the key components of the contemporary economy and their historical foundations Topics covered include the history of the Chinese economy from ancient times onwards economic growth and development population the labor market income distribution and poverty legal political and financial institutions and foreign trade and investments Offering a cutting edge overview of the Chinese economy the Handbook is an invaluable resource for academics researchers economists graduate and undergraduate students studying this ever evolving field

Handbook of the Politics of China David S.G. Goodman, 2015-11-27 The Handbook of the Politics of China is a comprehensive resource introducing readers to the very latest in research on Chinese politics David Goodman provides an introduction to the key structures and issues providing the foundations on which later learning can be built Including a comprehensive bibliography it is an ideal reference work for undergraduate and postgraduate students and academics The Handbook contains four sections of new and original research dealing with leadership and institutions public policy political economy and social change and international relations Each of the 26 chapters has been written by a leading internationally established authority in the field and each reviews the literature on the topic and presents the latest findings of research Presenting the state of the art of the field this reader oriented Handbook is an essential primer for the study of China's politics

China's Civil Service Reform Wang Xiaoqi, 2012-05-04 A market economy and a more liberal society have brought great challenges to China's outdated governance structure and personnel management To improve decision making in government and reshape the management system in face of a more complex economy post Mao authorities have implemented a number of administrative reforms including civil service reform which emphasized on selecting and promoting public officials based on their capability and work performance Thousands of positions have been filled since the civil service system was implemented nationwide in 1993 The Chinese civil service reform is of far reaching significance because it had the potential to be a departure from the established structure of cadre personnel management system developed in the 1950s However after several years of policy development scholars observe that the new reforms have done little to undermine the old cadre system Is this true Or does this conclusion over simplify the complicated implementation of the reforms This book examines

the implementation and performance of the on going civil service reforms in China Using the principal agent framework the author draw upon key case studies showing how the reforms affect civil servants incentives and behavior in the local context and the Chinese leadership s control over the bureaucracy China s reform experience speaks directly to many Asian countries facing urgent need to improve state capacity as the global financial crisis unfolds The War on Corruption in China Sunny L. Yang,2022-12-30 Having engaged in an intensified war against corruption for more than four decades since the period of reform and opening up China is now at a turning point in its anti corruption agenda Many believe that building government integrity has been a top down process in China and the anti corruption strategies taken by the current administration seem to have confirmed it This book challenges the view by analyzing local anti corruption innovations in recent years and argues for the importance of bottom up efforts in controlling corruption The book attempts to answer the question of whether the rise of local anti corruption innovations has helped China to pursue anti corruption reform more effectively and if so why It proceeds to analyze the major patterns of local anti corruption innovations the ways in which they have been initiated and implemented and the factors influencing their success or failure The book includes more than 400 cases of local innovative anti corruption reforms in China in recent years This book will be a useful reference for those interested in learning more about anti corruption studies and also contributes to the study of corruption and anti corruption reform in China by providing solid and fresh evidence of anti corruption innovation by local governments **Why Is The China Model Losing Its Power? - Challenges And Opportunities Of The Second Global Competition** Jinghao Zhou,2020-07-23 History has

proved that communism failed at many levels during the first global competition between the capitalist and socialist camps during the Cold War As a result the socialist camp was dissolved China is one of the few communist countries to survive in the twenty first century The Chinese economy was on the verge of collapse in the 1970s but began to take off in the early 1980s guided by the China model China became the world s second largest economy in 2010 and has quickly expanded its enormous global market and political influence The second global competition between the capitalist countries and China has started The second global competition is in fact between the China model and the Washington Consensus Will Western hegemonies end as the result of the second global competition Will China be able to rewrite the international rules Will the Chinese communist political system collapse during the competition What should the West do to the China model This book will explore the implications of the China model in the context of the second global competition and argues that the downturn of the China model and China s global expansion are the two sides of the same coin The China model is losing its power but not broken China would be able to become even stronger if it could reshape the philosophical foundation of the China model The future of Western hegemony will depend on how the West understands the China model and deals with it This book addresses these aspects and more Handbook of China's Governance and Domestic Politics Chris Ogden,2013-01-03 This Handbook provides an in depth overview of how China is governed how its domestic political system functions and the

critical issues that it currently faces Governed by the world's largest political party in the world's longest ruling Communist regime China is undergoing a transitional period of rapid economic and social development How this period is managed will have significant implications for the Chinese state and its population concerning China's governance structures and economy as well as the country's justice public health education and internal external security concerns This transition to a modern state is not without its challenges particularly in terms of how the Chinese state deals with diverse issues such as social inequality corruption separatism increasing individualism and political reform China's governance and domestic politics also have possible major global consequences especially in the context of China's continued rise within the international system This Handbook will improve understandings of the core national dynamics of this rise and as levels of international interdependence with China increase can offer vital insights concerning China's domestic attributes Gaining a better knowledge of China's internal workings can also help better appreciate the multiple and varied problems that China's leaders will face in the coming decades Critically many of the core internal issues facing China also have potential external repercussions principally in terms of rising social unrest nationalism environmental degradation resource shortages and attitudes towards globalization This book aims to cover these issues and will help readers to fully comprehend China's ongoing contemporary global significance

An Ineluctable Political Destiny Forest C. Sun, 2023-06-19 This book offers comprehensive review and analysis of official corruption in post Mao China arguing that this complex political and social malaise is the consequence of a variety of contributing factors which include political social traditional cultural or structural institutional governance or policy failures This study distinguishes itself from the methodologies of other studies by classifying corruption into detailed categories and sub categories accompanied by abundant cases and examples of the irregularities and offences Contents are organized into four categories bureaucratic corruption regulatory corruption corruption in judiciary and corruption characteristic of socialist reform China and each category is further divided into detailed subcategories to pin down the patterns actors loci as well as inducements of corruption originated from either political institutions economic structures or sociocultural norms Given its comprehensiveness and in depth of information and analysis this book is a useful reference for those interested in political and government corruption in post Mao China

Party Vs. State in Post-1949 China Shiping Zheng, 1997-07-13 This book provides the most comprehensive analysis of one of the most important issues in China today the tensions between the Chinese Communist Party and the Chinese state legislative judicial administrative and military institutions Taking the neo institutionalist approach the author suggests that the Communist Party in post 1949 China faces an institutional dilemma the Party cannot live with the state and it cannot live without the state Zheng demonstrates that it is not only conceptually constructive but analytically imperative to distinguish the state from the Communist Party Secondly he integrates detailed study with broader generalizations about Chinese politics thus making efforts to overcome the tendency toward specialized scholarship at the expense of comparative and

systemic understanding of China He also opens a new dimension of Chinese politics the uncertain and conflictual relationship between the Communist Party and the Chinese state

China Review 1996 Maurice Brosseau, Suzanne Pepper, Shu-ki Tsang, 1996

Understanding China John Bryan Starr, 2001-03-14 Derived from a course on contemporary Chinese politics taught at Yale where he was head of Yale's China Association Starr is now director of the Annenberg Institute for School Reform at Brown U this revised edition of the 1997 text offers an overview of the geography political systems power structure and economic makeup of China before turning to problem areas such as environmental pollution ethnic separatism population growth urban and rural concerns China's relations with Taiwan Hong Kong and Macao and its broader economic political and strategic relations round out this study which is supplemented with maps and tables Annotation copyrighted by Book News Inc Portland OR

The Price of China's Economic Development Zhaohui Hong, 2015-07-21 This work provides a theoretically sophisticated analysis of major political social economic and cultural trends in China Roger des Forges author of Chinese Walls in Time and Space The People's Republic of China has experienced significant transformations since Deng Xiaoping instituted economic reforms in 1978 Subsequent leaders continued and often broadened Deng's policies shifting the nation from agrarianism to industrialism from isolation to internationalism and from centralized planning to market based economics As the world strives to understand the nation's rapid development few observers have comprehensively examined the social and cultural price of the economic boom for the majority of the Chinese people Zhaohui Hong assesses the sociocultural consequences of these reforms in this provocative study He contends that modern China functions as an oligarchy or plutocracy ruled by an alliance of political power and private capital where the boundaries between the private and public sectors are constantly shifting This power capital institution based on three millennia of Confucian ideology and decades of Maoist communism exercises monopolistic control of public resources at the expense of civil society and social justice for the majority of citizens The Price of China's Economic Development urges policymakers to alter their analytic lens While industrial and commercial development is quantitatively measured Hong argues that social progress should be assessed qualitatively with justice its ultimate goal and fair allocation of resources and opportunity as the main index of success This sophisticated analysis introduces English speakers to the varied and significant work of contemporary Chinese scholars and substantially enriches the international dialogue Presents a new perspective on China's economic growth and ongoing political problems Xiaobing Li author of China's War in Korea

The Party Leads All Jacques deLisle, Guobin Yang, 2022-09-27 Examining the past current and potential future roles of the Communist Party in governing China The Chinese Communist Party and its policies touch nearly every aspect of life in China and dominate some An often quoted current phrase one with roots in the era of Mao Zedong says the Party leads all Under the leadership of Xi Jinping the Party determines much of what is permitted and prohibited in the country's social economic and political activity as well as China's increasingly consequential foreign relations Even so the Communist Party always has faced limits on what

it can control and it may encounter new obstacles ahead This book addresses important questions about the current and future roles of the party Has Xi s tenure brought a qualitative increase in the pursuit or achievement of party control How is party rule shaped and exercised by internal party dynamics the party s control over the state society economy foreign affairs government institutions and rules and ideology How serious are the threats to party strength and success posed by Xi s approach to power corruption in the party s ranks a rapidly changing society a fraught international environment or a possibly overly ambitious agenda for party control Leading scholars examine these questions from several disciplinary perspectives each focusing on a key area of the party and its efforts to lead control or influence the world around it This book offers the most comprehensive and up to date assessment of the party s roles in China s economy government civil society legal system military affairs and foreign policy It does so at a critical moment with the full contours of the Xi Jinping era in China becoming more evident and as the CCP reaches its 100th anniversary and nears three quarters of a century in power It will be essential reading for all scholars students and policy makers interested in contemporary China

Elites and Governance in China Xiaowei Zang, Chien-wen Kou, 2013-09-13 This book reveals the complex relationship between elite perceptions and behaviour and governance in China It moves away from existing scholarship by focusing on functionaries grass roots elites leading intellectuals and opinion makers in China and by looking beyond the top leadership makes a significant contribution to our understanding of shared governance and broadened political participation in China The chapters in this collection explore the elites role as opinion makers technical experts producers of knowledge and executives or managers and pose a number of questions the answers to which are crucial to understanding future political and economic development in China What are elite perceptions of governance inequality and justice what do the elites mean by good governance what is the influence of non Chinese Communist Party elites in policy making and implementation in China how have they exerted their influence in the PRC and influenced its direction of future development and what have grass roots elites contributed to governance in local communities Providing a keen insight into the role elites have played in governing China since 1978 this book is a pioneering effort to bring together elite studies and governance studies As such it will be highly relevant for policy makers within international organizations governments and NGOs outside China as well as appealing to scholars and students interested in Chinese politics and governance

Crises in Authoritarian Regimes Jörg Baberowski, Martin Wagner, 2022-01-19 Krisen offenbaren die Fragilit t der Ordnung und fordern die Macht heraus Wie gehen autorit re Regime mit ihnen um Welche St rken und Schw chen zeigen sie in der Krisenbew ltigung verglichen mit demokratischen Ordnungen Wie l sst sich ihre Anpassungsf higkeit und Persistenz erkl ren Die Beitr ge dieses Bandes verbinden die Sichtweisen von Politikwissenschaft Geschichte Literaturwissenschaft Soziologie und Regionalwissenschaften auf gegenw rtige und untergegangene Regime in Afrika Ost und Zentralasien Ost und Westeuropa und Lateinamerika Die Fallstudien beleuchten die Verdichtung autorit rer Herrschaft in der Krise die meist zwei kontr re Ziele verfolgt die Stabilit t

Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes Introduction

In today's digital age, the availability of Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a

nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes books and manuals for download and embark on your journey of knowledge?

FAQs About Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities,

enhancing the reader engagement and providing a more immersive learning experience. Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes is one of the best book in our library for free trial. We provide copy of Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes. Where to download Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes online for free? Are you looking for Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes PDF? This is definitely going to save you time and cash in something you should think about.
