

Politics Of Divided Government

Alberto Alesina, Howard Rosenthal

Politics Of Divided Government:

The Politics of Divided Government Gary W. Cox, Samuel Kernell, 2019 Partisan conflict between the White House and Congress is now a dominant feature of national politics in the United States What the Constitution sought to institute a system of checks and balances divided government has taken to extremes institutional divisions so deep that national challenges like balancing the federal budget or effectively regulating the nation's savings and loans have become insurmountable In original essays written especially for this volume eight of the leading scholars in American government address the causes and consequences of divided party control Their essays written with a student audience in mind take up such timely questions as Why do voters consistently elect Republican presidents and Democratic congresses How does divided control shape national policy on crucial issues such as the declaration of war How have presidents adapted their leadership strategies to the circumstance of divided government And how has Congress responded in the way it writes laws and oversees departmental performance These issues and a host of others are addressed in this compact yet comprehensive volume The distinguished lineup of contributors promises to make this book must reading for both novice and serious students of elections Congress and the presidency

The Politics Of Divided Government Gary W. Cox, Samuel Kernell, 1991-11-11 In this survey of current and controversial issues affecting US governance today leading scholars examine various aspects of divided government from institutional concerns to issues such as the budget deficit to provide an analysis of contemporary American politics

Divided Government Morris P. Fiorina, 1996 The 1994 Mid Term elections the Republican Revolution that returned control of both Houses of Congress to the Republicans for the first time in over 40 years returned us to the state of divided government that has been the political norm since the 1950s In this timely new revision of his instant classic Morris Fiorina outlines the causes and consequences of ticket splitting and divided government

Partisan Politics, Divided Government, and the Economy Alberto Alesina, Howard Rosenthal, 1995-01-27 This book develops an integrated approach to understanding the American economy and national elections Economic policy is generally seen as the result of a compromise between the President and Congress Because Democrats and Republicans usually maintain polarized preferences on policy middle of the road voters seek to balance the President by reinforcing in Congress the party not holding the White House This balancing leads always to relatively moderate policies and frequently to divided government The authors first outline the rational partisan business cycle where Republican administrations begin with recession and Democratic administrations with expansions and next the midterm cycle where the President's party loses votes in the mid term congressional election The book argues that both cycles are the result of uncertainty about the outcome of presidential elections Other topics covered include retrospective voting on the economy coat tails and incumbency advantage A final chapter shows how the analysis sheds light on the economies and political processes of other industrial democracies

Divided Government Peter F. Galderisi, Roberta Q. Herzberg, Peter McNamara, 1996 As the

relationship between the executive and legislative branches of the federal government becomes increasingly hostile more Americans are wondering whether national politics can be described as gridlock or good government This provocative and insightful collection of original essays provides answers by exploring the complicated nature and multiple implications of divided government in the United States The distinguished contributors analyze the consequences of the 1992 and 1994 elections and argue that discussions of divided government are too narrowly focused on the issue of partisan division of governmental institutions Divided Government convincingly shows how political scientists have downplayed the significance of Constitutional rules legislative policy disaggregation and the decline of party organization They conclude that divided government in its broader institutional context will continue regardless of which parties control the different branches

The Politics of the Presidency Joseph A. Pika, John Anthony Maltese, Andrew Rudalevige, 2016-01-04 The Politics of the Presidency maintains a balance between historical context and contemporary scholarship on the executive branch providing a solid foundation for any presidency course Get the most up to date coverage and analysis in this comprehensive and accessible text Authors Joseph A Pika and John Anthony Maltese are joined for the Ninth Edition by noted scholar Andrew Rudalevige as they present a thorough analysis of the change and continuity in the presidency during Barack Obama s two terms in an entrenched partisan environment discuss the competitive setting for the upcoming 2016 election and look at the challenges and opportunities a new president will soon face

The Politics of Coalition in Korea Youngmi Kim, 2011-04-05 This book examines how inter and intra party coalition building affects governability in South Korea Focusing on the Kim Dae jung administration 1998 2003 as a case study in the failure of a government to turn electoral success into stable governability or ability to implement reform policies the book s research draws on two bodies of literature which though focusing on the same dependent variable cabinet or government stability have rarely been used in tandem coalition research on parliamentary systems and studies of divided government in presidential systems Youngmi Kim argues that a weak institutionalization of the ruling party and the party system accounts for political instability and inefficient governability in Korea and in doing so her study makes a number of key contributions to the field Theoretically it proposes a framework which integrates a rationalist approach with one that acknowledges the role of political culture It further enhances the understanding of factors affecting governability after coalition building across regime types and aims to build on recent demands for broader cross regime analysis of minority divided government and of the determinants of governability This has important comparative implications as coalition building within semi presidential systems has occurred in other post authoritarian contexts The book finally provides a new dataset which fills a gap in a field where Western cases constitute the main focus of research The Politics of Coalition in Korea will be of interest to students and scholars of Korean studies Korean politics Asian studies and Asian politics Youngmi Kim is Assistant Professor at the Departments of Public Policy and International Relations and European Studies at Central European University Budapest Hungary

Divided

Government in Comparative Perspective Robert Elgie, 2001-11-08 Divided government occurs when the executive fails to enjoy majority support in at least one working house of the legislature To date the study of divided government has focused almost exclusively on the United States However divided government occurs much more widely It occurs in other presidential systems Moreover it is also the equivalent of minority government in parliamentary regimes and cohabitation in French style semi presidential systems This book examines the frequency causes and management of divided government in comparative context identifying the similarities and differences between the various experiences of this increasingly frequent form of government The countries studied include Denmark Ecuador Finland France Germany Ireland Mexico Poland and the US

Healthcare Politics and Policy in America Kant Patel, Mark E. Rushefsky, 2014-04-25 Fully updated this new edition provides a comprehensive examination of the ways that health policy has been shaped by the political socioeconomic and ideological environment of the United States The roles played by public and private institutional and individual actors in designing the healthcare system are identified at all levels

Political Foundations of Judicial Supremacy Keith E. Whittington, 2009-03-09 Should the Supreme Court have the last word when it comes to interpreting the Constitution The justices on the Supreme Court certainly seem to think so and their critics say that this position threatens democracy But Keith Whittington argues that the Court's justices have not simply seized power and circumvented politics The justices have had power thrust upon them by politicians for the benefit of politicians In this sweeping political history of judicial supremacy in America Whittington shows that presidents and political leaders of all stripes have worked to put the Court on a pedestal and have encouraged its justices to accept the role of ultimate interpreters of the Constitution Whittington examines why presidents have often found judicial supremacy to be in their best interest why they have rarely assumed responsibility for interpreting the Constitution and why constitutional leadership has often been passed to the courts The unprecedented assertiveness of the Rehnquist Court in striking down acts of Congress is only the most recent example of a development that began with the founding generation itself Presidential bids for constitutional leadership have been rare but reflect the temporary political advantage in doing so Far more often presidents have cooperated in increasing the Court's power and encouraging its activism Challenging the conventional wisdom that judges have usurped democracy Whittington shows that judicial supremacy is the product of democratic politics

The Macropolitics of Congress E. Scott Adler, John S. Lapinski, 2011-10-16 How do public laws treaties Senate confirmations and other legislative achievements help us to gain insight into how our governmental system performs This well argued book edited by Scott Adler and John Lapinski is the first to assess our political institutions by looking at what the authors refer to as legislative accomplishment The book moves beyond current research on Congress that focuses primarily on rules internal structure and the microbehavior of individual lawmakers to look at the mechanisms that govern how policy is enacted and implemented in the United States It includes essays on topics ranging from those dealing with the microfoundations of congressional output to large N empirical analyses

that assess current theories of lawmaking to policy centered case studies All of the chapters take a Congress centered perspective on macropolicy while still appreciating the importance of other branches of government in explaining policy accomplishment The Macropolitics of Congress shines light on promising pathways for the exploration of such key issues as the nature of political representation It will make a significant contribution to the study of Congress and more generally to our understanding of American politics Contributors include E Scott Adler David Brady Charles M Cameron Brandice Canes Wrone Robert S Erikson Grace R Freedman Valerie Heitshusen John D Huber Ira Katznelson Keith Krehbiel John S Lapinski David Leblang Michael B MacKuen David R Mayhew Nolan McCarty Charles R Shipan James A Stimson and Garry Young

Healthcare Politics and Policy in America: 2014 Kant Patel, Mark E Rushefsky, 2014-12-18 This book provides a comprehensive examination of the ways that health policy has been shaped by the political socioeconomic and ideological environment of the United States The roles played by public and private institutional and individual actors in designing the healthcare system are identified at all levels The book addresses the key problems of healthcare cost access and quality through analyses of Medicare Medicaid the Veterans Health Administration and other programs and the ethical and cost implications of advances in healthcare technology This fully updated fourth edition gives expanded attention to the fiscal and financial impact of high healthcare costs and the struggle for healthcare reform culminating in the passage of the Affordable Care Act with preliminary discussion of implementation issues associated with the Affordable Care Act as well as attempts to defund and repeal it Each chapter concludes with discussion questions and a comprehensive reference list Helpful appendices provide a guide to websites and a chronology PowerPoint slides and other instructional materials are available to instructors who adopt the book

The Politics of Presidential Impeachment Daniel P. Franklin, Stanley M. Caress, Robert M. Sanders, Cole D. Taratoot, 2020-08-01 The Politics of Presidential Impeachment takes a distinctive and fresh look at the impeachment provision of the US Constitution Instead of studying it from a legal constitutional perspective the authors use a social science approach incorporating extensive case studies and quantitative analysis Focusing on four presidents who faced impeachment processes Andrew Johnson Richard Nixon Ronald Reagan and Bill Clinton they examine the conditions under which presidential impeachment is likely to occur and argue that partisanship and the evolving relationship between Congress and the president determine its effectiveness as an institutional constraint They find that in our contemporary political context the propensity of Congress to utilize the impeachment tool is more likely but given the state of heightened partisanship impeachment is less likely to result in removal of a president The authors conclude that impeachment is no longer a credible threat and thus no longer an effective tool in the arsenal of checks and balances The book also offers a postscript that discusses the impeachment of President Donald J Trump

Issues and Methods in Comparative Politics Todd Landman, 2008-04-30 Building on the strengths of the second edition this highly regarded textbook continues to provide the best introduction to the strategies of comparative research in political science Divided into three parts the book begins by

examining different methods applying these methods to dominant issues in comparative politics using a wealth of topical examples from around the world and then discusses the new challenges in the area New to this edition features explanation of regression analysis with accompanied briefing boxes new discussion of the assumptions research design and the use of statistics characteristic of many country comparisons single and multi country studies how to compare countries and address problems of comparison especially the principles for selecting countries new chapter on the intersection between international relations and comparative politics all chapters have been updated with new publications and research output relevant to the discussion Balancing reader friendly features with high quality analysis makes this popular academic text essential reading for everyone interested comparative politics and research methods

Doing Qualitative Research in Politics Angela Kachuyevski, Lisa M. Samuel, 2018-03-05 This volume offers unique perspectives on how to engage in methods of inquiry in Political Science Applying the debate in the field over the validity of qualitative methods the authors illustrate how various methodological approaches are both rigorous and empirically rich Each of the chapters consists of a particular methodological approach that offers useful insight into pressing political problems important for policy and for theory building Drawing upon both positivist and interpretive approaches the chapters illustrate how to engage in qualitative research involving case studies content analysis and ethnography each outlining the doing part of research The volume is theoretically thematically and geographically diverse important for students and scholars across the field

Borrowing Constitutional Designs Cindy Skach, 2011-02-11 After the collapse of communism some thirty countries scrambled to craft democratic constitutions Surprisingly the constitutional model they most often chose was neither the pure parliamentary model found in most of Western Europe at the time nor the presidential model of the Americas Rather it was semi presidentialism a rare model known more generally as the French type This constitutional model melded elements of pure presidentialism with those of pure parliamentarism Specifically semi presidentialism combined a popularly elected head of state with a head of government responsible to a legislature Borrowing Constitutional Designs questions the hasty adoption of semi presidentialism by new democracies Drawing on rich case studies of two of the most important countries for European politics in the twentieth century Weimar Germany and the French Fifth Republic Cindy Skach offers the first theoretically focused and historically grounded analysis of semi presidentialism and democracy She demonstrates that constitutional choice matters because under certain conditions semi presidentialism structures incentives that make democratic consolidation difficult or that actually contribute to democratic collapse She offers a new theory of constitutional design integrating insights from law and the social sciences In doing so Skach challenges both democratic theory and democratic practice This book will be welcomed not only by scholars and practitioners of constitutional law but also by those in fields such as comparative politics European politics and history and international and public affairs

IMF Staff papers International Monetary Fund. Research Dept., 1995-01-01 This paper provides a critical survey of the literature on politico

institutional determinants of the government budget We organize our discussion around two questions Why did certain OECD countries but not others accumulate large public debts Why did these fiscal imbalances appear in the last twenty years rather than sooner We begin by discussing the tax smoothing model and conclude that this approach alone cannot provide complete answers to these questions We then proceed to a discussion of political economy models which we organize into six groups 1 models based upon opportunistic policy makers and naive voters with fiscal illusion 2 models of intergenerational redistributions 3 models of debt as a strategic variable linking the current government with the next one 4 models of coalition governments 5 models of geographically dispersed interests and 6 models emphasizing the effects of budgetary institutions We conclude by briefly discussing policy implications

The Life and Death of International Treaties Jeffrey S. Lantis, 2009 This book represents one of the first comparative studies of international treaty ratification processes in multiple issue areas It employs the comparative case study method drawing on original research elite interviews and discursive analyses of government documents in Europe Australia and North America Party, Process, and Political Change in Congress, Volume 1 David W. Brady, Mathew Daniel McCubbins, 2002 This book argues that despite the scholarly emphasis on 20th century congressional history it is necessary to study the nation's first 150 years in order to understand more fully the evolution and functioning of the modern Congress

Fiscal Politics Vitor Gaspar, Mr. Sanjeev Gupta, Mr. Carlos Mulas-Granados, 2017-04-07 Two main themes of the book are that 1 politics can distort optimal fiscal policy through elections and through political fragmentation and 2 rules and institutions can attenuate the negative effects of this dynamic The book has three parts part 1 9 chapters outlines the problems part 2 6 chapters outlines how institutions and fiscal rules can offer solutions and part 3 4 chapters discusses how multilevel governance frameworks can help

Politics Of Divided Government Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Politics Of Divided Government PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning.

By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Politics Of Divided Government PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Politics Of Divided Government free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Politics Of Divided Government Books

1. Where can I buy Politics Of Divided Government books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
