Politics Of Nationhood Sovereignty Britishness And Conservative Politics:

The Politics of Nationhood P. Lynch, 1999-01-13 For over a century the Conservative Party has been identified as the patriotic party defending the nation state and British identity Thatcherism sought to rework the Conservative politics of nationhood in the light of changed circumstances but the Thatcher and Major Governments faced significant problems managing the Union European integration and a multicultural society Philip Lynch examines the key developments and statecraft problems in the conservative politics of nationhood during the Thatcher and Major period The British Conservative Party and One Nation Politics David Seawright, 2011-12-22 Won the 2011 Prize for best publication on Conservatives and Conservatism awarded by the specialist group Conservatives and Conservatism of the UK Political Studies Association *History, Historians, and Conservatism in Britain and America* Reba Soffer, 2009 Reba Soffer examines the subjects motives and origins of conservative historians who were also successful public intellectuals Providing a comprehensive account of the content context and consequences of conservative ideas Soffer explains their dominance in Britain and marginalization in America until the Reagan ascendancy **Harold Wilson and European Integration** Oliver J. Daddow, 2016-01-20 Harold Wilson s direction of the second British application to join the EEC us ripe for reinterpretation With new and exciting material now available in the Public Record Office and abroad this is an extremely propitious moment to reconsider Wilson s motivations and to contextualise them in light of evidence on foreign policy making contained in the official record **The Political Thought of the Conservative Party since 1945** K. Hickson, 2005-04-01 The Conservative Party is usually seen as being non ideological This book is the first comprehensive treatment of the political thought of the Conservative Party examining the major elements of Conservative thinking since 1945 cross cutting thematic issues and commentaries from leading politicians and journalists The book is essential for anyone interested in the history and future of the Party *The Falklands War* Ezequiel Mercau, 2019-05-16 Panoramic transnational history of the Falklands War and its imperial dimensions which explores how a minor squabble mushroomed into war *Defining British Citizenship* Rieko Karatani, 2004-08-02 This book explains the immigration and citizenship policies in Britain that repeatedly postponed the creation of British citizenship until 1981 **Transcultural Identities in Contemporary Literature** Irene Gilsenan Nordin, Julie Hansen, Carmen Zamorano Llana, 2013-10-01 In recent decades globalization has led to increased mobility and interconnectedness For a growing number of people contemporary life entails new local and transnational interdependencies which transform individual and collective allegiances Contemporary literature often reflects these changes through its exploration of migrant experiences and transcultural identities Calling into question traditional definitions of culture many recent works of poetry and prose fiction go beyond the spatial boundaries of a given state emphasizing instead the mixing and collision of languages cultures and identities In doing so they also challenge recent and contemporary discourses about cultural identities fostering a more nuanced understanding of the complexities of identity formation processes in diverse

transcultural frameworks This volume analyses how traditional understandings of culture as well as literary representations of identity constructs can be reconceptualized from a transcultural perspective In four thematic sections focusing on migration cosmopolitanism multiculturalism and literary translingualism the twelve essays included in this volume explore various facets of transculturality in contemporary poetry and fiction from around the world Contributors Malin Lidström Brock Katherina Dodou Pilar Cuder Domínguez Stefan Helgesson Christoph Houswitschka Carly McLaughlin Kristin Rebien J B Rollins Karen L Ryan Eric Sellin Mats Tegmark Carmen Zamorano Llena Irene Gilsenan Nordin is Professor of English Literature at Dalarna University Sweden She is founder and director of DUCIS Dalarna University Centre for Irish Studies and leads Dalarna University's Transcultural Identities research group Julie Hansen is Research Fellow at the Uppsala Centre for Russian and Eurasian Studies and teaches Russian literature in the Department of Modern Languages at Uppsala University Sweden Carmen Zamorano Llena is Associate Professor of English Literature at Dalarna University Sweden and member of Dalarna University's Transcultural Identities research group

Monumental Conflicts Derek R. Mallett, 2017-11-13 Monumental Conflicts examines 20th century wars from the First World War to the First Gulf War each chapter analyzing how public memory has evolved over time The chapters raise fascinating questions about war and memory Why are wars remembered as they are What factors drive changes in public perception What implications arise from remembering and commemorating a war or particular aspects of a war What does public memory of a war say about us as a society The volume is divided into three sections focusing on political evolution negotiated memories of war and national pride and covers international wars from Afghanistan to Vietnam and German deserter monuments to Vietnamese war tourism

Democracy in Europe Vivien A. Schmidt, 2006-10-19 This eagerly awaited volume from a leading scholar on Europeanization explores the impact of European integration on national democracies Focusing on the case studies of France Britain Italy and Germany this is an exciting contribution to work on the implications of European integration for democratic government

Standing Up for Scotland David Torrance, 2020-05-01 David Torrance combines nationalist theory with empirical historical and archival research to reassess the relationship between nationalism and unionism in Scottish politics challenging a binary reading of the two ideologies with the concept of nationalist unionism

The Political Economy of Devolution in Britain from the Postwar Era to Brexit Nick Vlahos, 2020-06-29 This book examines the political economy of devolution in Britain from the postwar period to the present It situates devolution in Britain within an understanding of the partisan recalibration of political economic and democratic scales or levels of the state The author utilizes various explanatory tools to unpack complex social economic spatial and political phenomena across national regional and local scales The book further contributes to our conceptual understanding of decentralization as a broader comparative phenomenon Particular emphasis is placed on examining why decentralization and devolution occur at particular points in time which enables the investigation into how political and fiscal powers are re organized at different levels of the state

Opposing Europe?: The Comparative Party Politics of Euroscepticism Aleks Szczerbiak, Paul Taggart, 2008 This set provides a comprehensive review of Euroscepticism in contemporary European politics Leading scholars address the strength and breadth of Euroscepticism across a range of EU member and candidate states and draw out comparative lessons on the nature of political parties and party systems

Reforming the European Union Philip Lynch, Nanette Neuwahl, G. Wyn Rees, 2014-05-12 Analyses the likely future of the EU following next year's Intergovernmental Conference IGC which is likely to be even more significant for the future of Europe than the Maastricht Treaty Since Maastricht it has become clear that future developments are less certain with regard to the EU and integration The IGC will have to try and resolve tensions such as widening Europe to include former communist countries whilst also trying to deepen Europe with increased political and economic integration providing a framework which is acceptable to a core of countries Benelux Germany France who favour more integration and an early move to monetary union with countries such as the UK which does not

Political Intellectuals and Public Identities in Britain Since 1850 Julia Stapleton, 2001 Political intellectuals and public identities in Britain since 1850 will be of interest to scholars and advanced undergraduates in the fields of political thought and British intellectual and cultural history It will also be of interest to a wider community of writers and commentators on the politics of English and British national identity

BOOK JACKET The Conservatives in crisis Mark Garnett, Philip Lynch, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license The Conservative Party's survival as a significant political force was now open to serious question for the first time since the crisis over the Corn Laws The Labour Party has commanded a fairly consistent level of attention whether in office or in opposition But it seems that the Conservatives are fated to be regarded either as unavoidable or irrelevant This book presents an analysis that suggests that the party leader plays a less important role in Conservative recoveries than a distinctive policy programme and an effective party organization It examines the Conservative position on a series of key issues highlighting the difficult dilemmas which confronted the party after 1997 notably on economic policy New Labour's acceptance of much of the main thrust of Thatcherite economic policy threw the Conservatives off balance The pragmatism of this new position and the In Europe not run by Europe platform masked a significant move towards Euro skepticism The book also traces how the Scottish Conservative and Unionist Parties adapted to the creation of the Scottish Parliament exploring the re organisation of the Scottish party its electoral fortunes and political prospects in the new Scottish politics It examines issues of identity and nationhood in Conservative politics in the 1997 2001 period focusing on the English Question and the politics of race The predictable results of the Conservatives failure to develop an attractive consistent narrative are then analysed Right wing populist parties with charismatic leaders enjoyed some electoral success under the proportional representation systems in 2002

Civil Liberties and Human Rights Helen Fenwick, 2009-06-02 This book is a detailed thought provoking and comprehensive text that is valuable not only for students but also for all those interested in the

development of civil liberties in the Human Rights Act era Principles and Politics in Contemporary Britain Mark Garnett, 2013-10-28 This book shows the importance of political ideas in policy making and demonstrates the extent to which pragmatic considerations preclude the imposition of rigid ideological programmes It charts the decline of the postwar British consensus the changing face of both the Conservative and Labour parties under the long shadow of Thatcherism and the growing emergence of single issue policies such as environmentalism and feminism With an extensive bibliography and suggested seminar and essay topics Principles and Politics can be used on any course which focuses on contemporary British politics as well as having general appeal to those interested in looking at the contemporary political and ideological debate in the context of wider issues and trends This second edition is completely revised and updated The Foreign Policy Discourse in the United Kingdom and the United States in the "New World Order" Lori Maguire, 2009-01-14 The goal of this book is to examine some of the major foreign policy debates in the United Kingdom and the United States in the period from 1992 to 2008 from the end of the Cold War and the aftermath of the first Gulf War to the 2008 American presidential election The first President Bush spoke in 1991 of a new world order which seemed to mean an American hegemony The United States was now the world's only superpower although a superpower afflicted with weaknesses especially economic ones But by 2008 the new world order did not seem so new or so strongly American The period saw the terrorist attacks against the US of 11 September 2001 military problems for the superpower in Afghanistan and Iraq and by the summer of 2008 near economic collapse In all of these developments Britain shared to a lesser or a greater extent It is hoped that this book will shed an important light both on each nation and on the so called special relationship between the two Furthermore this book is also not specifically concerned with policy or how policy is made but with the debate around policy and the rhetoric used to present different points of view The Special Relationship between the US and Britain remains an enigmatic ever changing but still very powerful factor in world politics As an examination of their foreign policy discourses reveals from the perspective of culture and values few Western countries are as different as the United Kingdom and the US With very few exceptions the foreign policies of Gladstone and Tony Blair and Churchillian rhetoric unmatched by his supremely realpolitical politics British governments abhor talking about values and ideals The British cultural peculiarity is to dismiss ideology and values as packaging only to be caught by surprise time and again that they cannot do business with Herr Hitler or that people kill each other for their values religions constructed identities and ideologies Most American governments by contrast have had ideological and moral crusades embroidered on their banners in their foreign policy There is a convergence with Britain when both proclaim that all they are doing is in their self interest but the Americans unashamedly assume that what is good for America is good for the world while the British discourse with the UK's decline since 1945 rarely goes that far As an analysis of their discourses reveals the Special Relationship is thus clearly founded on something either deeper or more superficial than shared culture or values this volume sheds light on this surprising fact in most

illuminating ways and Lori Maguire's achievement in bringing together these examinations is praiseworthy indeed Prof
