Politics Or Christ

Edward Frank Humphrey

Politics Or Christ:

The Politics of the Cross Daniel K. Williams, 2021-03-02 Where do Christians fit in a two party political system The partisan divide that is rending the nation is now tearing apart American churches On one side are Christian Right activists and other conservatives who believe that a vote for a Democratic presidential candidate is a vote for abortion sexual immorality gender confusion and the loss of religious liberty for Christians On the other side are politically progressive Christians who are considering leaving the institutional church because of white evangelicalism s alliance with a Republican Party that they believe is racist hateful toward immigrants scornful of the poor and directly opposed to the principles that Jesus taught Even while sharing the same pew these two sides often see the views of the other as hopelessly wrongheaded even evil Is there a way to transcend this deep seated division *The Politics of the Cross* draws on history policy analysis and biblically grounded theology to show how Christians can protect the unborn advocate for traditional marriage promote racial justice care for the poor and above all honor the gospel by adopting a cross centered ethic instead of the idolatrous politics of power fear or partisanship As Daniel K Williams illustrates both the Republican and Democratic parties are rooted in Christian principles but both have distorted those principles and mixed them with assumptions that are antithetical to biblical truth Williams explains how Christians can renounce partisanship and pursue policies that show love for our neighbors to achieve a biblical vision of justice Nuanced detailed and even handed *The Politics of the Cross* tackles the thorny issues that divide Christians politically and offers a path forward with innovative biblically minded political approaches that might surprise Christians on both the left and the right **Christianity and Politics** C. C.

Pecknold, 2010-08-06 It is not simply for rhetorical flourish that politicians so regularly invoke God s blessings on the country It is because the relatively new form of power we call the nation state arose out of a Western political imagination steeped in Christianity In this brief guide to the history of Christianity and politics Pecknold shows how early Christianity reshaped the Western political imagination with its new theological claims about eschatological time participation and communion with God and neighbor The ancient view of the Church as the mystical body of Christ is singled out in particular as the author traces shifts in its use and meaning throughout the early medieval and modern periods shifts in how we understand the nature of the person community and the moral conscience that would give birth to a new relationship between Christianity and politics While we have many accounts of this narrative from either political or ecclesiastical history we have few that avoid the artificial separation of the two This book fills that gap and presents a readable concise and thought provoking introduction to what is at stake in the contentious relationship between Christianity and politics *Politics for Christians* Francis J. Beckwith, 2012-05-20 Politics is concerned with citizenship and the administration of justice how communities are formed and governed The role of Christians in the political process is hotly contested but as citizens Francis Beckwith argues Christians have a rich heritage of sophisticated thought as well as a genuine responsibility to contribute to the shaping of

public policy In particular Beckwith addresses the contention that Christians or indeed religious citizens of any faith should set aside their beliefs before they enter the public square What role should religious citizens take in a liberal democracy What is the proper separation of church and state What place should be made for natural rights and the moral law within a secular state This cogent introduction to political thought surveys political science politics and government while making the case for how statecraft may genuinely contribute to soulcraft Politics for Christians is part of The Christian Worldview Integration Series

Faith and Politics: Christian Theology in the Conservative Party of Canada, 2025 Elections

Vincent Froom ,2024-10-19 Faith and Politics Christian Theology in the Conservative Party of Canada 2025 Elections As Canada faces the pivotal 2025 elections the intersection of faith and politics takes center stage within the Conservative Party Faith and Politics Christian Theology in the Conservative Party of Canada explores how Christian theology is shaping policies platforms and political strategies in one of the nation s most influential political movements From religious freedom and social ethics to debates on immigration healthcare and education this book uncovers the theological principles influencing both individual candidates and the party s broader dynamics With a sharp focus on the evolving relationship between religion and governance Faith and Politics reveals how Christian ideals are intertwined with the party s vision for Canada s future Written by a leading scholar in theology and politics this book features In depth Interviews Insights from Conservative candidates and party leaders Case Studies Examples of theological influence on key policies and campaigns Campaign Analysis A closer look at the rhetoric and messaging shaped by Christian values Whether you re a political enthusiast a religious scholar or a Canadian citizen seeking to understand the stakes of the 2025 elections Faith and Politics provides a thought provoking and timely analysis of how faith shapes democracy in Canada This essential read offers both clarity and inspiration for anyone navigating the complex relationship between theology and politics in an ever changing world

Christians, Politics and Violent Revolution J. G. Davies,2017-04-20 This book is an impressive attempt by a distinguished British theologian to grapple with problems put to him by friends from the Third World and particularly the question If there seems no way to alter a situation except by joining in violent revolution is it possible to be involved and still remain a Christian In his discussion Professor Davies first considers how far obedience is a constant imperative and in what circumstances disobedience may be the right choice As resistance to the state is necessarily to act illegally he then reviews the subject of law and order To this point the considerations are largely theological However the climax of the book comes in a discussion of revolution in human terms together with the criticisms often raised against it There is also a survey of the means of revolution non violent and violent and the basis of Christian moral choice in such a situation

Jesus and Politics

Alan Storkey,2005 Committed to moving beyond many misunderstandings Alan Storkey examines the politics of Jesus reading out from the life and work of Christ instead of reading into the New Testament with a predisposed agenda Jesus and Politics presents a thorough narrative reading of the Gospels with far reaching implications moving into issues of political philosophy

principle and practice BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Politics of the Nazarene, Or, What Jesus Said to Do ... Orville Davis Jones,1901 *The Politics of Heaven and Hell* James V. Schall,2020-10-27 The Politics of Heaven and Hell makes an invaluable contribution to the understanding of classical medieval and modern political philosophy while explaining the profound problem with modernity Christianity freed men from the overwhelming burden of ever thinking that their salvation will ultimately come from the political order writes Fr James Schall S J Modernity on the other hand is a perversion of Christianity which tries to achieve man s salvation in this world It does this by politicizing everything which results in the absolute state The distance from the City of God to the Leviathan is not at all far once the City of God is relocated on earth The best defense against this tyranny is the adequate description of the highest things of what is beyond politics Both reason and revelation are needed for this work and they are eloquently and ably set forth in this book **Honoring God in Red or Blue SAMPLER** Dr. Amy E. Black,2012-06-01 Enjoy these SAMPLE pages from Honoring God in Red or Blue As our nation approaches a decision of another presidential election they re also faced with the great challenge of discussing political issues with grace truth and love Many believers fall into one of two traps becoming so outspoken that their political fervor becomes a detriment to their Christian testimony or fearing controversy to the point of silence on important issues of faith and community Dr Black brings a sensibility and urgency to the issue with this nonpartisan guidebook for debating key issues with respect and conviction For anyone frustrated until they re red in the eyes or blue in the face or those who bite their tongues or withdraw completely from the discussion this book is a critical manifesto to improving both our government and our sense of civility in the discourse Principalities and Powers Jamie Pitts,2013-07-12 Evaluations of John Howard Yoder s legacy have proliferated since his death in 1997 Although there is much disagreement a broad consensus is forming that his theology was on the one hand focused on the social and political meaning of the New Testament accounts of Jesus Christ and on the other hand sociologically reductive hermeneutically tendentious and ecclesiologically ambiguous This book proposes a revision of Yoder s theology that maintains its broadly sociological emphasis but corrects for its apparent problems In specific adjustments are made to his social theory to open it to spiritual reality to hone its analytical approach and to clarify its political import His preferred framework for social criticism the theology of the principalities and powers is examined in the context of his wider work and its critics and then synthesized with concepts from Pierre Bourdieu s influential reflexive sociology Kenotic Politics Mark E. Moore,2013-07-04 How can one reconcile the political nature of Jesus with his disinclination to power Moore s argument comes in three stages Part one answers the question Was Jesus Political by examining Jesus words and actions that have political import Part two addresses the issue How was Jesus Political It concentrates on Mark 10 32 45 as a real articulation of Jesus political praxis that is consistent throughout Jesus ministry and teaching Part three Why did Jesus not openly announce his political role examines Jesus treatment of the Jewish kings of the past particularly why Jesus meek and mild

could claim to surpass them in honor It is argued that Jesus disinclination to associate himself with other rulers is not a rejection of a political role Rather he lived so consistently with his political praxis of self abnegation that these other rulers were not appropriate models for Jesus to follow Furthermore the very claim to such titles was antithetical to his political praxis which relinquished all aggrandizement to God who alone could exalt abase judge and rule

The Bible in American Law and Politics John R. Vile, 2020-09-19 While scholars increasingly recognize the importance of religion throughout American history *The Bible in American Law and Politics* is the first reference book to focus on the key role that the Bible has played in American public life In considering revolting from Great Britain Americans contemplated whether this was consistent with scripture Americans subsequently sought to apply Biblical passages to such issues as slavery women's rights national alcoholic prohibition issues of war and peace and the like American presidents continue to take their oath on the Bible Some of America's greatest speeches for example Lincoln's Second Inaugural and William Jennings Bryan's Cross of Gold speech have been grounded on Biblical texts or analogies Today Americans continue to cite the Bible for positions as diverse as LGBTQ rights abortion immigration welfare health care and other contemporary issues By providing essays on key speeches books documents legal decisions and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures John Vile provides an indispensable guide for scholars and students in religion American history law and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues

The Saturday Review of Politics, Literature, Science and Art, 1866

Augustinian and Ecclesial Christian Ethics D. Stephen Long, 2018-08-15 What is the relationship between the command to love one's enemies and the use of violence and or other coercive political means This work examines this question by comparing and contrasting two important contemporary approaches to Christian ethics neoAugustinian and the ecclesial or neoAnabaptist It traces the complicated conversation that has taken place since John Howard Yoder took on Reinhold Niebuhr's interpretation of the Anabaptists in the 1940's It consists of three parts The first part traces the development of the Augustinian Niebuhrian approach to ethics from Niebuhr through those who have advanced his work including Paul Ramsey Timothy Jackson Charles Mathewes Eric Gregory and Jennifer Herdt It also examines the Augustinian ethics of Oliver O'Donovan John Milbank and Nicholas Wolterstorff Along with tracing the Augustinian approach and its trajectories through agapism theology and the interpretation of Augustine it identifies fifteen criticisms that this approach brings against the neoAnabaptists The second part traces the origin of the ecclesial or neoAnabaptist approach and then examines its relationship to and criticism of agapism what theological doctrines are central and its interpretation of Augustine Its purpose is primarily constructive by explaining the role that ecclesiology Christology and eschatology have among the neoAnabaptists The third part addresses the criticisms levied by Augustinians against the neoAnabaptists by drawing on the constructive theology in the second part It intends to show where the Augustinian critics are correct where

they have missed key theological teachings and where they misrepresent It also assesses the summons to the nationalist project the Augustinians put to the neoAnabaptists If this work is successful this third part will not be defensive It will instead illumine the reasons for the criticisms and suggest means by which the conversation that began between Yoder and Niebuhr can continue and possibly bear fruit for theological ethics in both its ecclesial and nationalist projects for generations to come

Matthew (Brazos Theological Commentary on the Bible) Stanley Hauerwas,2007-01-01 Explore how the roots of the ancient Christian tradition inform and shape faithfulness today The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture creedally for the twenty first century just as the church fathers the Reformers and other orthodox Christians did for their times and places A rich resource for preachers teachers students and study groups the BTC provides guidance for reading the Bible under the rule of faith Each volume in the series includes a Christological focus and framework grounded in the Nicene Creed connections between biblical interpretation and today s social issues applications for contemporary faith and life devotional depth for meditation and reflection insights from literature philosophy culture and more This addition to the series brings the stimulating insights of world renowned theologian Stanley Hauerwas to the first Gospel Ultimately the Brazos Theological Commentary on the Bible demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible

Sin and Politics Jeong Kii Min,2009 Sin and Politics Issues in Reformed Theology is an overview of the relationship between sin and politics from the reformational point of view This short theological history is comprised of three parts politics without sin creational politics politics with sin fallen politics and politics beyond sin redeemed politics As a creation of human culture politics have been tainted with sinful distortion in this world but will be recovered in the future Kingdom by the eternal kingship of the Lord of Lords Sin and Politics includes a summary and commentary on political discussions by various Reformed theologians It uncovers the Reformed tradition s positive regard for politics and the profound theological root of politics

Politics for People Who Hate Politics Denise Grace Gitsham,2023-11-14 Politics that Unite Rather than Divide Politics can be infuriating From unjust policies to unholy politicians there are justifiable reasons to be upset or walk away altogether Yet we must stay involved if we are to protect and sustain our fragile nation from the divisions that threaten it With more than two decades of experience working in the highest levels of government insider Denise Grace Gitsham offers a remedy to America s dark political reality Christians filled with light love and Christ s heart for unity With spiritual insights hard earned political lessons and practical advice she helps you engage in politics God s way find wisdom and discernment love those you disagree with stand firm on God s truth As citizens of heaven we can engage in politics God s way with the countercultural love integrity and unity that will heal our land

Politics and Religion in the Days of Augustine Edward Frank Humphrey,1912

Power Made Perfect? Timothy R. A. Sherratt,2016-03-02 How would politics be different if Christians acknowledged Jesus Christ as the archetype of all rulers democratic and nondemocratic How would our practice of

politics change if we recognized the suffering love of Christ as the truest exercise of power Power Made Perfect offers a distinctive approach to government and politics It is important the author argues to ask how creation provides guidance for political conduct for politics to be an exercise in piety and to approach politics in a fallen world with prudence and not in pursuit of ultimate solutions But it is even more important to begin with Jesus Christ Christ is the rightful ruler of the world who exercises power by suffering and dying for guilty humans All political activity is held to the standard of Christ s sacrifice In this book Timothy Sherratt surveys major Christian political initiatives and schools of Christian political thought with a particular emphasis on American politics before outlining ways in which Christians in churches can practice faithful political engagement

[The Politics of Righteousness](#) James A. Aho, 2014-04-15 From their home bases in Idaho and neighboring areas of the Northwest organizations such as the Order the Aryan Nations Church the Posse Comitatus and the Golden Mean Society have drawn national attention and spread the gospel of a constitutionally pure Christian homeland For the reader who knows these groups only from a selection of inflammatory quotes and violent deeds this compelling work presents the first disciplined exploration of the backgrounds and belief systems of the Christian patriot movement Using information gathered from interviews and direct observation of patriot gatherings Aho replaces the stereotype of solitary crazies from the fringes of society with more complex and disturbing realities

This is likewise one of the factors by obtaining the soft documents of this **Politics Or Christ** by online. You might not require more era to spend to go to the book opening as with ease as search for them.
