Politics Of Culture In Iran:

Politics of Culture in Iran Nematollah Fazeli, 2006-08-21 This first full length study of the history of Iranian anthropology charts the formation and development of anthropology in Iran in the twentieth century The text examines how and why anthropology and culture became part of wider socio political discourses in Iran and how they were appropriated and rejected by the pre and post revolutionary regimes The author highlights the three main phases of Iranian anthropology corresponding broadly to three periods in the social and political development of Iran the period of nationalism lasting approximately from the constitutional revolution 1906 11 and the end of the Qajar dynasty until the end of Reza Shah s reign 1941 the period of Nativism from the 1950s until the Islamic revolution 1979 the post revolutionary period In addition the book places Iranian anthropology in an international context by demonstrating how Western anthropological concepts theories and methodologies affected epistemological and political discourses on Iranian anthropology The Role of Political Culture in Iranian Political Development Dal Seung Yu, 2017-05-15 The analysis of the impediments to political development is one of the most important discussions which has major theoretical and political consequences This analysis has been controversial and many different aspects have been introduced as elements for political underdevelopment In this study Dal Seung Yu takes culture a key element in this discussion and explains the major cultural impediments to political development in Iran He focuses on the historical attitudes of people towards the political management of the society and the effect these attitudes have on slowing the development of this political system in the society Those concerned with Iran the Middle East and political culture will be extremely interested in this provocative text Religion, Culture and Politics in Iran Joanna de Groot, 2000-08-01 This book offers a new interpretation to the social history of religion in Iran from the 1870s to the 1970s It aims to situate the revolutionary upheavals of 1977 82 in an extensive narrative context of historical developments over the preceding century and to relate the religious elements in that history to other social and cultural issues In the author s analysis Iran s revolution was complex and contingent on a range of factors rather than a simple or inevitable outcome of the nature of the Iranian state or the nature of religion in Iran The focus of the argument is on the human responses of Iranians to their experiences and problems in all their diversity and on the rich variety and complexity of relationships between religion and other aspects of life thought and culture in the daily life of Iranians **Cultural Foundations of Iranian Politics** M. Reza Behnam, 1986 Politics and Culture in Contemporary Iran Abbas Milani, Larry Jay Diamond, 2015 Despite the relative calm apparent in Iran today there is unmistakable evidence of political social and cultural ferment stirring beneath the surface The authors of Politics and Culture in Contemporary Iran a unique group of scholars activists and artists explore that unrest and its challenge to the legitimacy and stability of the present authoritarian regime Ranging from political theory to music from human rights law to social media their contributions reveal the tenacious and continually evolving forces that are at work resisting the status quo **Iran and the Surrounding World** Nikki R.

Keddie, Rudi Matthee, 2011-10-01 These essays examine Iran's place in the world its relations and cultural interactions with its immediate neighbors and with empires and superpowers from the beginning of the Safavid period in 1501 to the present day The book provides important historical background on recent political and social developments in Iran and on its contemporary foreign relations The topics explored include Iranian influence abroad on political organization religion literature art and diplomacy as well as Iran's absorption of foreign influences in these areas A special focus is the prevailing political culture of Iran throughout its early modern and contemporary periods The authors combine approaches from history political science anthropology international relations and cultural studies Some essays address Iran's interactions with various Arab and Turkic ethnicities in the region stretching from India to Egypt Others examine its relations with the West during the Qajar and Pahlavi eras women's issues culture inside Iran during the Islamic Republic and the Shi'ite theocracy of Iran as compared with other Muslim states

Culture and Cultural Politics Under Reza Shah Bianca Devos, Christoph Werner, 2013-08-22 Culture and Cultural Politics Under Reza Shah presents a collection of innovative research on the interaction of culture and politics accompanying the vigorous modernization programme of the first Pahlavi ruler Examining a broad spectrum of this multifaceted interaction it makes an important contribution to the cultural history of the 1920s and 1930s in Iran when under the rule of Reza Shah Pahlavi dramatic changes took place inside Iranian society With special reference to the practical implementation of specific reform endeavours the various contributions critically analyze different facets of the relationship between cultural politics individual reformers and the everyday life of modernist Iranians Interpreting culture in its broadest sense this book brings together contributions from different disciplines such as literary history social history ethnomusicology art history and Middle Eastern politics In this way it combines for the first time the cultural history of Iran's modernity with the politics of the Reza Shah period Challenging a limited understanding of authoritarian rule under Reza Shah this book is a useful contribution to existing literature for students and scholars of Middle Eastern History Iranian History and Iranian Culture

The International Politics of the Persian Gulf Arshin

Adib-Moghaddam,2006-09-27 Provocatively written persuasively researched and conclusively argued Adib Moghaddam presents the first comprehensive analysis of international relations in the Gulf from a multidisciplinary perspective

Media, Culture and Society in Iran Mehdi Semati,2007-09-24 Arguing that existing perspectives on contemporary Iran have not fully grasped the significant role of culture in Iran this book examines modern culture and media in Iran through a wide range of topics

A Multi-Paradigmatic Approach to Understanding History Kavous Ardalan,2022-12-08 This book explores the field of history through a multi paradigmatic approach For this purpose it begins with a discussion of four most diverse worldviews or paradigms namely functionalist interpretive radical humanist and radical structuralist before moving on to consider four aspects of the field of history historiography grand narrative progress and time from the viewpoints of the four most diverse worldviews or paradigms Next the book looks at three historical events the French Revolution the American Civil War and the Iranian Revolution from the viewpoints of the four most diverse worldviews or paradigms It concludes by recommending paradigm diversity as an understanding of different paradigms leads to a more comprehensive and a more balanced understanding of the multi faceted nature of the subject matter

Authority and Political Culture in Shi'ism Saïd Amir Arjomand,1988-07-08 The major theme of this book is authority in Shi'ism with special emphasis on its institutionalization in different historic periods from the beginning of Shi'ism in the Middle Ages to the present Part I presents new material on important or neglected issues that are at the center of current scholarly debate including the fundamental relationship between knowledge and authority in pristine Shi'ism aspects of popular culture in medieval Shi'ism the institutionalization of religious authority in Shi'ite Iran from the 16th to 18th centuries and the centralization of religious authority in the 19th century The editor provides an analysis of the ideological revolution in Shi'ism during the 1970s and 1980s Important documents and primary sources have been selected for Part II representing the major trends in the history of Shi'ism With two exceptions these sources have neither been available in English translation nor easily accessible in the original Arabic or Persian An extensive introduction by the editor effectively connects Parts I and II of the book

Political Radicalism in Iran and Ahmadinejad's Presidencies Giorgia Perletta,2022-03-16 This book offers a critical deconstruction of radicalism as a political category and through this analytical approach seeks to interpret and assess the presidencies of the former Iranian President Mahmud Ahmadinejad It contextualizes radicalism within a broader framework of Western derived political categories which are too frequently used to simplify the complexities of Iran's domestic political landscape generally reducing any comprehensive and objective understanding of Iranian politics Since the term radicalism is often misrepresented and misused in readings of contemporary Iran this study examines several analogous Persian and English labels exploring their different meanings significances and varied applications in order to challenge any fixed and universal interpretations of radicalism as a concept The political experience of Mahmud Ahmadinejad who has been widely perceived as a radical politician provides an ideal case study in this regard offering valuable insight into

how best to frame and interpret radicalism in post revolutionary Iran This book will be of particular interest to both scholars and students of Iranian Studies but also to more general readers who are broadly interested in Middle Eastern studies political science and comparative politics Power, Islam, and Political Elite in Iran Eva Rakel, 2008-11-30 The Iranian Islamic revolution brought about a political system based on a combination of state institutions that derive their legitimacy from Islamic law and republican institutions legitimized by the people As there are no legal political parties in the Islamic Republic of Iran political factions represent the varying ideological and material interests of members of the political elite and their supporters This book analyzes the rivalries between the political factions and their related state institutions and the impact of the dynamics of factionalism on domestic economic and socio cultural and foreign policy formulation It shows that tensions inherent to the structure of state institutions and factional rivalries slow down the process of democratization and economic reforms in the Islamic Republic of Iran **Political Islam, Iran, and the Enlightenment** Ali

Mirsepasi, 2010-12-06 Ali Mirsepasi's book presents a powerful challenge to the dominant media and scholarly construction of radical Islamist politics and their anti Western ideology as a purely Islamic phenomenon derived from insular traditional and monolithic religious foundations It argues that the discourse of political Islam has strong connections to important and disturbing currents in Western philosophy and modern Western intellectual trends The work demonstrates this by establishing links between important contemporary Iranian intellectuals and the central influence of Martin Heidegger's philosophy We are also introduced to new democratic narratives of modernity linked to diverse intellectual trends in the West and in non Western societies notably in India where the ideas of John Dewey have influenced important democratic social movements As the first book to make such connections it promises to be an important contribution to the field and will do much to overturn some pervasive assumptions about the dichotomy between East and West **Young and Defiant in Tehran** Shahram Khosravi, 2011-09-28 With more than half its population under twenty years old Iran is one of the world's most youthful nations The Iranian state characterizes its youth population in two ways as a homogeneous mass an army of twenty millions devoted to the Revolution and as alienated inauthentic Westernized consumers who constitute a threat to the society Much of the focus of the Islamic regime has been on ways to protect Iranian young people from moral hazards and to prevent them from providing a gateway for cultural invasion from the West Iranian authorities express their anxieties through campaigns that target the young generation and its lifestyle and have led to the criminalization of many of the behaviors that make up youth culture In this ethnography of contemporary youth culture in Iran's capital Shahram Khosravi examines how young Tehranis struggle for identity in the battle over the right to self expression Khosravi looks closely at the strictures confronting Iranian youth and the ways transnational cultural influences penetrate and flourish Focusing on gathering places such as shopping centers and coffee shops Khosravi examines the practices of everyday life through which young Tehranis demonstrate defiance against the official culture and parental dominance In addition to being sites of

opposition Khosravi argues these alternative spaces serve as creative centers for expression and above all imagination His analysis reveals the transformative power these spaces have and how they enable young Iranians to develop their own culture as well as individual and generational identities The text is enriched by examples from literature and cinema and by vivid reports from the author s fieldwork Iran Samih K. Farsoun, Mehrdad Mashayekhi, 2005-11-22 Argues that the construction of a legitimate Islamic political culture and ideology is the key to the consolidation of the post revolutionary regime Addresses a wide range of specific aspects within a theoretical framework
