

Decolonization in Africa

Politics Of Decolonization

Robbie Shilliam

Politics Of Decolonization:

Race, Class, and the Politics of Decolonization Colin Clarke, 2016-04-29 This book offers a detailed picture of Jamaica before and after independence A 1961 journal sheds light on the political and social context before independence while a 1968 journal shows how independence dissolved dissident forces and identifies the origins of Jamaica's current two party politics

Critique of Political Decolonization Bernard Forjwuor, 2023-05-24 What is political independence As a political act what was it sanctioned to accomplish Is formal colonialism over or a condition in the present albeit mutated and evolved In *Critique of Political Decolonization* Bernard Forjwuor challenges what in normative scholarship has become a persistent conflation of two different concepts political decolonization and political independence This scholarly volume is an antinormative and critical refutation of the decolonial accomplishment of political independence or self determination in Ghana He argues that political independence is insufficiently a decolonial claim because it is framed within the context of a country where a permanent colonial settlement was never deemed necessary for the consolidation of future colonial political obligations So while territorial dissolution was politically engineered by Ghanaians the colonial merely reconstitutes itself in different legal and ideological forms Forjwuor offers new methodological theoretical and conceptual approaches to engaging the questions of colonialism political independence political decolonization justice and freedom and constructs multiple conceptual bridges between traditional disciplinary fields of inquiry including politics history law African studies economic history critical theory and philosophy and political theory Using the Ghanaian experience as a rich case study Forjwuor rethinks what colonialism and decolonization mean and asserts that decolonization is primarily a question of justice

Politics of Decolonization Gary Wasserman, 1976-08-27 The book is of interest to scholars students and others interested in decolonization

Epistemic Decolonization D.A. Wood, 2020-07-28 European colonization played a major role in the acquisition formation and destruction of different ways of knowing Recently many scholars and activists have come to ask Are there ways in which knowledge might be decolonized *Epistemic Decolonization* examines a variety of such projects from a critical and philosophical perspective The book introduces the unfamiliar reader to the wide variety of approaches to the topic at hand providing concrete examples along the way It argues that the predominant contemporary approach to epistemic decolonization leads one into various intractable theoretical and practical problems The book then closely investigates the political and scientific work of Frantz Fanon and Amílcar Cabral demonstrating how their philosophical commitments can help lead one out of the practical and theoretical issues faced by the current predominant orientation and concludes by forging links between their work and that of some contemporary feminist epistemologists

Party Politics and Decolonization Philip Murphy, 1995 This study explores the relationship between Conservative Party politics and British colonial policy in tropical Africa during the unbroken period of Conservative government from 1951 to 1964 It makes an important contribution to the debate on decolonization

Politics in Congo Crawford Young, 2015-12-08 The process of

decolonization the development of the nationalist movement and the salient aspects of the emerging post independence policy in the Congo since 1954 are studied Special emphasis is given to the forces set loose by the Leopoldville explosion Originally published in 1965 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Morning Star Rising Camellia

Webb-Gannon,2021-06-30 That Indonesia s ongoing occupation of West Papua continues to be largely ignored by world governments is one of the great moral and political failures of our time West Papuans have struggled for more than fifty years to find a way through the long night of Indonesian colonization However united in their pursuit of merdeka freedom in its many forms what holds West Papuans together is greater than what divides them Today the Morning Star glimmers on the horizon the supreme symbol of merdeka and a cherished sign of hope for the imminent arrival of peace and justice to West Papua Morning Star Rising The Politics of Decolonization in West Papua is an ethnographically framed account of the long bitter fight for freedom that challenges the dominant international narrative that West Papuans quest for political independence is fractured and futile Camellia Webb Gannon s extensive interviews with the decolonization movement s original architects and its more recent champions shed light on complex diasporic and intergenerational politics as well as social and cultural resurgence In foregrounding West Papuans perspectives the author shows that it is the body politic s unflagging determination and hope rather than military might or influential allies that form the movement s most unifying and powerful force for independence This book examines the many intertwining strands of decolonization in Melanesia Differences in cultural performance and political diversity throughout the region are generating new fruitful trajectories Simultaneously Black and Indigenous solidarity and a shared Melanesian identity have forged a transnational grassroots power base from which the movement is gaining momentum Relevant beyond its West Papua focus this book is essential reading for those interested in Pacific studies Native and Indigenous studies development studies activism and decolonization

Political Theories of Decolonization Margaret Kohn,Keally McBride,2011-03-16 Political Theories of Decolonization provides an introduction to some of the seminal texts of postcolonial political theory The difficulty of founding a new regime is an important theme in political theory and the intellectual history of decolonization provides a rich albeit overlooked opportunity to explore it Many theorists have pointed out that the colonized subject was a divided subject This book argues that the postcolonial state was a divided state While postcolonial states were created through the struggle for independence they drew on both colonial institutions and reinvented pre colonial traditions Political Theories of Decolonization illuminates how many of the central themes of political theory such as land religion freedom law and sovereignty are imaginatively

explored by postcolonial thinkers In doing so it provides readers access to texts that add to our understanding of contemporary political life and global political dynamics

Liberal Ideals and the Politics of Decolonisation H.

Kumarasingham,2020-11-25 Liberal Ideals and the Politics of Decolonisation explores the subject of liberalism and its uses and contradictions across the late British Empire especially in the context of imperial dissolution and subsequent state building The book covers multiple regions and issues concerning the British Empire and the Commonwealth in particular the period ranging from the late nineteenth century to the late twentieth century Original intellectual contributions are offered along with new arguments on critical issues in imperial history that will appeal to a wide range of scholars including those outside of history Liberal Ideals and the Politics of Decolonisation exposes commonalities contradictions and contexts of different types of liberalism that animated the late British Empire and its rulers radicals subjects and citizens as they attempted to forge new states from its shadow and understand the impact of imperialism This book examines the complexities of the idea and quest for self government in the last stages of the British Empire It also argues the importance of the political intellectual and empirical aspects of liberalism to understand the process of decolonisation The chapters in this book were originally published in a special issue of The Journal of Imperial and Commonwealth History Decolonizing Politics Robbie Shilliam,2021-02-18 Political science emerged as a response to the challenges of imperial administration and the demands of colonial rule While not all political scientists were colonial cheerleaders their thinking was nevertheless framed by colonial assumptions that influence the study of politics to this day This book offers students a lens through which to decolonize the main themes and issues of political science from human nature rights and citizenship to development and global justice Not content with revealing the colonial legacies that still inform the discipline the book also introduces students to a wide range of intellectual resources from the post colonial world that will help them think through the same themes and issues more expansively Decolonizing Politics is a much needed critical guide for students of political science It shifts the study of political science from the centers of power to its margins where the majority of humanity lives Ultimately the book argues that those who occupy the margins are not powerless Rather marginal positions might afford a deeper understanding of politics than can be provided by mainstream approaches *The Rise and Fall of Modern Empires, Volume III* Sarah Stockwell,2017-03-02 Few aspects of the history of modern empires are of such significance as their economics and politics These factors are inextricably linked in many analyses have generated extensive historiographical debate and are currently the subject of some of the freshest and liveliest scholarship The articles and chapters which are brought together in this volume relate not only to the European colonial empires but also to the Napoleonic Russian and Japanese empires The collection is strongly comparative in approach with the articles arranged into thematic sections on the place of politics and economics in the rise and fall of modern empires the causal relationship between modern empires and colonial global and metropolitan economic transformations and the technologies of rule which provided the frameworks through which colonial

economies were managed and rights defined The collection reflects new approaches as well as the continuing importance of issues addressed in an older historiography and the thematic arrangement produces useful juxtapositions of older and newer literatures The substantial introduction explores the themes and identifies key historiographical trends in relation to each

The Politics of Decolonial Investigations Walter D. Mignolo, 2021-07-09 In *The Politics of Decolonial Investigations* Walter D Mignolo provides a sweeping examination of how coloniality has operated around the world in its myriad forms from the sixteenth century to the twenty first Decolonial border thinking allows Mignolo to outline how the combination of the self fashioned narratives of Western civilization and the hegemony of Eurocentric thought served to eradicate all knowledges in non European languages and praxes of living and being Mignolo also traces the geopolitical origins of racialized and gendered classifications modernity globalization and cosmopolitanism placing them all within the framework of coloniality Drawing on the work of theorists and decolonial practitioners from the Global South and the Global East Mignolo shows how coloniality has provoked the emergence of decolonial politics initiated by delinking from all forms of Western knowledge and subjectivities The urgent task Mignolo stresses is the epistemic reconstitution of categories of thought and praxes of living destituted in the very process of building Western civilization and the idea of modernity The overcoming of the long lasting hegemony of the West and its distorted legacies is already underway in all areas of human existence Mignolo underscores the relevance of the politics of decolonial investigations in and outside the academy to liberate ourselves from canonized knowledge ways of knowing and praxes of living *Politics in the Congo: Decolonization and Independence* Crawford Young, 1965 *Modernization and the Crisis of Development in Africa* Jeremiah I.

Dibua, 2017-11-28 In this book Jeremiah I Dibua challenges prevailing notions of Africa s development crisis by drawing attention to the role of modernization as a way of understanding the nature and dynamics of the crisis and how to overcome the problem of underdevelopment He specifically focuses on Nigeria and its development trajectory since it exemplifies the crisis of underdevelopment in the continent He explores various theoretical and empirical issues involved in understanding the crisis including state class gender and culture often neglected in analysis from an interdisciplinary radical political economy perspective This is the first book to adopt such an approach and to develop a new framework for analyzing Nigeria s and Africa s development crisis It will influence the debate on the development dilemma of African and Third World societies and will be of interest to scholars and students of race and ethnicity modern African history class analysis gender studies and development studies **Decolonising Political Communication in Africa** Beschara Karam, Bruce Mutsvairo, 2021-07-22

This book uses decolonisation as a lens to interrogate political communication styles performance and practice in Africa and the diaspora The book interrogates the theory and practice of political communication using decolonial research methods to begin a process of self reflexivity and the creation of a new approach to knowledge production about African political communication In doing so it explores political communication approaches that might until recently have been considered

subversive or dissident forms of political communication that served to challenge imposed western norms and to empower African citizens and their histories Centring African scholarship the book draws on case studies from across the continent including Zimbabwe South Africa Nigeria and Ghana This book will be of interest to students and scholars of politics media and communication in Africa The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781003111962> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The International Politics of Eurasia: v. 9: The End of Empire? Comparative Perspectives on the Soviet Collapse S. Frederick Starr, Karen Dawisha, 2016-09-16 First Published in 1997 This book is the ninth in a series of ten volumes produced by the Russian Littoral Project The project shares the conviction that the transformation of the former Soviet republics into independent states demands systematic analysis of the determinants of the domestic and foreign policies of the new countries The series of volumes is intended to provide a basis for comprehensive scholarly study of these issues This volume was shaped by the author's view that future scholarship about the post Soviet world requires both specialized research and broad gauge studies that carefully juxtapose the breakup of the Soviet empire with the transformation of other multinational empires

Modern Mauritius Adele Simmons, 1982 Study of the political development of Mauritius under colonialism 1936 1968 and the impact of interethnic relations and role of UK outlines the historical background part I The sugar plantation economy and ethnic groups describes the 1930s working class and small planters labour movement incl role of ILO trade unionism 1944 1948 constitutional reform 1938 1948 emergence of ethnic political parties and Hindu domination choice between independence or association with UK the 1967 election and racial conflict Maps references statistical tables

Postcolonial Theory and International Relations Sanjay Seth, 2013 What can postcolonialism tell us about international relations What can international relations tell us about postcolonialism In recent years postcolonial perspectives and insights have challenged our conventional understanding of international politics Postcolonial Theory and International Relations is the first book to provide a comprehensive and accessible survey of how postcolonialism radically alters our understanding of international relations Each chapter is written by a leading international scholar and looks at the core components of international relations theories the nation geopolitics international law war international political economy sovereignty religion nationalism Empire etc through a postcolonial lens In so doing it provides students with a valuable insight into the challenges that postcolonialism poses to our understanding of global politics

Modern Mauritius Adele Simmons, **The Oxford Handbook of Portuguese Politics** Jorge M. Fernandes, Pedro C. Magalhães, António Costa Pinto, 2022-09-29 The Oxford Handbook of Portuguese Politics brings together the best scholars in the field offering an unrivalled coverage of the politics broadly defined of the country over the past 50 years The Handbook includes eight sections First it looks at the past and present by making an overview of Portuguese political developments since democratization in the 1970s Second it looks at political institutions as the building blocks of Portuguese democracy

The third section examines mass politics and voters that is a thorough analysis of the demand side of mass politics The fourth section turns to the supply side of mass politics by looking at parties and the party system The fifth section looks at the Portuguese society by unpacking a plethora of societal aspects with direct implications for politics The sixth section examines governance and public policies with a view to understanding how a constellation of public policies has an impact on the quality of governance and in fostering well being The seventh section looks at Portugal and the European Union The eighth and final section unpacks Portuguese foreign policy and defence

As recognized, adventure as with ease as experience about lesson, amusement, as skillfully as bargain can be gotten by just checking out a books **Politics Of Decolonization** with it is not directly done, you could take even more a propos this life, on the subject of the world.

Politics Of Decolonization Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Politics Of Decolonization PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Politics Of Decolonization PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Politics Of Decolonization free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
