Politics Of Human Rights In Southeast Asia:

Politics of Human Rights in Southeast Asia Philip J. Eldridge, 2013-01-11 The divide between the West and Southeast Asia seems to be nowhere more apparent than in debates about human rights. Within these diverse geographical, political, and cultural climates, human rights seem to have become relative, and the quest for absolutes seems unattainable. In this new book, Philip J. Eldridge seeks to question this stalemate. He argues that the Association of Southeast Asian Nations' inclusion in United Nations human rights treaties could be the common ground that bridges the gap between East and West. Eldridge uses topical case studies and primary research from Malaysia, Indonesia, East Timor, and Australia to compare the effectiveness of United Nations human rights directives on local democracies. This study presents insightful research into a hotly debated topic. As such, it will be a thought-provoking resource for students of human rights, politics, and international relations. *The Politics of Human Rights in Southeast Asia* Philip J. Eldridge, 2002 [Routledge Handbook of Human Rights in Southeast Asia](#) Amalinda Savirani, Ken M.P. Setiawan, 2025-06-30

The Routledge Handbook of Human Rights in Southeast Asia analyses some of the region's most pressing human rights issues while also giving attention to those actors and institutions that work towards improvement. Chapters by international experts in the field provide readers with a background on some of Southeast Asia's most pressing human rights concerns. The book builds on and contributes to existing analyses of human rights in Southeast Asia to further enhance our understanding of what sits behind the region's ambivalent human rights track record. Following an introduction, the handbook is structured in eight parts. The chapters cover a wide range of human rights issues, including human rights debates at political and regional levels and how human rights are experienced every day, such as the rights to food, water, and work. Advancing Human Rights through ASEAN Refugees Protecting Rights and Strengthening Agency Transitional Justice in Southeast Asia Confronting the Past Balancing Moral Perspectives Ideologies and Human Rights Intersections between Workers Rights Corporations and the State Accessing and Maintaining Rights to Water Food and Health On the Frontline Human Rights Defenders Promoting Human Rights in Southeast Asia New Directions and Strategies. The handbook considers the political and social contexts in which human rights emerge, the dynamics of their contestation and violation, and how rights are claimed. It demonstrates that human rights are a practice and goes beyond considering human rights as formal structures in laws, regulations, and meeting rooms. A timely overview and analysis of the situation of Human Rights in Southeast Asia, this handbook will be a valuable reference work for scholars and practitioners in human rights, the field of Asian Law, Asian Studies in general, and Southeast Asian Studies in particular. one In The Politics of Human Rights in East Asia the authors survey the human rights records and attitudes of each country The countries covered are China Taiwan Korea Japan Indonesia Myanmar Cambodia Vietnam Thailand the Philippines Malaysia and Singapore Kenneth Christie covers Southeast Asia and Denny Roy covers Northeast Asia They conclude with a discussion of the Association of East Asian Nation s ASEAN role and suggestions for the future Throughout they examine the competing meaning of human rights in the Western versus the non Western context and place the role of human rights within the framework of each country s history and political and economic development *Human Rights and Participatory Politics in Southeast Asia* Catherine Renshaw,2019-04-12 In Human Rights and Participatory Politics in Southeast Asia Catherine Renshaw recounts an extraordinary period of human rights institution building in Southeast Asia She begins her account in 2007 when the ten members of the Association of Southeast Asian Nations ASEAN signed the ASEAN charter committing members for the first time to principles of human rights democracy and the rule of law In 2009 the ASEAN Intergovernmental Commission on Human Rights was established with a mandate to uphold internationally recognized human rights standards In 2013 the ASEAN Human Rights Declaration was adopted as a framework for human rights cooperation in the region and a mechanism for ASEAN community building Renshaw explains why these developments emerged when they did and assesses the impact of these institutions in the first decade of their existence In her examination of ASEAN Renshaw asks how human rights can be implemented in and between states that are politically diverse Vietnam and Laos are Communist Brunei Darussalam is an Islamic sultanate Myanmar is in transition from a military dictatorship the Philippines and Indonesia are established multiparty democracies while the remaining members are less easily defined Renshaw cautions that ASEAN is limited in its ability to shape the practices of its members because it lacks a preponderance of democratic states However she concludes that in the absence of a global legalized human rights order the most significant practical advancements in the promotion of human rights have emerged from regional institutions such as the ASEAN

Globalisation, Governance and Human Rights: South Asian Experiences Anisur Rahman,Niharika Tiwari,2022-01-01 With increasing geo strategic importance in contemporary scenario the South Asia can be accorded as a region of special relevance in context of globalization and international politics The present book delves deep into the pros and cons of inter linkages between globalization governance and issues of human rights in South Asia The book discusses an array of issues relating to globalization governance and issues of human rights The micro level issues are discussed in a way that it will give an insight to develop a framework and better understanding at macro level In this book readers will find the debate between proponents and critics of globalization in detail to comprehend the context in toto The governance and its connection with globalization is also dealt with accordingly The issue of human rights in the globalized world needs to be given proper attention so as to understand all indispensable aspects to have a complete understanding of South Asia in a globalized world The book throws light on issues and challenges like conflicts human rights issues poor governance gender imbalance poverty

and unemployment This will certainly help readers to understand the South Asia through post development perspective It will also be helpful for scholars general readers and policy makers in understanding and developing their own perspectives and formulating policy on South Asia in contemporary globalized scenario

Human Rights and Participatory Politics in Southeast Asia Catherine Renshaw,2019-02-18 In Human Rights and Participatory Politics in Southeast Asia Catherine Renshaw recounts an extraordinary period of human rights institution building in Southeast Asia She begins her account in 2007 when the ten members of the Association of Southeast Asian Nations ASEAN signed the ASEAN charter committing members for the first time to principles of human rights democracy and the rule of law In 2009 the ASEAN Intergovernmental Commission on Human Rights was established with a mandate to uphold internationally recognized human rights standards In 2013 the ASEAN Human Rights Declaration was adopted as a framework for human rights cooperation in the region and a mechanism for ASEAN community building Renshaw explains why these developments emerged when they did and assesses the impact of these institutions in the first decade of their existence In her examination of ASEAN Renshaw asks how human rights can be implemented in and between states that are politically diverse Vietnam and Laos are Communist Brunei Darussalam is an Islamic sultanate Myanmar is in transition from a military dictatorship the Philippines and Indonesia are established multiparty democracies while the remaining members are less easily defined Renshaw cautions that ASEAN is limited in its ability to shape the practices of its members because it lacks a preponderance of democratic states However she concludes that in the absence of a global legalized human rights order the most significant practical advancements in the promotion of human rights have emerged from regional institutions such as the ASEAN

Politics and Constitutions in Southeast Asia Marco Bünte,Björn Dressel,2016-07-15 In recent years the constitutional landscape of Southeast Asia has changed tremendously Against a worldwide background of liberalization globalization and democratization states in the region have begun to alter their constitutions reinforcing human rights provisions and putting in place institutional safeguards such as constitutional courts and human rights commissions On closer examination however the picture is very complex with constitutional developments differing greatly between states This book explores a range of current constitutional developments in the different states of Southeast Asia through a distinct political lens Drawing on comparative and single case studies it considers various constitutional areas including constitution drafting human rights legal safeguards and the continuing role of the military sets constitutional developments in the wider political and historical context of each country and makes comparisons both with Western democracies and with other developing regions The book concludes by assessing overall how far constitutional practices and trajectories are converging towards a liberal Western model or towards a distinctly Southeast Asian model

The Political Sociology of Human Rights Kate Nash,2015-07-28 The language of human rights is the most prominent people centred language of global justice today This textbook looks at how human rights are constructed at local national international and transnational levels and considers commonalities and

differences around the world Through discussions of key debates in the interdisciplinary study of human rights the book develops its themes by considering examples of human rights advocacy in international organisations national states and local grassroots movements Case studies relating to specific organisations and institutions illustrate how human rights are being used to address structural injustices imperialist geopolitics authoritarianism and corruption inequalities created by freeing markets dangers faced by transnational migrants as a result of the securitization of borders and violence against women

Sexualities in World Politics Manuela Lavinas Picq, Markus Thiel, 2015-05-15

As LGBTQ claims acquire global relevance how do sexual politics impact the study of International Relations This book argues that LGBTQ perspectives are not only an inherent part of world politics but can also influence IR theory making LGBTQ politics have simultaneously gained international prominence in the past decade achieving significant policy change and provoked cultural resistance and policy pushbacks Sexuality politics more so than gender based theories arrived late on the theoretical scene in part because sexuality and gender studies initially highlighted post structuralist thinking which was hardly accepted in mainstream political science This book responds to a call for a more empirically motivated but also critical scholarship on this subject It offers comparative case studies from regional cultural and theoretical peripheries to identify ways of rethinking IR Further it aims to add to critical theory broadening the knowledge about previously unrecognized perspectives in an accessible manner Being aware of preoccupations with the de queering disciplining nature of theory establishment in the social sciences we critically reconsider IR concepts from a particular LGBTQ vantage point and infuse them with queer thinking Considering the relative dearth of contemporary mainstream IR theorizing authors ask what contribution LGBTQ politics can provide for conceiving the political subject as well as the international structure in which activism is embedded This book will be of

interest to students and scholars of gender politics cultural studies and international relations theory **Ways of Knowing about Human Rights in Asia** Vera Mackie, 2016-03-22 This innovative multidisciplinary collection brings together the latest research on human rights in the Asian region by leading scholars with a deep familiarity with the languages and cultures of the region The contributors bring a range of disciplinary approaches or ways of knowing to the study of human rights history memory studies gender and sexuality studies cultural studies translation studies development sociology and political economy Issues canvassed include linguistic rights debates on prenatal testing campaigns for redress of past wrongs labour rights voluntourism sexuality and modes of human rights advocacy This book was published as a special issue of Asian Studies Review *Human Security in Southeast Asia* Yukiko Nishikawa, 2010-09-13 There is a growing interest in human security in Southeast Asia This book firstly explores the theoretical and conceptual basis of human security before focusing on the region itself It shows how human security has been taken up as a central part of security policy in individual states in Southeast Asia as well as in the regional security policy within the Association of Southeast Asian Nations ASEAN The book discusses domestic challenges for human security including the insurgencies in southern Thailand the Philippines and Indonesia Transnational security issues such as terrorism drugs human trafficking and the situation in Burma are explored by the author and the ASEAN way of contrasting the values and approaches of Southeast Asian countries with those in the West is assessed By focusing on the ongoing changes and efforts to achieve human security in Southeast Asia this book contributes to theoretical debates on human security as well as regional studies on Southeast Asia *Encyclopedia of International Relations and Global Politics* Martin Griffiths, 2013-11-26 Provides a unique reference source for students and academics covering all aspects of global international relations and the contemporary discipline across IR's major subject divisions of diplomacy military affairs international political economy and theory **A Selective Approach to Establishing a Human Rights Mechanism in Southeast Asia** Hao Duy Phan, 2012-02-03 This book proposes a selective approach for states with more advanced human rights protection to establish a human rights court for Southeast Asia It argues the inclusive approach currently employed by ASEAN to set up a human rights body covering all member states cannot produce a strong regional human rights mechanism The mosaic of Southeast Asia reveals great diversity and high complexity in political regimes human rights practice and participation by regional states in the global legal human rights framework Cooperation among ASEAN members to protect and promote human rights remains limited The time honored principle of non interference and the ASEAN Way still predominate in relations within ASEAN These factors combine to explain why the ASEAN Intergovernmental Commission on Human Rights is unlikely to be strong and effective in changing and promoting regional human rights protection *Human Rights* Michael Goodhart, 2013 Human Rights Politics and Practice is an introduction to human rights that goes beyond a purely legal perspective to look at theoretical issues and practical approaches Bringing together leading experts it is up to date with cutting edge research in a constantly evolving field Routledge Handbook of
