## **Politics Of The Ayodhya Dispute:**

**Secular States, Religious Politics** Sumantra Bose, 2018-05-03 Presents a comparative study of two major attempts to build secular states India and Turkey in the non Western world

**The Government and Politics of India** Ramesh Thakur, 1995-07-24 The Government and Politics of India provides a clear and concise account of the contemporary Indian political system It explains the historical legacies that have shaped the structures of Indian government and influenced the patterns of its politics It describes the network of Indian institutions at federal and provincial level It conveys a sense of where power is located how it is used and the constraints on its exercise Special attention is devoted to caste religion and regionalism in Indian society and to the nature of democratic politics in relation to Third World development

**Religious Politics and Secular States** Scott W. Hibbard, 2010-10-15 2011 Winner of the Charles H Levine Memorial Book Prize of the International Political Science Association This comparative analysis probes why conservative renderings of religious tradition in the United States India and Egypt remain so influential in the politics of these three ostensibly secular societies The United States Egypt and India were quintessential models of secular modernity in the 1950s and 1960s By the 1980s and 1990s conservative Islamists challenged the Egyptian government India witnessed a surge in Hindu nationalism and the Christian right in the United States rose to dominate the Republican Party and large swaths of the public discourse Using a nuanced theoretical framework that emphasizes the interaction of religion and politics Scott W Hibbard argues that three interrelated issues led to this state of affairs First as an essential part of the construction of collective identities religion serves as a basis for social solidarity and political mobilization Second in providing a moral framework religion s traditional elements make it relevant to modern political life Third and most significant in manipulating religion for political gain political elites undermined the secular consensus of the modern state that had been in place since the end of World War II Together these factors sparked a new era of right wing religious populism in the three nations Although much has been written about the resurgence of religious politics scholars have paid less attention to the role of state actors in promoting new visions of religion and society Religious Politics and Secular States fills this gap by situating this trend within long standing debates over the proper role of religion in public life

**Reasoning Indian Politics** Narendar Pani, Anshuman Behera, 2017-11-10 This volume examines the multiple forms of reasoning in Indian politics and explores a framework to understand them In the process it looks at a series of issues involving the relationship between politics and philosophy including the status of political theory political practices identity politics and political ontology The book argues that in the years leading up to and soon after independence the task of conceptualizing politics was largely in the domain of practising politicians who built theories and philosophical methods and further took those visions into the practice of their politics It maintains that Indian politicians since then have not been as inclined to articulate their theories or methods of politics This book traces the transition from philosopher politicians to politicians seeking philosophy in Indian polity in the post

independence era and its implications for current practices It views Indian political philosophy from the standpoints of political theorists philosophers and practitioners With expert and scholarly contributions this volume will be of interest to students and researchers of Indian political thought and political philosophy social sciences and humanities *Educart CBSE Class 12 POLITICAL SCIENCE One Shot Question Bank 2024-25 (Updated for 2025 Exam)* Educart,2024-08-10 What You Get Competency based Q s Chapter wise Revision Maps Educart CBSE Class 12 POLITICAL SCIENCE One Shot Question Bank 2024 25 Updated for 2025 Exam Strictly Based on 22nd March 2024 CBSE Syllabus Chapter wise Important Q s from DIKSHA NCERT textbook and Exemplar Competency based Q s as per revised CBSE board exam pattern Last 12 years Previous Year Q s to practice frequently asked questions Why choose this book Practice Important Q s from all CBSE Sources with India s First Educart Class 12 One Shot *Educart CBSE Class 12 Political Science One Shot Question Bank 2026 (Includes PYQs for 2025-26)* Educart,2025-06-26 Quick theory full exam practice in one easy to use book This Class 12 Political Science One Shot Question Bank is tailored for fast effective revision and question practice aligned with the CBSE 2025 26 syllabus Key Features Latest Syllabus Coverage All chapters from Contemporary World Politics and Politics in India Since Independence included as per CBSE guidelines One Shot Format Each chapter includes concise theory notes followed by key questions for targeted revision All Question Types Included Short and Long Answer Source based Map based and Competency based questions covered Chapterwise PYQs Past year CBSE questions included with solutions to understand real exam trends Based on NCERT Textbooks All content mapped directly to Class 12 NCERT Political Science books CBSE Marking Scheme Solutions Answers provided in a step by step format that meets board expectations Quick Revision Friendly Designed for last minute prep and regular practice before school and board exams This Political Science One Shot Book helps you revise smart retain key concepts and face the board exam with confidence Ideal for students who want to complete revision and practice in a structured and time efficient way [Handbook of South Asia: Political Development](#) Europa Publications,2023-07-07 This Handbook brings together essays that introduce the reader to the key issues in South Asian political development Written by experts in their respective areas the essays explore key aspects of political economy political and economic change and the complex diplomatic and security challenges of individual countries and the region as a whole Essays discuss topics as wide ranging as China s growing reach in South Asia political Islam SAARC and water politics through the region This well researched Handbook is an essential reference tool for students and scholars of Political Science International Relations and South Asian studies With an introduction by Harsh V Pant **Life, Politics, and Resistance in Kashmir after 2019** Mirza Saaib Béq, Shubh Mathur,2024-05-15 The forcible integration of Kashmir into the Indian union has unleashed a new wave of intense political repression human rights violations and resource appropriation in Kashmir and has once again made the conflict a focus of international attention This has led to a paradigm shift in global perceptions and created space for new understandings of the conflict and its possible resolutions Life Politics and Resistance in Kashmir after
