Rable,2015-11-18 During the Civil War southerners produced a vast body of writing about their northern foes painting a picture of a money grubbing puritanical and infidel enemy Damn Yankees explores the proliferation of this rhetoric and demonstrates how the perpetual vilification of northerners became a weapon during the war fostering hatred and resistance among the people of the Confederacy Drawing from speeches cartoons editorials letters and diaries Damn Yankees examines common themes in southern excoriation of the enemy In sharp contrast to the presumed southern ideals of chivalry and honor Confederates claimed that Yankees were rootless vagabonds who placed profit ahead of fidelity to religious and social traditions Pervasive criticism of northerners

created a framework for understanding their behavior during the battle it confirmed the Yankees' reputed physical and moral weakness. When the Yankees achieved military success, reports of depravity against vanquished foes abounded, stiffening the resolve of Confederate soldiers and civilians alike to protect their homeland and the sanctity of their women from Union degeneracy. From award-winning Civil War historian George C. Rable, *Damn Yankees* is the first comprehensive study of anti-Union speech and writing, the ways these words shaped perceptions of and events in the war, and the rhetoric's enduring legacy in the South after the conflict had ended. *Congressional Record* United States. Congress, 1967 **I Am a Damn Savage; What Have You Done to My Country? / Eukuan nin matshi-manitu innushkueu; Tanite nene etutamin nitassi?** An Antane Kapeshe, 2020-09-09 Quebec author An Antane Kapeshe's two books *Je suis une maudite sauvagesse* 1976 and *Qu'as-tu fait de mon pays* 1979 are among the foregrounding works by Indigenous women in Canada. This English translation of these works, each page presented facing the revised Innu text, makes them available for the first time to a broader readership. In *I Am a Damn Savage*, Antane Kapeshe wrote to preserve and share her culture, experience, and knowledge, all of which she felt were disappearing at an alarming rate because many Elders like herself were aged or dying. She wanted to publicly denounce the conditions in which she and the Innu were made to live and to address the changes she was witnessing due to land dispossession and loss of hunting territory, police brutality, and the effects of the residential school system. *What Have You Done to My Country?* is a fictional account by a young boy of the arrival of the Polichinelles referring to White settlers and their subsequent assault on the land and on native language and culture. Through these stories, Antane Kapeshe asserts that settler society will eventually have to take responsibility and recognize its faults and accept that the Innu, as well as all the other nations, are not going anywhere that they are not a problem settlers can make disappear.
