County Preservation Board**

Pompano Beach:

Pompano Beach Frank J. Cavaioli, 2007-12-17 Pompano Beach A History tells the story of the hardworking men and women who transformed Pompano from a wild farming community into a flourishing city on Florida's coast. From the hardships of hurricanes to the riches of the 1920s real estate boom through the tough times of the Depression to victory in World War II author Frank J. Cavaioli PhD traces the history of Pompano through fascinating facts and residents' own accounts.

Pompano Beach Frank J. Cavaioli, Frank J. Cavaioli Ph. D., 2001-08 Located on Florida's Atlantic Coast midway between Palm Beach and Miami Pompano Beach marks the northern boundary of the Florida reef at the outlet from the Intracoastal Waterway to the ocean. Incorporated in 1908 the city is now home to more than 82,000 residents who consider their community with its historic buildings, pristine beaches, and comfortable lifestyle the Gem of the Gold Coast. The completion of the Pompano Canal in 1890 and the arrival of the Flagler Florida East Coast Railway in 1896 provided the basis for the early development around Lettuce Lake, now Lake Santa Barbara, and Pompano Beach's rich farmland attracted the area's first settlers. These stalwart men and women faced with determination the challenges of natural disasters and economic uncertainty and carved their prosperous community out of the harsh Florida landscape. Prominent people such as the McNab brothers, George L. Blount, the Garner family, George and Mary Butler, Blanche Ely, the Rolle family, and others took part in the developing tale of Pompano Beach while local landmarks and events such as the Kester Cottages, the State Farmers Market, Pompano Harness Park, Goodyear Blimp, the Holiday Boat Parade, the Broward County Fair, and Pioneer Days helped to shape the area's rich heritage. Featuring over 200 vintage photographs of such people and places, this pictorial retrospective captures in word and image the scenes of Pompano Beach's unique history.

Pompano Beach, Florida Code of Ordinances Pompano Beach (Fla.), 1986

Pompano Beach Daniel Hobby, 2010-01-01

Pompano Beach: the Tale of a City Lorena H. Robson, 1974

Changes Among Operating Banks and Branches, Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service, 2002

Data Book, Operating Banks and Branches, 1995

Limitations and Effects of Waste Disposal on an Ocean Shelf Florida Ocean Sciences Institute, Lawrence D. Lukin, 1972. A three-year study to determine the effects of sewage outfall on macroscopic marine life and human recreation by comparison surveys was made using Boca Raton as a control for the Pompano Beach and Delray Florida outfalls. Sand samplings from the sewage lift stations were tested for total fecal and coliform counts using standard methods. Temperature, salinity, and current profiles were done and fluorometric dilution measurements were augmented by Sample Fit Analysis and Gaussian Fit Analysis measuring concentration deviations of the dye tracking of plumes resulting from the rising effluent surface boils. A diffusion model furnished the basis of analysis on the various physical data and charted the fluorometric data. Rules are enumerated for limiting pollution on beaches as set by the state water quality controls.
