**Psalms For You** Christopher Ash, 2020-02-01. Enjoy reading and applying different types of psalms and seeing Jesus in every one. Christopher Ash shows us how to read and apply the book of Psalms. He takes us through 15 pairs of psalms that represent various types, including some that are very familiar and some that are often ignored. He helps us to see how they are fulfilled by Jesus and therefore point to Jesus first and foremost, transforming how we read them, enjoy them, and sing them. Christopher Ash comments that this understanding of the Psalms can shape the dynamics of our Christian lives in ways that neither a dry and arid intellectualism nor a rootless emotionalism can do. The Psalms can make us Christians with deep feelings, deep emotions, deep thoughts, and deep desires.

**The Psalms from a Christian Perspective** Rev. Dr. George L. Earnshaw Ph. D., 2019-07-24. Is the God of the Old Testament the same God of the New Testament? The Psalms from a Christian Perspective scrutinizes each of the 150 psalms in terms of setting and what the writer is trying to say, underscoring that the writers, nearly half of the psalms are attributed to King David, struggled with the same human condition we suffer with today. This commentary on the book of Psalms also points out how each of the 150 psalms reflects or does not reflect the Christian faith. The book of Psalms is a mirror of self and a window into God. It also explains why we need a redemptive divine savior and predicts the suffering to be endured by our savior. Jesus quotes from the book of Psalms eleven times more than any other part of the Old Testament. Jesus quotes from the book of Psalms eleven times more than any other part of the Old Testament.

Ironside,2014-07-02 As we are about to enter upon the study of this book I want to say first a few things of an introductory character I suppose there is no portion of Holy Scripture that has meant more to the people of God particularly to tried and afflicted believers down through both the Jewish and Christian centuries than the book of Psalms Of course the worship expressed in this book does not rise to the full character of Christian worship as in this present dispensation of the grace of God As we read the Psalms we need to remember that when they were written our Lord Jesus had not yet become incarnate consequently redemption had not been effected and so the veil was still unrent God as it were was shut away from

man and man was shut out from God and so the worshiper of Old Testament times gives expression to certain things that would not be suitable from the lips of an instructed worshiper in this present age of grace David prays Take not Thy Holy Spirit from me No well instructed Christian would pray that today for we know now that we have received the Holy Spirit to abide with us forever We have been sealed by the Holy Spirit until the redemption of the purchased possession And then there are a great many of the prayers in the book of Psalms that imply a hidden God But today God has come out into the light since our Lord Jesus by His sacrificial death upon the Cross has rent the veil and opened up the way into the immediate presence of God for poor sinners and enabled God to come out to man in all the perfection of His glorious Person **Ponder** Mahri Leonard-Fleckman,2022-09-03 2023 Catholic Media Association Honorable Mention Scripture Popular Studies Ponder Contemplative Bible Study accompanies all hearers and preachers of the Word as they pray with and ponder the Sunday readings throughout the liturgical year Everything needed for a rich experience of lectio divina and biblical exploration is provided the full text of the Sunday readings concise commentary engaging reflections and clear guidance on how to use this resource alone or with a group This volume guides readers through the Year A lectionary *Psalms (Understanding the Bible Commentary Series)* Craig C.
