## **Ponderous Postcards:**

*The Ponderous Postcards* Lemony Snicket,2004-11 The postcards in this book do not display images of sunny beaches memorable skylines beautiful sunsets or great film performances Instead they feature unnerving images likely to make your postman faint in fear Clearly you should purchase cheerful greetings cards instead **A Series of Unfortunate Events:**

**The Ponderous Postcards** Lemony Snicket,2004-10-26 This full colour book offers 32 standard postcards featuring images from the film British Postcards of the First World War Peter Doyle,2011-11-20 Postcards sent by men on the front and to them by their families are among the most numerous and most telling surviving artefacts of the Great War They tell us much about attitudes towards the war and provide a great insight into men s lives and into the thoughts and emotions of those left behind Very different in their illustration and in their writing between the beginning of the war and the end postcards provide a social history of the war in microcosm Illustrated with a wide range of postcards this is a fascinating look into the response of the British people to the horrors of the war A Series of Unfortunate Events: The Pessimistic Posters Lemony Snicket,2004-10-26 Dear Wall Enthusiast If you are looking for some sort of decoration for the walls of your home or cell you have picked up the wrong item entirely Not only is this poster book far too heavy to be nailed to a wall the images it contains are extremely depressing This book contains nothing but unnecessarily large photographs of distressing moments in the miserable lives of the three Baudelaire siblings Even if you flip through the book as quickly as possible you are likely to see images of a burnt down house a deadly snake a bad play and a notorious villain in a variety of badly tailored disguises Your blank walls would be better off covered with a tapestry a word which here means an ugly piece of cloth too thin to use as a blanket and too large to use as a napkin I will spend the rest of my life staring at images like these in the cavernous room of my mind You however are free to find more cheerful posters perhaps displaying a fuzzy cat a basket full of puppies or a handful of flowers arranged in some sort of vase With all due respect Lemony Snicket *Postcards from Berlin* Margaret Leroy,2009-06-27 Catriona Lydgate is a housewife with two children and an adoring husband But beneath the surface of her seemingly perfect life are the dark secrets of the past she s tried to forget Disturbing postcards begin arriving in the mail she is recognized by a man who knew her from her past an avalanche of small moments that will threaten everything she thought was real When her youngest daughter falls ill with a mysterious illness the doctors and even her husband suspect that she is deliberately making her child sick As her marriage unravels she comes dangerously close to the edge and to losing everything that she loves as the past she has fought so hard to bury becomes her witness and prosecutor This is a haunting heartbreaking novel domestic fiction at its very finest *A Series of Unfortunate Events: Behind the Scenes with Count Olaf* Lemony Snicket,2004-10-26 Evil Count Olaf walks you through the movie Includes rare behind the scene sketches photos illustrations and movie stills **York The Postcard Collection** Paul Chrystal,2017-03-15 Beautiful postcards capturing old York in all its glory Luster Don Bogen,2012-01-01 Don Bogen s latest volume Luster takes on everything from bullhorns

to the cultivation of olive trees in poems that are sharp edged and open to surprise They capture not just things themselves but the essential contexts history power the personal and the social that give them meaning The stylistic dexterity and range of approaches here make the book as rich as the world it engages Luster includes evocations of place and memory character studies of figures from Coleridge to Tarzan a verse epistle and an extended meditation on machines in our daily lives all within an overarching vision From racehorses to waterwheels to great cities Bogen illuminates things that go in both their dynamism and their inevitable decay Luster traces the sheen of human activity that clings to the world around us imperfect irrevocably marred by time but always gleaming

**Old Beijing** Felicitas Titus,2012-11-27 This collection of rare and vintage postcards offers a unique look at a vanished China and its storied capital Comprising 355 black and white and hand tinted Beijing photography postcards that span the period from the last years of Imperial China to the Japanese invasion of 1937 it is a treasure trove for buffs of Beijing history collectors Sinophiles and anyone fascinated by people and cultures from times past Readers will enjoy the wide selection of images showing different aspects of the life of old Peking from the arrival of a camel train at a city gate to hand colored views of the Forbidden City and an array of vendors street performers officials gentry commoners and foreign tourists Several chapters present the city's distinctive Beijing architecture its walls and gates towers fountains temples pagodas memorial arches and public or imperial buildings including the Summer and Winter Palaces and the Ming Tombs Other chapters of Chinese photography look at the Manchu rulers street life the Legation Quarter and Western presence and the Great Wall Included are some rare scenes depicting the aftermath of the Boxer Rebellion and 1911 revolution Manchu fashion colorful means of transportation and the coming of the railroad Of particular note are images of the Empress Dowager the child emperor Puyi and other personalities at the Manchu Court The book also includes eight color postcards of paintings by the famous artist Carl Wuttke and rare cards showing etched drawings of the Old Summer Palace now only a field of ruins The author who was born and lived in China before 1949 has written an informative introduction to each chapter as well as a general introduction to classical Beijing A foreword by historian and Beijing expert Susan Naquin situates this collection at once as a precious record of old Peking and a revealing snapshot of Western views of China in the first golden age of tourism Old Beijing Postcards from the Imperial City offers a visual time capsule of both Beijing's history and traditional Chinese culture in a unique and revealing postcard format

**Postcard America** Jeffrey L. Meikle,2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life

magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images *Sefton The Postcard Collection* Hugh Hollinghurst,2019-10-15 Beautiful postcards capture old Sefton in all its glory Offers a fascinating window into the history of the Merseyside metropolitan borough *Starting from Eighty Six Thousand Five Hundred and Fifty Three* Joel Climenhaga,2002 *Up and Coming* Nalbro Bartley,1923 **Kamakura** Burritt Sabin,2021-08-30 Kamakura rose as the first samurai capital in the 12th century Shogun Yoritomo chose for the seat of his military government a natural fortress far from the intrigues of the court in Kyoto He summoned from the capital carpenters to build grand temples and sculptors to carve images for their halls His successors the Hōjō built the great Zen monasteries Kenchōji and Engakuji Religious figures including Nichiren Ippen and Ninshō established temples of their respective Buddhist sects in the new city Kamakura A Contemplative Guide introduces the dramatic and often violent lives of these figures and walks you through shrine and temple precincts illuminating the features of their halls gardens and statuary It takes you over the passes cut sheer through rock to give entrance to the city It shows Kamakura through the eyes of the writers and artists drawn to the seaside city by its laid back pace rich history and abundant greenery Rare photographs complement the text Lucid maps pinpoint places of interest Finally Kamakura A Contemplative Guide explains how the establishment of the first samurai capital from whence the ethic and spirit of the Eastern warrior spread nationwide was of significance in the formation of Japan **A Postcard from Rome** David Helwig,1989 **Modernism, Media, and Propaganda** Mark Wollaeger,2008-09-15 Though often defined as having opposite aims means and effects modernism and modern propaganda developed at the same time and influenced each other in surprising ways The professional propagandist emerged as one kind of information specialist the modernist writer as another Britain was particularly important to this double history By secretly hiring well known writers and intellectuals to write for the government and by exploiting their control of new global information systems the British in World War I invented a new template for the manipulation of information that remains with us to this day Making a persuasive case for the importance of understanding modernism in the context of the history of modern propaganda *Modernism Media and Propaganda* also helps explain the origins of today s highly propagandized world *Modernism Media and Propaganda* integrates new archival research with fresh interpretations of British fiction and film to

provide a comprehensive cultural history of the relationship between modernism and propaganda in Britain during the first half of the twentieth century From works by Joseph Conrad to propaganda films by Alfred Hitchcock and Orson Welles Mark Wollaeger traces the transition from literary to cinematic propaganda while offering compelling close readings of major fiction by Virginia Woolf Ford Madox Ford and James Joyce *Invitation to the Waltz* Rosamond Lehmann,2015-04-28

Rosamond Lehmann's enduring classic told from the point of view of its seventeen year old heroine who has been invited to her first dance Today is Olivia Curtis's seventeenth birthday In exactly one week she will attend her first dance She is thrilled and terrified Will Tony Heriot ask her to dance Will he even remember that they once attended the same costume party What will she wear Something bright and beautiful red silk In the handsome diary she receives as a gift Olivia shares her innermost doubts and fears about her pretty confident older sister Kate her precocious baby brother James her eccentric country neighbors and of course the upcoming party which she is sure will be the crowning event of her young life Divided into three parts Olivia's birthday the day leading up to the party and the breathtaking event itself *Invitation to the Waltz* masterfully captures the conflicting emotions of a teenager on the threshold of womanhood Will this be the night when all of Olivia's dreams come true **The Olivia Curtis Novels** Rosamond Lehmann,2018-06-19 Ten years separate these two poignant novels featuring the same young woman by the New York Times bestselling novelist in the grand tradition Anita Brookner British novelist Rosamond Lehmann has always written brilliantly of women in love Margaret Drabble In her pair of novels featuring Olivia Curtis a shy romantic and hopeful seventeen year old looking forward to her first dance and later a sadder young woman in her twenties who still longs to capture lost passion Lehmann creates a completely compelling intimacy that lingers long after the stories are over Hermione Lee *The Guardian* *Invitation to the Waltz* Seventeen year old Olivia Curtis has been invited to her first dance She is thrilled and terrified In her diary she confides her hopes doubts and fears about her pretty confident older sister Kate her precocious baby brother James her eccentric country neighbors and of course the upcoming party which she is sure will be the crowning event of her life Divided into three parts Olivia's birthday the day leading up to the dance and the event itself *Invitation to the Waltz* beautifully captures the conflicting emotions of a teenager on the threshold of womanhood Utterly charming and so desperately true that it almost hurts *The New York Times* *The Weather in the Streets* Ten years older with a failed marriage behind her Olivia runs into Rollo Spencer her girlhood crush from the ball on a train and is swept up in a heated but clandestine affair since Rollo is married Lehmann's honest and powerful novel charts the tempestuous course of Olivia and Rollo's forbidden relationship from the first throes of passion through the toll of their deception on Olivia as she confronts the harsh reality of being the other woman *Kirkus Reviews* A vividly realized painfully convincing story of a love affair written in Lehmann's characteristic spare poetic prose Joyce Carol Oates *Picture Postcards in the United States, 1893-1918* George Miller,Dorothy Miller,1976 [The Fifth Pestilence](#) Alekseï Remizov,1928
